The Riviera difference

We know just how precious your time away is and we feel privileged that you might be thinking about entrusting your holiday plans to us. When you book and travel with Riviera, here's just a few reasons why you can be fully confident you've made the right choice.

Unrivalled holidays, created by our Masters of Travel

At Riviera, we are proud to call ourselves 'Masters of Travel', creators of the finest holidays. A bold claim, but our specialists go the extra mile when creating our cruises and tours, so you can be assured that every detail has been crafted with your experience in mind. Our itineraries perfectly balance seeing the sights you've heard so much about with places you might not yet know, to take you off the tourist trail and under the skin of a destination. And we're so confident in the quality of our itineraries that we offer a 'Happiness Guarantee': if you're not completely happy by the second day of your holiday, we'll bring you straight home and give you a full refund.

We'll look after you as if you were family

When you book a Riviera Travel holiday, you are not just booking a holiday, you are joining our family and we'll take care of you as one of our own. That's why we've been awarded the esteemed 'Recommended Provider' accreditation with Which? for 11 years and 96% of our customers would book with us again. We know choosing a holiday is an important decision, so we have a knowledgeable and friendly team who are committed to making every step easy and enjoyable – from the very start to the very end of your journey with us.

Our customer service team are based here in the UK and are ready to help with any questions you have along the way. Our Cruise Directors and Concierges are experienced and professional, and will go above and beyond to ensure every aspect of your holiday runs smoothly – so all you need to worry about is your packing.

Luxury travel, without the price tag

Quality is at the heart of every Riviera Travel holiday. Look closely at our itineraries to see the small but important details that stand our holidays head and shoulders above the rest: five-star ships, regional airports to suit you, and of course, so much included in the price you pay. We believe that luxury travel should not cost the earth and we offer the best value for money - we're so confident you won't find the same quality of experience for less elsewhere that if you do, we'll refund you the difference.

It's our 40 years of experience as the UK's leading escorted tour operator that means we can offer such remarkable value; our scale and the strong relationships we've built with our suppliers enables us to negotiate exceptional rates – and we pass those savings straight back to you. Our prices are fair and straightforward, with no hidden extras.

You make the choices, we do the hard work

At Riviera, we know that there's no 'one size fits all' when it comes to the perfect travel experience; and that's why we have built choice into every aspect of our holidays, putting you in control. With an extensive collection of holidays, select the destination, dates, and holiday type to suit you; then customise your experience to your exact requirements; upgrade your travel, extend your trip or add special excursions. The choice is yours - and we'll do the hard work behind the scenes to bring your perfect trip to life. But freedom and flexibility doesn't mean a lack of support. You'll be looked after by our award-winning team every step of the way, and if anything goes awry, we'll take care of it - so you can enjoy every single moment.

Holiday happiness. Guaranteed.

Everyone likes to feel well taken care of – especially on holiday. Here's just a few of the reasons you can feel completely confident that we're the right choice for your next adventure.

Lucerne, Switzerland

Don't just take our word for it

Every stage was well organised (even the final documentation arrived a fortnight before). The ship was perfect, very well laid out and superbly run. The standard of cuisine could not be faulted, the cabins (Ruby deck) were well fitted out and very comfortable and the Riviera Managers were very professional, thorough and approachable. We felt so relaxed (and pampered!) after a very stressful 12 months - exactly what we had hoped for! Marilyn - Rhine Cruise to Switzerland river cruise - June 2023

The booking exceeded our expectations. Wonderful scenery on the Douro, the right mix of excursions and relaxation. The tour guides and bus drivers were great. John - The Douro, Porto & Salamanca river cruise - May 2023 Feefo The visits were well organised. Good English speaking guides gave us informative tours, and we were in manageable sized groups. Coaches where needed were comfortable and punctual. Celia - Medieval Germany river cruise - June 2023 Feefo

The entire tour was fantastically organised from beginning to end. We were always given precise schedules and were always supervised on tours. In free time we were given hints and tips on things to do and what to be careful of. Thoroughly enjoyed every minute. John - New Year on the Blue Danube river cruise - February 2023 Feefo

Every member of the crew plays their part in delivering a superb on-board experience and it's a real privilege to work alongside such a great team of people.

As you wake to a sumptuous breakfast, the delights of this river cruise begin to emerge as we drift past the first rolling hills of the Rhine Valley. Pretty waterfront towns and carefully tended vineyards come into view as we glide gently into our mooring to visit delightful Koblenz for a guided tour.

Founded by the Romans, this historic city is beautifully located at the confluence of the Rhine and its sister river the Moselle. Discover Koblenz's maze of medieval buildings in the Altstadt - old town - which is studded with a fine array of traditional shops and classic Rhineland cafés. As you wander, historic buildings appear seemingly at every turn; see a former mint, the Four Towers - 17th-century houses with striking turrets set at a crossroads - and many fascinating squares and churches, including the 9th-century Basilica of Saint Kastor.

Wherever you wander you're never far from a riverbank, and it's worth crossing the 14th-century stone Balduin Bridge across the Moselle for fine views back across the spires of the Altstadt. Tonight, enjoy a meticulously prepared dinner on board, and afterwards perhaps a quiet stroll along the riverside promenade to the Deutsches Eck - 'German Corner' where the great rivers Rhine and Moselle meet. This evening delight in the upbeat sounds of Rhenish folk music with a live performance on traditional instruments. (B,L,D)

+ Included Experience - Guided tour of Koblenz & live folk music performance

DAY 3 - Rhine Gorge & Rüdesheim

Slipping our mooring at Koblenz we proceed upstream on the Rhine and soon encounter the impressive Marksburg Castle, a fortress dating back to the 13th-century. We then weave through the huge looping bend - one of the most impressive on the river - at Boppard, a wonderfully picturesque town known as the 'Pearl of the Rhine'. Journeying further, you explore the most famous of all the river's reaches and a real highlight of the cruise, the dramatic Rhine Gorge: steep vineyards give way to almost vertical rocky outcrops towering more than 600 feet above the sweeping valley sides. Sailing past Saint Goar and the many ruined castles, there's a real sense of the myths surrounding this historic river coming alive around you.

After lunch we moor in Rüdesheim, a classic Rhine wine village with crooked houses sloping down from wooded hillsides and terraced vineyards. During this afternoon's delightful walking tour, witness the bustling marketplace, the half-timbered Klunkhardshof and Bromserburg Castle, which dates from 1275. After dinner this evening, another sumptuous affair prepared by your chef, maybe sample a small Asbach – the famous brandy distilled in Rüdesheim – while watching the last of the ferries crossing the river in the moonlight glow. (B,L,D)

+ Included Experiences - Cruise through Rhine Gorge & guided tour of Rüdesheim

DAY 4 - Speyer

Still sailing upstream, the landscape becomes much wider and flatter, with gently rolling hills and vineyards that are home to the Liebfraumilch wines. Occasionally the excited chatter of birdlife breaks out as we pass oxbow lakes, long deserted by the river flow, which are now havens for over a hundred bird species.

Today we berth in historic Spever. founded by the Celts and one of Germany's oldest cities, celebrated for its illustrious past, for an afternoon walking tour. The breathtaking Imperial Cathedral, a UNESCO World Heritage Site, is among the largest Romanesque churches in the world; it's also one of the finest. Its beautiful four-roomed crypt is the resting place of many Holy Roman emperors and German kings. Another landmark is the magnificent neo-Gothic Gedächtniskirche, built at the turn of the 20th-century to commemorate the 1529 'Protestation at Speyer', a significant event when a group of Martin Luther's followers protested against his imperial ban - henceforth Luther's religious followers were known as 'Protestants'. There's free time to explore here before stepping back on board for another splendid dinner. (B,L,D)

+ Included Experience - Guided tour of Speyer

DAY 5 - Strasbourg

This morning we cruise gently upstream, passing through two spectacular locks, whose elaborate engineering never ceases to fascinate. Why not find a comfortable chair and catch up on some reading, play chess or watch the rolling kaleidoscope of scenery from the Sun Deck?

THE RHINE

We soon arrive in France and moor in Strasbourg, capital of the Alsace region. This afternoon we have a walking tour of its picturesque Old Town, bisected by canals and made up of a maze of narrow streets lined with timber-framed houses and sculptured portals. Unforgettable sites include the stupendous Gothic Notre-Dame Cathedral, multi-towered Ponts Couverts - covered bridges - and the pretty Petite France quarter of pastel-coloured former artisans' houses lining the canals. Don't be surprised if you're tempted to linger a while in a typical Alsatian café to sample some of the region's world-famous wines - a crisp Riesling or that particular speciality of Alsace, spicy Gewürztraminer. After enjoying a sumptuous dinner on board, retire to the lounge to enjoy tonight's live performance of popular music spanning the years by a highy talented violin soloist. Overnight sailing. (B,L,D) + Included Experience - Guided tour of Strasbourg & live violin soloist

DAY 6 - Breisach & Black Forest

Your final day cruising is spent gliding through the dramatic scenery of the rift valley separating the Vosges and Black Forest mountains. We arrive at the ancient town of Breisach, whose historic

heart is surrounded by stone ramparts and dominated by the impressive Saint Stephan's Cathedral.

Later you drive through some of Central Europe's most stunning scenery - the Black Forest Mountains. This is a fabled landscape of rugged valleys, whitewater rivers, cascading waterfalls and rolling hillsides covered with huge, densely packed pine trees - exactly as you expect it to be. Our destination is the idyllic village of Titisee, nestling on the shores of its crystal-clear lake.

Rejoining the ship, we resume our stately passage upriver. As the sun sets and the riverside lights begin to twinkle there are wonderful views over the imposing Vosges massif. This evening we enjoy an exquisite Captain's Dinner; enjoy a taste of the region's cuisine as you cruise onward towards your next destination. (B,L,D)

+ Included Experiences - Visit to Breisach & drive through the Black Forest with visit to Titisee

DAY 7 - Lucerne & Bernese Oberland

Today we take the short drive to Lucerne, often considered Switzerland's most beautiful city, spectacularly situated among stunning mountain views. It has been attracting well heeled visitors for two centuries, including our very own Queen Victoria. Highly recommended is an invigorating stroll along the Chapel Bridge, a unique covered wooden walkway crossing the lake, supported by stilts and lined with colourful flower-filled window boxes. Not only is it the city's most iconic structure, it's a superb way to absorb Lucerne's regal atmosphere.

As you enter the Bernese Oberland in central Switzerland, the views become quite literally breathtaking! This is the grand alpine heart of Europe with some of the finest mountain scenery on earth, described by the composer Mendelssohn as 'the most wonderful of all in this unbelievably beautiful country'. On viewing the legendary snow-capped peaks of the Eiger, Mönch and Jungfrau you'll be quite simply awestruck. We then ascend by mountain railway for more extraordinary vistas, with the crystal-clear lakes reflecting the meadows and forests below. This truly magical landscape is sure to enchant you. Later we'll descend again by mountain railway before returning to the ship. Please note, temperatures will be significantly lower at altitude, even during the summer months, so it's advisable to pack suitable clothing. Lunch is not included on this full day excursion; however the ship will offer a packed lunch*. (B,L*,D) + Included Experiences - Tour of the

Tucked away in the cobbled streets are tiny workshops, where you can watch copper pots being beaten or wooden utensils skilfully carved.

Later we head to Arbanassi, set high on a plateau. During Ottoman times, this village became a commercial centre for traders and their caravans, crammed with wares bound for distant places. Perhaps visit one of the mansion houses with their fortress-like stone walls, or view the superb frescoes inside the Church of the Nativity. We end the day

Enjoy the many splendours of the scenic wine regions in the south of France. From lush terraced vineyards and sun-baked hills, to dramatic rugged gorges, pretty villages and medieval towns, with their delightful streets, charming architecture and atmospheric wine cellars.

Your itinerary

DAY 1 - Arrival in Lyon

Arrive for your flight to Lyon, Marseille or Montpellier, or take the Eurostar from London St Pancras, where you will be met by a guide and escorted on a coach transfer to Gare de Lyon to board a high-speed TGV to Lyon. On arrival we transfer by coach to our ship moored in Lyon's historic centre. (D)

DAY 2 - Lyon

After our first splendid breakfast, we've a leisurely start enjoying a guided tour of Lyon, one of France's most fascinating cities. The Rhône Valley had been the route of choice for marauding armies and peaceful traders for centuries, and Lyon's current site, at the confluence of the Rhône and Saône Rivers, cried out to be fortified. The Old Town, a UNESCO World Heritage Site, is crammed with antique shops and intriguing traboules narrow covered passageways enabling silk merchants to transport their wares to the river without getting wet - that today are a joy to amble through. As well as its glorious architecture, Lyon is generally acknowledged as France's (and to locals the world's) gastronomic capital.

While you enjoy your first lunch the ship quietly slips its mooring. Cruising upstream, we catch the first glimpses of the vine-clad slopes of the hazy green Beaujolais hills as we approach one

of the world's most revered red-wineproducing regions. As the afternoon drifts into evening and we cruise past the town that gives them their name, the white wines of Mâcon hold sway – and what could be better than a cool, crisp glass in the lounge before enjoying this evening's culinary delights in the restaurant, prepared by our outstanding chef. (B,L,D)

+ Included Experience - Guided tour of Lyon

DAY 3 - Chalon & Beaune

Rising this morning we're berthed in Chalon, gateway to Burgundy and home of Nicéphore Niépce, the inventor of photography. On this morning's tour we see some of the pretty yet surprisingly small villages that produce some of the world's most sublime wines - Meursault, Volnay, Pommard, Gevrey-Chambertin and many more. Nearby is medieval Beaune, Burgundy's wine capital, which is wonderful to wander around. At its centre is the Hospices de Beaune, also known as the Hôtel-Dieu. Originally built in the 15th century as a hospital for the disadvantaged, it's a jewel of High Gothic architecture, instantly recognisable for its colourful glazed roof tiles arranged in dazzling geometric patterns. Of course you can't visit Burgundy without sampling its amazing wines, so we visit the cellars of a leading traditional winemaker for a tour and tasting before returning to the ship for lunch. (B.L.D)

+ Included Experience - Tour of Beaune with wine tasting

DAY 4 - Vienne & Tournon

Overnight the ship has cruised almost imperceptibly downstream and we enjoy breakfast in Vienne before our guided tour. Strikingly located in a narrow section of the Rhône where the river meanders dramatically around a steep bluff, Vienne is a treasure trove of historic remains, including the stunning Roman Temple of Augustus and Livia, one of only two edifices of this type in the whole of the country. From the ship, a little train will take you to the top of the city, the Mont Pipet hill, where the view onto the Rhône will inspire keen photographers. As the train weaves through the charming, narrow streets of the old town, soak up the history of this fascinating place.

We wander back to the ship for another superb lunch, during which we enter perhaps the most picturesque section of the Rhône as the river squeezes and twists past Condrieu, Saint-Rambertd'Albon and Saint- Vallier, with wooded cliffs rising high on both sides. Later we moor in the pretty provincial town of Tournon, with its imposing castle and tree-lined avenues on one side of the river, while on the other are the steep vine-covered hillsides of Hermitage, where another of the world's most revered wines is produced - a fitting view as we enjoy another exquisite dinner. (B.L.D)

+ Included Experiences - Guided tour of Vienne & visit to Tournon

DAY 5 - Ardèche Gorges

This morning we cruise effortlessly downstream. In the distance you'll catch glimpses of the Alps and, as we approach Valence, the landscape gradually becomes less green with more ochres and magentas, the houses have sloping terracotta roofs typical of the Mediterranean and the air carries heady aromas of pine and cypress. You can only be in the Midi or - as we call it - the south of France. It's so relaxing to catch up on some reading or just laze in the sun.

After lunch we explore one of France's most outstanding landscapes - the Ardèche Gorges, whose scale is a fitting reminder of Mother Nature's awesome power. Caves, grottoes and natural sculptures create marvellous views at every turn before we return to the gentler slopes of the Rhône Valley, where our ship is moored in charming Viviers, a medieval town clustered around its 12th-century cathedral. We slip our mooring and proceed through the famous lock at Bollène, one of the deepest in France, as you relax over dinner. After dinner delight in a ballroom dancing performance in the lounge with the opportunity to learn some basic steps of a French madison line dance! (B,L,D)

+ Included Experiences - Guided tour of the Ardèche Gorges & live ballroom dancing performance

DAY 6 - Arles & Pont du Gard

You awake under the azure skies of deepest Provence and amid the warm stone colours of Arles, many of whose historic monuments are UNESCO World Heritage Sites. Although small in size, it was the key stronghold on the Roman road to Spain, one of the empire's richest possessions. Seagoing ships could reach here and the city became a regional capital, briefly ruling over Gaul, Spain and Britain. Our guided tour will help you appreciate the finer points of Arles's magnificent Roman remains, including the splendid amphitheatre, one of the best preserved in the world, the earlier theatre built during the reign of Augustus and the Alyscamps, the ancient necropolis with its extraordinary atmosphere. The disturbed but great genius of an artist Van Gogh lived in Arles for just over a year, from February 1888. It was his most prolific period and, inspired by Arles and the light and beauty of the Provencal countryside, he produced around 300 works, including The Night Café, The Sower and, of course, Sunflowers.

After lunch we visit the amazing Pont du Gard Roman aqueduct, one of the wonders of the ancient world. No amount of fame can diminish the first

sight of this 2,000-year-old structure, which was the highest bridge built in the Empire -the Romans themselves considered it the most important testimony to their greatness. Its statistics are staggering: over 900 feet long and almost 160 feet high, with its stones each weighing up to six tons. Rejoining the ship, we cruise along the Rhône and, during dinner, pass the imposing 15th-century castle at Tarascon standing guard on the river bank. This evening we enjoy the sumptuous Captain's Dinner, with the chef serving specialities of the regions you've visited during your voyage of discovery. (B,L,D) + Included Experiences - Guided tour of Arles and visit to the Pont du Gard

DAY 7 - Avignon

The light catching the red roofs of Avignon's majestic skyline is a sight to behold over breakfast, after which we embark on a guided tour of one of the most extraordinary and intriguing cities in France. Today the city is immaculately preserved, nestling behind its almost-intact 14th-century walls and boasting more remarkable monuments, superbly decorated buildings, churches, chapels and convents than you can possibly count. Most important is the stunning Popes' Palace, made up of two buildings that together form the largest Gothic palace in the world. With turrets, towers, parapets and other fortifications, its exterior resembles a mighty fortress, while the interior is a tour de force of medieval architecture and ornamentation, adorned with priceless frescoes, Gobelin tapestries and graceful sculptures.

After lunch you're free to explore as you wish, perhaps visiting the nearby Petit Palais, the former home of the archbishops of Avignon, to cast a critical eye over the remarkable collection of over 300 paintings and sculptures from the Middle Ages and Renaissance, including works by Botticelli and Carpaccio. Or take a stroll on the iconic Pont d'Avignon, which, dramatically, ends halfway across the river, made famous by the melody we all recall from our first French lessons. It's our final afternoon so you may wish to do some shopping, or just find a quiet café in a shady Provençal square to watch the world go by. Perhaps though, return to the luxurious surroundings of our ship, finding a quiet spot to contemplate the many wondrous places you've seen and experienced over a quiet cup of tea!

After dinner sit back and relax to the sounds of a talented local pianist who'll entertain us with French songs on board (B,L,D)

Your itinerary

Upstream Cruise: From Saigon to Siem Reap

DAY 1 - Departure

Arrive at the airport for your overnight flight to Ho Chi Minh City (Saigon).

DAY 2 - Arrival in Saigon

After your morning arrival with early check-in and breakfast at your hotel, we'll take an introductory tour of the city. Highlights include the Reunification Palace where famously in 1975, a tank burst through its gates in the final defining moment of the Vietnam War. We also see the War Remnants Museum and the lively Ben Thanh market - a fascinating insight into Saigon's daily life, you can find anything here, all at extremely good prices! The rest of the day is at leisure. (B) + Included Experience - Guided tour

of Saigon

DAY 3 - Cu Chi Tunnels

We visit the famous Cu Chi tunnels, a complex underground network stretching for 124 miles, which included hospitals, meeting rooms, sleeping quarters and kitchens. Begun during the last years of French rule and vastly expanded during the 1960s, the tunnels provided a base for the Vietcong from which to attack US forces within just 30 miles of Saigon. Our visit here is a fascinating insight into these troubled

times: we see the tunnels themselves and examples of the many mantraps and stake pits which protected them. Despite being carpet-bombed, the tunnels were never really penetrated and should you wish, you may even try out real period weapons on a firing range. We continue through rural farming communities back to Saigon in the afternoon. (B) + Included Experience - Visit the Cu Chi Tunnels

DAY 4 - Board the ship

After a stop at the picturesque Cholon market and a lacquer workshop, you board the superb four-star RV La Marguerite. Your highly professional crew, imbibed by the unique service ethic you find everywhere here, ensure you settle in to your spacious and beautifully appointed cabin. After an excellent lunch, your journey begins, as darkness gently falls, take your seat in the restaurant for your first dinner. Mooring at Cai Be, the day ends with a lovely performance of traditional Mekong music and perhaps a nightcap in the balmy late evening air, bathed by the unmistakable sounds of the East. (B,L,D)

DAY 5 - Cao Dai Temple

This morning we sail by local junk along Cai Be's waterfront and floating market, where wily sellers dangle their wares from long poles to the myriad of smaller boats in a vibrant riot of colour and noisy bartering. We visit the remarkable French Gothic cathedral, a poignant reminder of Vietnam's colonial past.

This afternoon we cruise through Vinh Long to Sa Dec with a guided stroll through the colourful local market an interesting comparison with this morning. The highlight of the day is the intriguing Cao Dai Temple, centre of a unique indigenous religion, a fascinating combination of Taoism, Buddhism and Chinese Confucianism plus elements of Christianity, Islam and spiritualism. Bizarrely, its saints include Joan of Arc, Napoleon, Shakespeare and Winston Churchill! The temple itself is a striking combination of western and oriental architectural styles and mesmerising brightly coloured statues, overlooked by the religion's all-seeing Divine Eye - it's sure to leave you something to ponder after your visit. (B,L,D)

+ Included Experiences - Visit Cai Bè's waterfront and Gothic Cathedral & the Cao Dai Temple

DAY 6 - Tan Chau

One of the great pleasures of river cruising is waking up somewhere completely different, and as dawn breaks, we are berthed in remote Tan Chau near Cambodia. One of the delights of Vietnam is that so many cottage industries still thrive, offering a fascinating insight into the past. This morning we transfer to small boats and explore the town of Tan Chau, Vietnam's leading silk centre producing extremely high quality and truly beautiful naturally dyed clothes. Slipping our moorings, Vietnam slowly recedes as we cross into Cambodia and continue into the evening with a chance to enjoy pre-dinner drinks in the lounge, before another tasty dinner. Take a stroll outside, look above and be dazzled by the luminosity of an amazing night sky, unfettered by streetlights and advertising as we cruise to Phnom Penh. (B,L,D)

+ Included Experience - Visit Tan Chau

DAY 7 - Phnom Penh

Called the 'Paris of the East' during colonial times, Phnom Penh has preserved much of its wonderful rustic charm, elegance and French allure. European river cruise assurance

Cruising along the major rivers of Europe is one of life's great pleasures. It is a great way to see the world and a wonderful way to travel. These magnificent waterways have been carrying people for centuries, and the majority of trips pass without incident. However, on occasion, river conditions, industrial actions, mechanical faults, or other factors may impact your cruise.

Our River Cruise Assurance explains what we do in such circumstances to keep your holiday going and the compensation we pay if we are unable to do so. It's all included in the price of your holiday, with nothing extra to pay, giving you another reason to book a Riviera Travel holiday with confidence.

Disruption - delays to your cruise

If progress along the river is disrupted, we will endeavour to keep your holiday going by doing one or more of the following:

- Remaining moored another night, postponing departure to the next day;
- Arranging excursions to the itinerary destinations or equivalent alternatives by coach, with no more than 2 hours journey each way;
- Swapping ships transferring you past the affected part of the river to join another ship. The maximum length of coach journey we will undertake to do this is 4 hours.

If we are unable to do the above, or despite doing them your holiday itinerary is delayed or significantly disrupted, we will automatically compensate you for every complete 24 hours affected.

Cabin grade	Maximum compensation
per person	per complete 24 hours
Lower deck	£80
Middle deck	£100
Upper deck	£120
Superior and Deluxe Suites	£140

Please note we will not pay compensation if the delay is due to civil or military hostilities, or for any other losses incurred beyond the cost of your holiday.

Curtailment - having to come home early

If the disruption is such that we are unable to continue your holiday, we may decide to terminate the cruise.

In this instance we will, at our cost, transport you back to the UK if you originally travelled with us. If you made your own way to the ship embarkation point we will return you at our cost to the original disembarkation point, or the nearest major European city if you prefer. Please note if you join our outbound UK flight, or make your own way to the ship embarkation point, having first flown in from another country, we strongly advise that you take out travel insurance to cover your originating flight into the UK or Europe.

If your holiday is cut short, we will also automatically refund you on a pro rata basis for each full 24-hour period of your holiday that has been lost. For example, if you have lost 3 complete days on an 8-day holiday, we will refund you 3/8ths of your original purchase price.

Cancellation prior to departure

Our shipping company partners constantly monitor river conditions. Whilst we will try to give as much notice as possible, please note that forecasts tend to be short, as river conditions can improve quickly, and hence the shipping company may make a final decision close to departure. If it is looking likely that your cruise would be significantly disrupted across multiple days, we will attempt to provide an amended or alternative cruise of equivalent quality. If we are able to do so we will endeavour to contact you at least 48 hours before departure to ask if you want to go on the alternative. If no alternative cruise of equivalent quality is available, your holiday will be cancelled. In this instance, you will be refunded the full cost of your holiday.
