Your daily program

DAY 1 | NETHERLANDS: AMSTERDAM

Your Dutch adventure begins in Amsterdam, where you will embark in the afternoon. Following a Welcome Cocktail and a celebratory Dinner, you will be treated to a performance on board by a traditional Shanty Choir, setting the perfect mood for the days ahead.

DAY 2 | ARNHEM

Voted “greenest city in Europe”, Arnhem rebuilt itself after the famed 1944 battle immortalized in the film “A Bridge Too Far”, and is now a thriving artists’ town with fine museums and beautiful parks. Choose to join the morning city tour to appreciate its beautiful sights and delve deeper into the history of World War II at the War Museum. Later in the day, choose between a trip to the Open Air Museum with views of charming Dutch buildings, industries and crafts of bygone times and the Kröller-Müller-Museum, housing the second-largest collection of Van Gogh paintings in the world. Relax on board in the evening, enjoying a delicious dinner as your vessel cruises onwards to Middelburg.

DAY 3 | MIDDELBURG

Before lunchtime, your cruise ship will dock in Middelburg. As one of the centers where the Dutch East India Company flourished in the 17th century, this lovely city features historic merchant houses and storefronts lining its canals. This afternoon, take part in a guided walking tour and learn more about its history and culture, or join us for a culinary tour in the historic village of Veere.

DAY 4 | BELGIUM: GHENT

At night, your vessel will dock in Ghent, the ultimate medieval city, which you can explore in the morning. Admire architecture preserved since the late Middle Ages and visit 13th century residence of the Counts of Flanders, the Gravensteen or “Castle of the Counts”. In the afternoon, join the excursion to Bruges, the capital of the province of West Flanders and enchanting its visitors with its cobbled streets, crooked bridges, meandering canals and World Heritage-listed medieval buildings. Bruges is famous for its brews, boutique chocolate-makers and canalside bars. There’s also

the Basilica of the Holy Blood, a double-decker chapel which has a Romanesque church down below and a neo-Gothic church up above.

DAY 5 | ANTWERP

Antwerp, the second-largest city in Belgium, welcomes you today. After breakfast, join the excursion to the politically and culturally significant city of Brussels. View the iconic Atomium, which was created for the 1958 Brussels World’s Fair and, thanks to its popularity, was not torn down as originally planned. Visit the Cinquantenaire Park with its triumphal arch, built to celebrate the 50th anniversary of Belgium’s independence. In the afternoon, explore Antwerp in a comfortable coach. Famous for its diamond trade,

Susan, Indianapolis, Indiana

the city also boasts many cultural highlights such as the Cathedral of Our Lady with paintings by the famous Baroque artist Peter Paul Rubens. In the evening, enjoy dinner, while your vessel returns to the Netherlands.

DAY 6 | NETHERLANDS: ROTTERDAM

Early morning, your ship will arrive in Rotterdam, the second largest city in the Netherlands. After breakfast, you can pay a visit to Kinderdijk, which houses the most unique windmill complex in the world. Built to drain water from the soil, these windmills are now protected by UNESCO and are one of the Netherlands' most popular tourist destinations. After lunch, explore the world-famous Keukenhof gardens fields of flowers. During dinner, the ship departs for the final leg of the cruise back to Amsterdam.

Your daily program

DAY 1 | NETHERLANDS: AMSTERDAM

Historic Amsterdam, the famous capital of the Netherlands, is the starting point of your European cruise. After embarkation, enjoy a Welcome Cocktail and savor fabulous dishes at the Welcome Dinner. At the end of the day a rousing performance by a traditional Shanty Choir completes the experience.

DAY 2 | AMSTERDAM · UTRECHT

In the morning, enjoy a cruise along the famous Amsterdam canals, followed by a trip to the beautiful Waterland region with historic fishing villages and peaceful countryside. Waterland is the 'wet back garden of Amsterdam'. This rural area has a truly ancient Dutch landscape: perfectly flat, with old 'polders', lush green pastures, winding dikes and working windmills. Rejoin your ship in Utrecht.

DAY 3 | GERMANY: COLOGNE

In the morning, discover the highlights of Cologne on the guided city tour. End with a glass of typical Kölsch, a famed Rhineland beer. After lunch, nature enthusiasts may wish to partake in the excursion to the Sieben-gebirge National Park, Germany's first nature reserve, and Drachenfels castle ruins. With the Rhine sprawling below in all its splendor, the views from the top of the castle ruins are

"What a glorious way to see this part of the world. I loved the guided tours and extremely knowledgeable staff. I can't wait to book another cruise."

Sandy, Nashville, Tennessee

stunning. After an exciting day, return to the vessel to continue south along the river.

DAY 4 | RÜDESHEIM

The morning starts on a high note with the passage of the Lorelei in the myth-enshrouded Upper Middle Rhine Valley. At lunchtime, the vessel arrives in Rüdesheim, a picturesque wine-making town in the Rhine Gorge where the river landscape has enchanted visitors for centuries, and is protected by UNESCO since 2002. Discover the region's rich history

"Light Lunch" on the sun deck

on a walking tour and admire the magical collection of instruments at the Music Cabinet Museum. Alternatively, take a tram ride through the vineyards of Rüdesheim, to learn and taste the Asbach Brandy. Back on board, we cast off and cross over to the Main river.

DAY 5 | MILTENBERG · WERTHEIM

After a tranquil morning on board, join the afternoon excursion to Miltenberg and Wertheim. Miltenberg, the "Pearl of the Main River", is a town flanked by the river Main with an incredible, forested hillside, and features Miltenberg castle and one of the oldest inns

in Germany, the Hotel "Zum Riesen". Continue to Wertheim and explore the medieval streets with their half-timbered houses and the unique glass museum that invites visitors on a tour of the 3,000-year history of glass. This evening, join your new friends for another memorable meal as the ship cruises towards our next stop.

DAY 6 | WÜRZBURG

Today, visit Würzburg—a city in Bavaria known for lavish architecture—located in the center of the Franconian wine country. In the morning, experience the sights of the town as well as the Baroque Residence palace.

The tour concludes with wine tasting in the ancient wine cellar of a local vineyard. Spend the afternoon relaxing back on board your floating luxury hotel.

DAY 7 | BAMBERG

Spend the morning cruising the scenic Main river. After lunch, arrive in the imperial city of Bamberg, a UNESCO World Cultural Heritage Site which retains its medieval layout of three settlement areas, along with its historic buildings and Baroque façades. Bamberg is ranked as one of Germany's most attractive towns and known for its smoky beer and stuffed onions. It is also the starting point for crossing the Rhine-Main-Danube Canal, an engineering marvel that connects the North Sea to the Black Sea.

This evening, enjoy a presentation about the canal, and find out how it boosts trade and tourism across Europe. It is your last night aboard, so let our Chefs delight you with their culinary magic at the Captain's Gala Dinner.

The impressive Reichsburg castle in the city of Cochem

Your daily program

DAY 1 | GERMANY: COLOGNE

Your cruising adventure begins in Cologne, where you will embark in the afternoon. Enjoy a Welcome Cocktail, followed by a delicious Welcome Dinner.

DAY 2 | COCHEM

During the morning, your luxury vessel will take you on a scenic cruise down the Rhine's largest tributary, the Moselle River, famous for its picturesque landscape dominated by vineyards since Roman times. After your ship docks at Cochem, you can take the guided walking tour to discover the history seeping through Cochem's narrow alleys, medieval town gates, churches and more. You'll also visit the imperial Reichsburg Castle, which rises majestically above Cochem on a dramatic cliff. Wind down at dinner with your fellow guests as your AMADEUS ship travels onward.

DAY 3 | BERNKASTEL · SAARBURG

In the morning, you will arrive at another medieval wine-growing town called Bernkastel-Kues, which is known for its medieval marketplace and its gabled houses, including the Spitzhäuschen (Pointed House). Take a trip around this charming town in the morning and enjoy the winetasting session, which is included in the guided tour. Alternatively, join us on an active tour to one of the oldest castle ruins in Germany and through the idyllic vineyards. The afternoon is yours to spend relaxing on

board, and late at night, your vessel will arrive in Saarburg.

DAY 4 | SAARBURG · SAARLOUIS

Start your day by exploring the sights of the German town of Saarburg on the banks of the Saar River. Don't miss the impressive 60-foot-drop that the river Leuk, which flows through Saarburg, makes in the town center. You will return to your vessel in time for lunch and then enjoy a panoramic cruise along the 'Saarschleife', or Great Bend in the Saar River, where the Saar has carved a massive loop through quartzite rock between the enchanting towns of Mettlach and Merzig. End this

A toast to the "queen of white wines", the Riesling

eventful day with an elegant dinner on board while your ship continues its journey to Saarlouis.

DAY 5 | SAARLOUIS · LUXEMBOURG: GREVENMACHER

After breakfast, join us to explore Saarlouis. Here, French serenity and pleasure are simply part of life, perhaps because the city was founded by the French Sun King Louis XIV, whose name it bears. Parts of the original fortress remain intact and give insight into the town's history. Famous German chocolate Schogetten and other classics are produced here, so have a taste of some cocoa treats of the Saarland. After lunch on board, your vessel will take another scenic turn on the Great Bend in the Saar River before heading to the famous Luxembourg.

DAY 6 | GREVENMACHER · GERMANY: TRIER

One of the smallest sovereign states in Europe—the Grand Duchy of Luxembourg—awaits you today. In the morning, you can choose between a visit to the town of Grevenmacher or join the excursion to Luxembourg City. Grevenmacher is a small town in eastern Luxembourg in a romantic wine-growing region situated along the Moselle River. Luxembourg City is the capital of Luxembourg and houses the European Court of Justice. At lunchtime, you will rejoin your vessel and return to Germany, where you will dock in Trier. Don't miss the opportunity to explore this lovely city with a history that stretches back to Celtic times. Evidence of Roman times still lingers in the city, giving it the nickname "Rome of the North." Its Porta Nigra (black gate) is the largest Roman city gate north of the Alps.

DAY 7 | KOBLENZ

Enjoy a restful morning on board and admire the intimate charm of the Moselle River. Winding through steep, vine-covered slopes, the Moselle River offers breathtaking scenery at every hairpin turn: lush, vine-covered hillsides, charming half-timbered medieval villages, crumbling hilltop castles, and elegant Jugendstil (art nouveau) villas. During mid-afternoon, you will make a stop in Koblenz, which is situated at the confluence of the Rhine and Moselle rivers. Overlooking the confluence, there is an observation platform in the shape of a ship's bow named Deutsches Eck (meaning "German Corner"). Join the guided walking tour through the town of Koblenz. Back on board, you will be treated to the festive Captain's Gala Dinner.

DAY 8 | COLOGNE

Enjoy a relaxed breakfast before disembarking.

DAY 1 | FRANCE: PARIS

Embark this afternoon in Paris, the romantic City of Light. After unpacking, join your fellow travelers for a Welcome Cocktail, followed by a specially-prepared Welcome Dinner.

DAY 2 | CONFLANS-SAINTE-HONORINE

Arrive early in the morning in Conflans-St.-Honorine, at the confluence of the rivers Oise and Seine. Join a guided tour to the little town of Auvers-sur-Oise, a charming French town with narrow laneways and shuttered homes—the scent of roses guiding your exploration. It's not hard to see why the town was an inspiration to many Impressionist masters, including Cezanne, Pissarro and Daubigny. The most famous of these artists is Vincent van Gogh, whose final resting place is here. Depart late this afternoon.

DAY 3 | ROUEN

This morning, join a walking tour of the capital of the Normandy region and visit the cathedral that inspired Claude Monet, as well as the modern Church of Joan of Arc, known for its magnificent 16th-century stained-glass windows. This afternoon, go back to the 17th century by visiting Le Pressoir d'Or, a typical

farmhouse where you can taste cider and view the orchard cellar and the museum dedicated to the old apple press. Afterward, visit Lyons-la-Forêt, known as one of the most beautiful villages in France, situated 30 kilometers east of Rouen in a forested setting in Normandy.

Later this afternoon, the AMADEUS vessel departs as it continues northward.

DAY 4 | LE HAVRE

The harbor of Le Havre is your convenient base for two optional land explorations. This morning, opt for a tour to the nearby city

of Honfleur, with its picturesque old harbor lined with 16th–18th century townhouses. After lunch, explore the Norman coastline on a walk along Étretat's cliff-top paths for a view of the steep chalk rocks with impressive needle-like formations. On board this evening, local chanson singers provide you with a taste of French culture and music.

DAY 5 | LE HAVRE · CAUDEBEC-EN-CAUX

Today, join us for a full-day journey through Normandy. Experience a blend of rich culinary traditions and historic landmarks, including Arranches, the closest harbor linked to the liberation of Western Europe after D-Day, with its remnants of World War II Mulberries. Or choose an excursion

Embark on a captivating sightseeing tour through the picturesque harbor town of Honfleur

to Fécamp, a seaside resort and home to Le Palais Bénédicte, which produces the famous liqueur invented by Benedictine monks in the 16th century. The vessel departs after dinner this evening.

DAY 6 | LES ANDELYS · VERNON · MANTES-LA-JOLIE

Today, there are several choices for the day's adventures. Relax in little town of Les Andelys or venture farther afield to the remains of the English king's stronghold: Château Gaillard. Continue to Giverny to visit the home of impressionist Claude Monet and the beautiful gardens which were inspiration for several works of art. Indulge in a delightful lunch on board before embarking on an excursion to Château de Malmaison, the former residence of Joséphine and Napoleon Bonaparte, to immerse yourself in the privacy of the Imperial couple. After you rejoin the ship in Mantes-la-Jolie later this afternoon, your ship continues to Paris.

DAY 7 | PARIS

In the early morning, it is once again "bien-venue" to the French capital. Explore the sights of the Eiffel Tower and the bustling Champs-Élysées—one of the world's most famous commercial streets—during a morning city tour. Later in the day, join us as we delve into the allure of Montmartre, an eternal muse for creativity and expression, located on the highest hill in northern Paris. From its cobbled streets and quaint cafes to its iconic Sacré-Coeur, Montmartre offers a unique experience that transports visitors back to the "La Belle Époque" era. Late this afternoon, enjoy a festive Captain's Gala Dinner and admire the city lights of the French capital.

DAY 8 | PARIS

After breakfast, your AMADEUS crew bids you "adieu" and wishes you a safe journey home. We hope to welcome you on board again soon!

DAY 1 | FRANCE: LYON

Embark this afternoon and make yourself comfortable in your cabin, which will be your luxurious home for the coming week. In the evening, join fellow travelers for a Welcome Cocktail and a delectable Welcome Dinner.

DAY 2 | MÂCON

In the morning, your ship arrives in Mâcon, located in southern Burgundy. With a history stretching back more than 2,000 years, Mâcon is an architectural treasure trove and a gateway to the vineyards of the Côte Mâconnais. This historic wine region produces some of the finest and most expensive wines in the world. Enjoy a guided tour and admire the peaceful vineyards of the Beaujolais and Mâconnais wine regions. A highlight is the visit to the "Hameau Duboeuf" wine museum, featuring the history and production of Burgundy wines, and a wine tasting. After lunch on board, join the afternoon excursion to Cluny Abbey, founded in 910 and once home to over 10,000 monks at its height. Alternatively, visit Château de Pierreclos with its romantic wine cellars and vineyard. In the evening, enjoy dinner on board.

DAY 3 | CHALON-SUR-SAÔNE · TOURNUS

Continue exploring the Burgundy wine region in Chalon-sur-Saône, where half-timbered houses overlook a square teeming with art galleries and specialty shops. Enjoy a scenic drive through the Burgundy wine route on the morning tour. Your bus will stop in Beaune where you will see the beautiful Hôtel-Dieu and enjoy a wine tasting at one of Beaune's famous cellars. After lunch on board, unwind

and admire the scenery as the vessel continues along the Saône or, alternatively, join the afternoon excursion, which departs from Chalon-sur-Saône overland for the medieval towns of Brancion and Cormatin. Constructed in the 17th century to impress its visitors, the Château de Cormatin features magnificent French gardens. Rejoin your vessel in time for dinner on board.

In the evening, dinner is followed by entertainment by a local music band onboard. We depart for Arles this evening.

Old Arles is a delight to wander and explore. It's no wonder it once captured the imagination of the brilliant Impressionist painter, Vincent van Gogh. Learn more about its rich history during the morning tour. Inside the Roman amphitheater, get a good impression of what it was like to be a spectator at gladiator fights in the late first century. This afternoon, recharge in the tranquility of unspoilt scenery by joining the excursion to the natural beauty of the Camargue's salt marshes, home to the renowned Camargue bulls and wild white horses. This nature preserve is also one of the few European habitats which supports the greater flamingo. After a full day in Arles, your vessel will continue cruising the Rhône River.

DAY 7 | CHÂTEAUNEUF-DU-RHÔNE - LE POUZIN

You can choose to spend the day on board or join a morning guided tour of the Ardèche Gorge, another natural wonder of this area. Rejoin the vessel in Le Pouzin in time for lunch. This afternoon, relax on board as your ship makes its way back up the waterways of the Provence. This evening, celebrate your cruise experience at the Captain's Gala Dinner.

The Golf Clubs

LE KEMPFERHOF GOLF CLUB

Some 20 minutes from Strasbourg, in the beautiful Alsace, Le Kempferhof Golf stretches across 85 hectares of tranquil, natural woodland. The 18-hole course was designed by the American architect Robert von Hagge and opened in 1990. Hundred-year-old oaks, poplars and beech trees line the beautiful and challenging course, which features 13 water hazards, undulating fairways, large bunkers and immaculate greens. The Château-Hôtel was inspired by Gaudi and built in 1865 by Jean de Dartein.

ST. LEON-ROT GOLF CLUB

Masterminded by the founder Dietmar Hopp, St. Leon-Rot opened in 1997 and became famous in 2002 when the world's number one player Tiger Woods won his third Deutsche Bank SAP Open here. One of the "Leading Golf Courses in Germany", the complex boasts two 18-hole championship courses and a 9-hole executive course. Architect Dave Thomas designed St. Leon as a links-style course, reminiscent of Scottish or Irish golf

courses. The Rot course retains much of the original river wetland, ensuring that the course offers not only charming scenery but also presents special challenges. The island green of the Rot course and the island fairway of the St. Leon course are the signature holes of the club.

JAKOBSBERG GOLF CLUB

Set high above the Lorelei valley in the Upper Middle Rhine Valley, deservedly a UNESCO World Heritage Region, the Jakobsberg Golf Resort boasts a truly majestic setting. The 18-hole golf course is nestled between forests and vineyards and was built by Wolfgang Jarsombek, who based his design on a model by architect Robert Trent Jones Jr. The course serves as a 3rd level tour venue. The strongly modeled fairways each feature four different teeing grounds, as well as large bunkers, water hazards and undulating greens. The course is challenging yet fair, and you might find that your greatest golfing challenge at Jakobsberg Golf Resort is not getting distracted by the stunning views of the Lorelei Valley and Marksburg Castle.

GOLF & COUNTRY CLUB VELDERHOF

The Velderhof Golf Club extends over an idyllic and tranquil lowland surrounded by extensive forests. The championship course provides suitable challenges for players of all handicap levels. The 27 holes stretch over three courses, with 9-hole and 18-hole options. The golf course follows the ancient lines originally carved into the landscape by the Rhine River. It features fast greens, wide fairways, well-placed fairway bunkers and water hazards, all surrounded by picturesque streams and biotopes. The driving range features brand-new grass tees which extend over 2,500m² in front of the range.

The Golf Clubs

PANNÓNIA GOLF & COUNTRY CLUB

The Pannónia Golf and Country Club, near Budapest, features an 18-hole championship course designed by Hans G. Erhardt in 1996. It hosts prestigious events like the BMW Golf Cup International and European Golf Association (EGA) tournaments. The clubhouse, designed by Mihály Pollack, complements the scenic vineyards. With idyllic lakes, suspenseful doglegs, and challenging pin placements, the course meets European standards, offering players a rewarding experience.

PENATI GOLF RESORT

The club offers two 18-hole courses—the challenging Legend course, which opened in 2012 and stretches over 95 hectares, and the Heritage course, which opened in 2013. The signature holes of the Legend Course include the 716-meter 15th hole—the longest hole in Europe—as well as the final hole, which is the narrowest on the course and plays onto a challenging island green. Both will undoubtedly provide an exciting finish to your game. The second 18-hole course, the Heritage course, was designed by Jonathan Davison and the world-renowned Mick McShane and returns to the roots of island-design courses.

FONTANA GOLF CLUB

Situated about 30 kilometers south of Vienna, the 18-hole golf course is set in a lush natural setting and challenges players with its numerous bunkers and water hazards. The design of the golf course provides players with a top-class, international golfing experience. The course opened for play in 1996 and, from 2006 to 2009, hosted the European Tour in Austria and has since been considered one of the best golfing locations in Austria and Europe.

LENGENFELD GOLF CLUB*

Lengenfeld features a 36-hole golf course which offers an unforgettable golfing experience amongst the terraced vineyard of a UNESCO World Cultural Landscape. It is divided into the Kamptal course and the Donauland course. While the hilly terrain and many water hazards of the Kamptal course allow long tees, the Donauland course presents a more athletic challenge with its slanted areas and narrow first nine fairways.

**QUELLNESS GOLF RESORT/
BECKENBAUER GOLF COURSE**

Picturesquely situated in the peaceful Bavarian countryside, the Quellness Golf Resort features the distinguished, 18-hectare Beckenbauer Golf Course, a championship course designed by renowned golfer Bernhard Lange. The course has been praised by some of the world's foremost players for its technical challenges as well as its impeccable condition.

REGENSBURG GOLF CLUB*

At the foothills of the majestic Bavarian Forest, Regensburg Golf Club features a clubhouse dating back to 1885, trees up to 300 years old, and spectacular views of the Danube Valley. The rolling terrain and water hazards provide both a challenge for players and a stunning display of natural beauty.

The Golf Clubs

LE GOLF NATIONAL/AIGLE COURSE

Situated near the renowned Palace of Versailles, this is a club no golf enthusiast should miss. Architects Hubert Chesneau and Robert von Hagge transformed the initially flat landscape into one of France's most popular and iconic golfing destinations, home to the Open de France and the Ryder Cup in 2018. Its 18-hole Aigle course has a traditional links style feel to it and features undulating fairways, meticulously manicured greens and flowing roughs. The contoured fairways can be deceptive and are sure to offer challenges for golfers of all handicap levels.

CHAMP DE BATAILLE GOLF CLUB*

This woodland championship course was designed in 1990 by American architect Robin Nelson and French landscape gardener Thierry Huau who made sure that it follows the natural valleys and water hazards of the estate. It features centuries-old trees, lakes and clusters of rhododendrons. Ranked among the top 25 finest golf courses in France, it stretches across 370 acres of

historic forest and parkland. The narrow woodland course and the natural water hazards require skill and concentration, offering golfers plenty of technical challenges. Optional golf club trip can be booked up to one month before departure.

GOLF D'ÉTRETAT

This club is over 100 years old and was founded in 1908 by Englishmen. The original 13-hole course was designed by Julien Chantepie and Arnaud Massy (the only Frenchman to have won the Open). Didier Fruchet revised the layout in the 1990s and today the resort extends over 6,000 meters.

The 18-hole course will test every facet of players' games, particularly with the exciting sequence of holes at the back nine, between the 10th and the 14th, where the fairways run along the cliff edge.

BARRIÈRE DE DEAUVILLE GOLF CLUB

This club opened in 1929 and offers stunning views of the sea and the surrounding Normandy countryside while presenting technical challenges that will test even experienced players—particularly on Cotton's Bleu course with par 36, which is characterized by its green speed and many bunkers. Its three 9-hole courses, with a mix of tree-lined and open parkland holes stretching across rolling terrain, were designed by architects Tom Simpson and Henry Cotton.

LE GOLF NATIONAL/ALBATROS COURSE

The championship Albatros course is considered one of the best in Europe and was host venue for the Ryder Cup 2018. Players can expect a course with plenty of risk/reward situations, featuring undulating fairways and links-style bunkers. They can also look forward to the challenging water hazards that surround the final four holes. The Albatros course masterfully combines a traditional links feel with the modern features of target golf.

Embark on a cruise along the winding Rhône and Saône rivers, offering prime opportunities to enjoy golf in southern France. Handpicked golf courses provide a superb experience, blending stunning natural landscapes with technical challenges. While you enjoy an exhilarating round of golf, non-golfing partners and companions can explore a variety of land excursions.

The Golf Clubs

GOLF DE LA BRESSE

This 18-hole course stretches across more than 90 hectares of nature and was designed by the renowned French architect Jeremy Pern. The relatively flat course makes excellent use of the natural terrain, featuring alternating open and wooded areas, as well as various water hazards, particularly at the 11th and 12th holes. Trees add to the challenges on the back nine, especially on the par-5 18th hole with its picturesque avenue of large oaks. Golfers visiting Golf de la Bresse will be captivated by its tranquil rural charm, while also encountering numerous surprises and challenges despite the course's seemingly straightforward nature.

GOLF DE BEAUNE LEVERNOIS

A course full of character, sufficiently long in the middle of the beautiful wine region of Burgundy. The course features thousands of trees, nine lakes, and numerous white-sand bunkers. Players should not miss this quality course with its exquisite natural beauty, technical challenges and beautiful views of the surrounding Burgundy landscape.

BASTIDE DE LA SALETTE GOLF CLUB

The Bastide de la Salette Golf Club features an undulating 18-hole course situated in a Provençal landscape with beautiful views of the Marseille basin. Before 1989, when the course officially opened, large sections of the grounds were private property.

Michel Gayon expertly designed the 18-hole golf course, the pitch-and-putt course, and the driving range in this ever-changing landscape, blending them seamlessly into the natural surroundings.

The hundreds of magnificent trees scattered throughout the park, including 200-year-old cedars, are sure to delight both golfers and nature lovers alike.

GOLF DE SERVANES

Golf architects Thierry Sprecher and Gery Watine took full advantage of the natural features of the region to create a scenic golf course snaking around the rocky hills of the Alpilles mountains with a mix of parkland and woodland areas.

The 18-hole course features hilly fairways, olive groves, lakes, and two huge island greens. This golfing jewel of the Provence will delight and challenge players of all handicap levels with its scenery and the song of the cicadas in the background!

GOLF DE LA VALDAINE*

This 18-hole course was designed by the English golf course architect Tom McAuley and opened in 1989. A stream and other water hazards have been integrated into the course along with relatively small greens requiring dexterity and precise shots from golfers. Players can sharpen their skills on the driving range (22 tees, 12 of which are covered), as well as on the putting greens and practice bunkers.

LINZ WALKING TOUR WITH LINZER TORTE TASTING

Connecting several trade routes, the upper Austrian state capital was a provincial and local government city of the Holy Roman Empire and an important trade center. As the city where the Habsburg Emperor Friedrich III spent his last years, it was, for a short period, the most important city in the Empire. After the death of the emperor in 1493, Linz lost its status to Vienna and Prague. Take a stroll down the main street leading to the main square. In addition to the medieval town square in the historic old town and the Mozarthaus, see baroque bourgeois family houses, the old cathedral with the Bruckner organ, or the new cathedral. Visits depend on the Cathedral and Mass openings/times. Visible from afar is the pilgrimage basilica on the mountain Poestling, the town's landmark. Modern counterparts are the Lentos art museum and the Ars Electronica Center, with its striking glass facade. Time permitting, conclude the tour with a slice of Linzer Torte—the sweet ambassador of Linz and the oldest known cake recipe.

Duration: approx. 2 hrs

The Pöstlingberg is one of the most popular excursion destinations in Linz and has been delighting visitors since 1898 with the Pöstlingbergbahn, one of the steepest adhesion railways in Europe. Reaching the summit by hiking can be a challenge in parts, as it is at 539 meters. The path initially leads along the Danube through quiet residential areas and past the modern building of the Anton Bruckner Private University and the Linz Zoo. Once at the top, there is a beautiful view from the panoramic plateau over the city and the foothills of the Alps that you should not miss. At the mountain's highest point, the pilgrimage basilica, "Seven Sorrows of Mary", is visible from afar. Down the steep Way of the Cross (which starts below the viewing platform), you reach the Episcopal High School Collegium Petrinum, and from there, you can return to Linz city center within a short time.

It was adopted by UNESCO in 1997 and is included in its World Cultural Heritage Sites list. VISIT TO CLUNY ABBEY

The Abbey of Cluny in Burgundy was the center of a monastic movement in the Middle Ages. Its church was the most significant Christian building in the world until St. Peter's Basilica was rebuilt in Rome in the 16th century. Although most of the great Abbey of Cluny is in ruins, you can still see remnants showing the size and glory the abbey possessed at its zenith, and imagine it as it once was. Today, one transept of the 12th-century abbey church remains, along with the 15th-century abbots' residences and 18th-century convent buildings. The site also includes magical gardens and a museum with Romanesque artifacts. The ancient Benedictine abbey, with its unusual dimensions, was completed under the abbacy of Pierre the Venerable and consecrated in 1130. The principal architect was Hézelon de Liège. The idea for its construction is said to have originated from a monk's dream.

The four buildings open to the public are situated around the Court of Honor and represent the Hôtel-Dieu of former times.

The great Salle des Pauvres ("hall of the poor") is decorated with multi-colored beams unique to the world. Serenity reigns here, leaving no one untouched. The rooms overflow with treasures: statues, furniture, pottery, paintings, tapestries, and more. The kitchen has been restored to look exactly as it did in the 19th century. The polyptych of "The Last Judgement," a masterpiece by the Flemish painter Rogier Van Der Weyden, is mainly well presented.

General Terms and Conditions of Travel 2025

PREAMBLE:

The following Terms and Conditions govern the relationship between you, the passenger ("You"), and us, AMADEUS River Cruises, LLC (referred to herein as "AMADEUS"). By booking a cruise with us, You agree to be bound by these Terms and Conditions ("Terms and Conditions") as we may amend them from time to time. Notwithstanding the foregoing, the transportation of passengers and baggage on a vessel of the AMADEUS fleet, all of which are not owned by AMADEUS River Cruises, LLC, is also governed by the Terms and Conditions of the Passenger Ticket Contract (available on request or on our website at: www.AMADEUS-rivercruises.com).

PAYMENT POLICY:

A deposit of 10 % per person is required to secure a confirmed reservation. When more than one cruise is booked, deposit and payment policies apply per cruise. The balance is due for payment no later than 120 days before the Departure Date. No further request for payment will be made. All reservations are subject to cancellation if payments are not received by the due date. Only upon full payment of the amount specified in the invoice, AMADEUS agrees to provide the services as specified in the invoice subject to these Terms and Conditions and the Terms and Conditions of the Passenger Ticket Contract. Your payment, starting your cruise, and/or acceptance or receipt of a ticket constitutes agreement to these Terms and Conditions and the Terms and Conditions of the Passenger Ticket Contract. We accept payments by check, wire transfer, ACH or major credit card.

FUEL SURCHARGE:

Within the cruise price, fuel costs have been calculated as € 44,50 / 100 liters for the entire vessel. Should fuel prices rise more than 5% (€ 44,50 / 100 liters plus 5% = € 46,73) Amadeus shall be entitled to impose a pro-rated fuel surcharge for each passenger, equivalent to the amount by which the fuel price exceeds the calculated price listed above. A possible surcharge will be invoiced two weeks before a cruise on basis of the actual fuel price. The surcharge is due for payment before the beginning of a cruise.

CANCELLATION POLICY:

In cases of cancellation by You, AMADEUS has the right to collect and retain, and You agree to pay the following cancellation charges, calculated either as a flat-rate amount or as a percent. Day of the travel price and dependent on the number of days left until the planned departure date:

DAYS BEFORE DEPARTURE:

121 days and more 10%
120 – 90 days 50%
89 – 60 days 80%
Less than 60 days 100%

Cancellations must be made in writing via email to info@AMADEUS-rivercruises.com. Cancellation invoices are due for payment upon receipt. All days shall be calculated pursuant to the time zone of the location where the vessel departs.

"Departure Date" is the day of the departure of the vessel as set out in the published program, annual brochure and on our website at: www.AMADEUS-rivercruises.com.

CANCELLATION, TERMINATION AND RIGHT TO REMOVE PASSENGERS BY AMADEUS RIVER CRUISES, LLC:

AMADEUS reserves the right to cancel a cruise at any time, or to have a passenger removed from a vessel in the following instances:

- a) Without notice, if the passenger disrupts the execution of the travel or if his/her behavior is dangerous, harassing, abusive, threatening or otherwise disruptive to others or to himself or herself, or is not in accordance with these Terms and Conditions or the Terms and Conditions of the Passenger Ticket Contract, applicable rules or regulations, or the instructions of staff or crew members. In the event of such removal, AMADEUS is entitled to recover the full cruise fare and, such passenger may be left at any port or place the vessel calls

without any liability of AMADEUS or its representatives. AMADEUS shall not be required to refund any portion of the cruise fare paid by any passenger who is removed under the terms of this paragraph, nor shall AMADEUS be responsible for expenses for lodging, medical care, meals, transportation, or any other expenses incurred by the passenger. AMADEUS shall be entitled to recover from the passenger any costs or expenses incurred by AMADEUS, its representatives, or the crew members in the removal of the passenger or the exercise or enforcement of this clause.

- b) If, by two weeks prior to the Departure Date, the advertised minimum number of passengers has not been reached, which is 80 passengers per cruise and, in the case of shore excursions, 25 persons, or whatever other minimum number of passengers has been indicated for the cruise or service concerned, or there is otherwise insufficient reservations or demand for the cruise, excursion or service. In all such cases AMADEUS shall promptly inform the passenger of the cancellation and forward to him/her its withdrawal statement. All payments received by AMADEUS from a passenger for such cancelled cruise will be reimbursed promptly to such passenger. AMADEUS will not reimburse the passengers for any expenditure made in expectation of the cruise taking place.
- c) If, by four weeks prior to the Departure Date, there has been a material unforeseen increase in the costs of the Departure Date through no fault of AMADEUS. All payments received by AMADEUS from a passenger for such cancelled cruise will be reimbursed promptly to such passenger.

REDRESS AND DUTIES TO CO-OPERATE:

If travel services are not provided as contracted or are disrupted as a result of the fault of AMADEUS then the passenger may demand redress in accordance with these Terms and Conditions and the Terms and Conditions of the Passenger Ticket Contract. Nevertheless, the passenger has a duty to co-operate in that he/she must do whatever he/she can reasonably do to contribute to remedying the disruption and to keep any losses that may arise as low as possible or avoid them completely. He/she has a particular duty to advise AMADEUS and the tour operator's representative immediately of any possible complaints.

ACTS OF GOD, STRIKES, OR OTHER CONDITIONS BEYOND CONTROL:

- a) **Before the cruise starts:** If execution of the cruise is materially made more difficult, jeopardized, prevented or impaired as a result of extraordinary circumstances that were unforeseeable at the time of entering into the contract and for which AMADEUS is not responsible, then the tour operator or AMADEUS may cancel, delay or alter the cruise prior to the start of the cruise, and AMADEUS shall not be liable for such cancellation, delay, alteration, or other inability to perform. Such circumstances include war, strikes, civil unrest, epidemics, and government directives (such as requisition of accommodation or of means of transportation), embargoes; natural disasters, and accidents; and damage to the vessel (especially to the hull and engines, etc.) or other occurrences that are equivalent to the examples mentioned above in their effect (force majeure). All payments received by AMADEUS from a passenger for such cancelled cruise shall be applied as credit for a future cruise.
- b) **After the cruise has begun:** If the circumstances specified above come about after the cruise has begun then the tour operator or AMADEUS may cancel, delay, or alter the remainder of the cruise, and AMADEUS shall not be liable for such cancellation, delay, alteration, or other inability to perform. In that case, AMADEUS shall, as a consequence of the cancellation, take the necessary measures and see to the return transportation of the passenger insofar as that is agreed in these Terms and Conditions and the Terms and Conditions of the Passenger Ticket Contract and is not precluded by the force majeure circumstances. If the contract is terminated AMADEUS has the right to a claim only for reimbursement of the costs of the services that have been provided. The passenger must bear the additional costs of the return transportation and/or other necessary measures.
- c) **Changes in the water level:** Unusually low or high river water levels may cause changes to the itinerary, possible re-embarkation on another vessel or transfer(s) by coach or rail, or even to a shortening

of the cruise. AMADEUS, the tour operator and the vessel's captain sometimes have to take such decisions quickly. Such measures may not justify cancellation, termination or withdrawal from the contract by the passenger; and passengers may not derive from them any claims on the tour operator or AMADEUS, including, without limitation claims for monetary damages.

TRAVEL DOCUMENTATION/ETIAS/VISAS: All passengers must have passports valid for six months following disembarkation and necessary visas when boarding. Passengers are advised to check with their travel agent or their consulate service to determine which documents they must obtain. If incorrect documents are obtained, passengers will be unable to participate in particular shore excursions and may be denied boarding and/or entry into certain countries. AMADEUS accepts no responsibility for obtaining required visas, ETIAS, nor for advising guests of visa or other immigration requirements. (ETIAS - European Travel Information Authorization System is an online document authorization which is anticipated as a requirement for US citizens travelling into the Schengen Zone of countries in Europe beginning in 2025).

INSURANCE: Travel Insurance is not included in the listed fares. For your own peace of mind, we recommend You take out travel insurance, covering in particular possible costs of cancellation, as well as damage to and/or loss of baggage, costs of possible medical treatment, repatriation services, etc. Please take advice from your travel agent.

REVISIONS/CHANGES: After receipt of deposit for a cruise by AMADEUS, all changes to the cruise are subject to a \$36 charge per change. See section above under Cancellation Policy for additional details on situations which are classified as cancellations rather than changes.

CHILDREN/MINORS: Due to the nature of our cruise itineraries, AMADEUS vessels do not maintain facilities or services for children. On all cruises minors 16 and under must be accompanied and share a cabin with a parent, legal guardian or other responsible adult over the age of 21. We regret that we cannot accommodate children under 8 years of age, and we reserve the right to limit the number of minors 16 or under on board.

DISABLED PASSENGERS: We welcome guests with special needs. Guests who have any medical, physical or other special needs must contact their travel agent or AMADEUS directly to obtain specific information. All vessels and coaches are equipped to European standards. Vessel operators will, under appropriate circumstances, permit passengers to use motorized scooters and wheelchairs that satisfy criteria confirmed by AMADEUS. In all cases passengers must understand and accept that the vessels do not have lifts permitting easy access from deck to deck, and that some decks are multilevel and/or have significant thresholds. Accordingly physically disabled passengers may need the services of a responsible adult, and should be aware that crew availability to assist them is often severely limited.

OPERATOR: The AMADEUS ships described in our brochure and other publications are operated by Danubia Cruise GmbH / Innsbruck-Austria.

AMADEUS: AMADEUS acts solely as a Sales Agent/Preferred Supplier for the above-mentioned operators of the vessels described in this brochure. AMADEUS neither owns nor operates any of the vessels described herein and thus assumes no responsibility or liability for acts or omissions of the vessel owners or operators or their respective employees, agents or contractors in regard to the cruises described herein.

RESPONSIBILITY: AMADEUS accepts no liability or responsibility, whether caused by railroad, boat, aircraft, motor coach or any other conveyance, for any injury, damages, loss, accident, delay or irregularity which may be caused either by reason or defect, through the acts, omissions or defaults of any company or person, or in carrying out the arrangements of the cruise, as a result of any cause beyond the control of AMADEUS River Cruises. Guests specifically release AMADEUS River Cruises from all claims for loss or damage to baggage or property or from personal injuries or death, or from loss or delay, arising out of the acts, omissions

or negligence of any independent contractors, such as air carriers, vessel owners or operators, hotels, shore excursion operators, restaurateurs, transportation providers, medical personnel or other providers of services or facilities. All arrangements made for tour participants with independent contractors, including medical services, are made solely for convenience to participants and are done at the participant's own risk. Medical personnel are independent contractors. AMADEUS specifically disclaims all liability for damages for emotional distress, mental suffering or psychological injury of any kind. Tickets, vouchers, and any other travel documents are subject to all terms and conditions of the respective suppliers (some of which may limit supplier's liability). Under no circumstances shall AMADEUS be construed as a carrier under a contract for safe carriage of the passenger or his or her belongings. AMADEUS and the owners and operators of the vessels identified in this brochure shall be entitled to any and all liability limitations, immunities and rights applicable to them or any of them under the Strasbourg Convention on the Limitation of Liability of Owners of Inland Navigation Vessels (CLNI), with protocols and amendments, together with the further provisions of the International Convention of Limitation of Liability for Maritime Claims, 1976, with revisions and amendments (hereinafter collectively referred to as the "Convention"), if and as applicable, as well as any other applicable laws limiting liability. AMADEUS and the owners and operators of the vessels shall be entitled to claim the benefit of whichever law, regulation, treaty or doctrine provides the greatest legal protections to AMADEUS and the owners and operators of the vessels.

REFUSAL OF PASSAGE: AMADEUS shall not be required to refund any amount paid by any passenger who must leave the cruise prematurely for any reason, nor shall AMADEUS or the owners or operators of the vessels be responsible for the lodging, meals, return transportation or other expenses incurred by such passenger.

Any dispute between You and AMADEUS, directly or indirectly relating to the Terms and Conditions or your cruise, shall be first submitted to mediation in Chicago, Illinois, before a mediator mutually agreed to by the parties. The parties shall share equally the cost of the mediator. If mediation is not successful, the dispute shall be exclusively resolved by arbitration which shall be commenced by filing a Notice of Arbitration under the then current Commercial Rules of the CPR International Institute for Conflict Prevention and Resolution Rules for Non-Administered Arbitrations ("CPR Rules"). The entire dispute and all related disputes that the Parties may have or possess shall be arbitrated in accordance with the CPR Rules then in effect, by a sole arbitrator. The arbitration shall be governed by the United States Arbitration Act, 9 U.S.C. Paragraphs 1-16, and judgment upon the award rendered by the arbitrator may be entered by any court having competent jurisdiction. The place of arbitration shall be Chicago, Illinois. The prevailing party shall be entitled to an award of costs and reasonable attorney's and arbitration fees. Any action to enforce the arbitrator's decision shall be brought in the state or federal courts in the State of Illinois. Our relationship and these Terms and Conditions are governed by the laws of the State of Illinois, U.S.A. Arbitration against AMADEUS must be commenced within one year following the date of cruise completion. Neither AMADEUS nor any affiliate shall in any case be liable for other than compensatory damages, and You hereby waive any right to punitive damages.

DOCKING: Local river authorities allocate docking space around ship arrivals/departures in port. Occasionally port conditions require ships to tie up alongside each other, in which case guests may be required to walk through another ship to access their own ship. This is part of the river cruise experience and is perfectly normal and beyond our control. Guests may experience obstructed views from staterooms when the ship is docked.

ENTERTAINMENT PROGRAM: The schedule for the onboard entertainment may be found in the Daily Program.
