EUROPE

Allow yourself to be transported to another time as you glide through landscapes seemingly lifted straight from a fairytale.

.....

For centuries, mainland Europe's waterways have connected and divided the cities, towns and villages found along their shores, protecting distinct cultures throughout the ages.

The Rhine River sweeps through some of the most striking rural regions in Europe, with one of the best examples being the beautiful Rhine Gorge in Germany. Here steep hillsides are dotted with ancient castles and crumbling ruins, echoed in the works of the poets and artists of the 18th and 19th centuries.

Traversing the distinctly Bavarian countryside in Germany, the Main River offers picture-perfect views and medieval architecture, with our river ships crossing the Continental Divide between the Main and Danube rivers using the Main-Danube Canal.

Europe's second longest river, the Danube flows through or touches the borders of 10 different countries. During a cruise along this majestic river, you will discover the medieval gems of Regensburg and Passau; the delightful landscape of the Wachau Valley; and the fascinating cities of Vienna and Belgrade.

With its spectacular fortresses, awe-inspiring natural landscapes and fairytale towns, the Balkans are equally as tempting. Join a cruise through the breathtaking scenery of the Iron Gates, and explore Bucharest's Palace of the Parliament.

Just as intriguing are the shrines, memorials and battlefields along the Western Front. Visit the Battlefields of Fromelles, Somme Battlefields and the Passchendaele Memorial Gardens for a special experience.

A gentle cruise along the Moselle River reveals castles and half-timbered houses straight out of a fairytale. Disembark in Strasbourg to peruse the festive Christmas market, the oldest in France. Where better to purchase a special gift or delicious local treat?

Providing stunning views as you glide on unspoiled waters, Portugal's Douro River is decorated with rolling hills, vineyards, extravagant estates, steep gorges and small fishing villages.

“Being veterans of 20+ European River Cruises with all leading cruise lines, my wife and I have no hesitation in nominating APT as without doubt the best of all. In particular, their Luxury cruises include a choice of excursions at each stop, truly spectacular special events, wonderful company... With three APT cruises now under our belts – even on familiar rivers – we really cannot fault them.”

“This was a fantastic river cruise and excellent value for money. From start to finish the whole trip was very well organised and the Cruise Director was extremely informative... Could not fault the food or service, and the wine was flowing freely at meal times. There was a good balance between organised trips and free time and all the excursions were very well organised with very informative guides.”

CROATIA SMALL SHIP COASTAL CRUISING

Join our Coastal Cruises and discover historical wonders and places of supreme natural beauty.

.....

The Dalmatian Coast is a treasure-trove of must-see sights, from historic Dubrovnik and the village of Opatija, to the ancient ports of Rab, Zadar and Split. The Croatian Islands of Korčula and Vis, meanwhile, boast azure blue waters, stunning beaches and dramatic limestone cliffs.

Dubrovnik Old Town is undoubtedly the best example of a medieval citadel in Europe. Having gained international attention as 'King's Landing' in the popular series *Game of Thrones*, Dubrovnik has established itself as a leading Eastern Europe destination.

Krka National Park, meanwhile, is one of Croatia's most stunning World Heritage sites, where lush greenery melds with cascading waterfalls. Here, we are admiring nature's artful touch, as we cross promenade boardwalks, snaking through vibrant scenery to the impressive Skradinski Buk waterfall.

With just over 30 passengers on board our small ships, you'll enjoy sightseeing at a more leisurely pace, without the crowds associated with a larger vessel. Soak up the laid-back atmosphere in the public areas or perhaps take a dip in the warm Adriatic waters, from your ship's swimming platform. Step ashore during overnight port stays in areas that larger ships simply can't access.

Day 01: Arrive Zagreb, Opatija, Embark Yacht
Fly from the UK and on arrival in Zagreb, be met at the airport and transferred to your yacht in Opatija. Tonight, come together to share a Welcome Dinner, the perfect opportunity to get to know your fellow travellers and cruise director. Dock overnight in Opatija. D

Eight Nights: MV Lady Eleganza.

Day 02: Krk, Rab
We depart Opatija and head to the island of Krk where, weather permitting, your yacht will drop its anchor. Enjoy a swim off the deck at the stern of the Lady Eleganza. Later, sail to the island of Rab and spend time wandering the narrow old alleys of this historic Old Town. BLD

Day 03: Pag, Zadar
Arrive on the rocky island of Pag, where you have the chance to take a dip right off the deck. Later, continue to Zadar and enjoy a guided walk through its

well-preserved Old Town. Its streets are filled with Roman ruins, Romanesque churches and Renaissance palaces, yet there is also a striking modernity to Zadar. Witness the Sea Organ, which plays a tune according to the rhythm of the waves, as well as its Sun Salutation light show. Your yacht docks here overnight; perhaps try one of the local taverns this evening. BLD

Day 04: Kornati Islands, Šibenik, Radošić
 Cruise among the 140 islands that make up the Kornati archipelago, a cluster of islands teeming with natural beauty, coves and clear blue waters. During your time here, you might enjoy a swim from the yacht's rear deck. **In the village of Radošić, sample some local brandy and home-made doughnuts, then watch as the locals perform a dance that has been passed down through generations since the 18th century. Afterwards, enjoy a breadmaking demonstration and a tour of the village before dinner.** BLD

Day 05: Šibenik, Krka National Park, Hvar
Today, head to Krka National Park and explore its dramatic waterfalls, the most spectacular of which is Skradinski Buk, a large natural pool with high waterfalls at one end and cascades at the other. Take a walk along wooden jetties and bridges to admire the falls, as well as the unique flora and fauna. Return to the yacht and continue cruising to the island of Hvar, where you will enjoy dinner on board as your yacht moors overnight. Afterwards, perhaps take a stroll through the town. BLD

Day 06: Hvar, Vis
Embark on a guided walking tour of Hvar's Old Town. Begin in the iconic main square, then see the cathedral and the Franciscan Monastery. Continue to the Benedictine Nunnery, where we hear about the aloe

lace still being produced by the nuns today. Return to the yacht and spend the afternoon cruising to the island of Vis, which only opened up to tourism in 1989. Its isolation and lack of development are the island's main attractions. Enjoy dinner on board as your ship moors overnight. You also have the option to experience life like the locals and visit a tavern. BLD

Day 07: Biševo, Korčula

Head to the beautiful town of Komiža and board a boat to the neighbouring island of Biševo. Visit its Blue Grotto, a coastal cave whose waters shine a striking blue when the sun's rays pass through an underwater opening – the rocks beneath shimmer in silver. Tonight, dine on board, then perhaps go ashore for an evening stroll or maybe check out the local nightlife. BLD

Day 08: Mljet, Dubrovnik

Cruise to Mljet, one of the few Dalmatian islands never ruled by the Venetian Republic. Discover its unspoiled beauty and pristine turquoise lakes during an exploration of its national park. Afterwards, perhaps stop for a swim on the island of Jakljan before continuing to Dubrovnik. Here, embark on a guided discovery of this spectacular walled city, known as the 'Pearl of the Adriatic'. MV PRINCESS ELEGANZA

Newly refurbished, the MV Princess Eleganza sails to coastal Croatia and its remote islands. Just 36 guests will experience a cruise of a lifetime, pausing in some of Europe's most idyllic locations, swimming in the warm waters of the Adriatic, and going where the larger ships can't.

.....

ISLANDS IN ABUNDANCE

What better way to discover the joys of small ship cruising than by dropping anchor at several of the Adriatic's most unspoilt islands. From the uniquely shaped Zlatni Rat beach on the island of Brač, to Hvar's delightful harbour, and the coveted isolation of Vis, there is no island too small or remote for the MV Princess Eleganza motor yacht.

SMALL SHIP, AMPLE ROOM

The Princess Eleganza may be a small ship, but you'll find plenty of space on board. Choose to dine in the restaurant or in the alfresco dining area on the Promenade Deck. The Sun Deck, meanwhile, offers more than enough sun, shade, fresh air and magnificent views for all.

SPACIOUS CABINS

With just 19 cabins on board, spread over three decks, you'll want for neither space, nor privacy. A range of cabin categories allows you to choose the size and position of accommodation that suits you. All are well-appointed and feature a sizeable en suite.

THE BEST OF SHORE AND SEA

Sail during the day, absorbing Croatia's stunning coastlines, as well as the crystal-clear waters of the Adriatic. Then, at night, you'll remain in harbour, enabling you to immerse yourself in the local way of life and, on dinner-free evenings, indulge in the authentic local cuisine.

DINE YOUR WAY

Meals are served in the indoor restaurant and, weather permitting, can also be enjoyed alfresco. Fresh regional flavours are central to the three-course lunches and dinners on board, while on some evenings, you will also have the opportunity to dine ashore.

Clockwise from top:

Venture to where the bigger ships can't aboard MV Princess Eleganza.

Drift away while admiring Croatia's coastal scenery.

DISRUPTION TO CRUISING & ITINERARY ARRANGEMENTS

Itineraries are subject to alteration without notice and are intended as a guide only. Although every effort will be made to keep them as they are shown in the brochure and final documents, deviations to the planned cruise/land touring itineraries and hotels are possible due to road, river or weather conditions, strikes, or other reasons beyond our control. Should conditions render cruise/land touring routes unsafe for navigation, APT reserves the right to provide alternative services including, but not limited to, accommodation not on the docked ship and/or substitute touring arrangements.

DRESS CODE

The dress code is relaxed. Light, comfortable clothing is ideal for during the day, but smart casual clothing for evenings on board the ship is recommended. You may wish to bring something a little dressier for the Welcome and Farewell dinners and any special events, however, there will be no black tie or formal evenings. We recommend that you pack a variety of light-to-medium-weight clothing, plus rain-wear in case of cooler or wet weather. Layers are a good option to cover a range of temperatures and to suit changing conditions. Comfortable footwear is imperative, as some excursions involve cobblestone streets, steps, or ramps to embark/disembark. If your sightseeing includes churches, monasteries, synagogues or mosques, dress casually and ensure sufficient body cover (for example, cover your shoulders and wear trousers or a knee-length dress).

E

ELEVATOR

In Europe, an elevator is located on all Concerto river ships, however the Piano and Sun Decks are not accessible by elevator. On the Travelmarvel Polaris, Vega and Capella, and the MS Douro Serenity, all decks are accessible by elevator except the Sun Deck. Please note there is no elevator on board the MV Lady Eleganza or the Princess Eleganza.

ENTERTAINMENT

On *Essential* and *Luxury River Cruises*, resident entertainers perform a variety of music for your enjoyment. These performances are also complemented by local artists, depending on the region and availability of performers.

ESSENTIAL RIVER CRUISES

All *Essential River Cruises* are operated by Travelmarvel, part of the APT Travel Group, and are escorted by a Travelmarvel Cruise Director. You will enjoy several Insider Experiences as indicated throughout itineraries, and a range of Enhance Your Journey excursions will be available to purchase locally to tailor your holiday.

F

FREEDOM OF CHOICE™ INCLUSIONS

Freedom of Choice Inclusions are included on *Luxury River Cruises* as indicated throughout itineraries. Minimum and maximum group numbers may apply on some activities. Due to poor weather and/or venue closures on some dates, some options may not be available as listed. All options will be booked while on tour with your APT Cruise Director, who will be able to provide you with further information. If your first choice of option is unavailable, you may be asked to choose an alternative.

G

GENERAL PHYSICAL FITNESS

APT river cruises are not overly physically demanding, however because of the nature of many of the sites you will be visiting, some excursions will require a good level of fitness and health to participate. Some trips may not be appropriate for guests with certain medical conditions and physical restrictions. Walking tours are often on uneven ground (such as cobblestones) and may include stairs as well as steep inclines. You should be able to stand on your feet for an extended period of time to visit museums, attractions and other sites.

GRATUITIES

Gratuities are included for all cruise staff, local guides and drivers on all holidays. Gratuities cannot be redeemed for a cash refund.

H

HOTELS

On our city extensions, the official check-in time at hotels is 3pm local time. Where possible, the hotel will try to have your room available earlier. If your flight arrives in the morning, luggage can be dropped off at the hotel before check-in and delivered to your room later. You will be required to present a credit card upon check-in to cover incidentals. If you do not have a credit card, a monetary deposit in local currency may be required. Amounts differ for each hotel. Check-out times vary, but are usually at 11am or noon. If you have a late afternoon or evening flight, most hotels have a luggage room where you can store your luggage until you depart for the airport.

HOUSEKEEPING

Our onboard housekeeping staff will attend to your suite twice daily on river ships – once during the day and again with a turndown service in the evening. Reception can be contacted 24 hours a day for any additional housekeeping requests. Rooms are serviced once each day on small ships.

I

INFOTAINMENT SYSTEM

In Europe, staterooms and suites on all river ships feature a flat-screen television, English-language TV programmes, box office movies, classic films and the ship's information channel.

INTERNET & WI-FI

Complimentary wireless internet (wi-fi) is available on all river ships and small ships; however, you will need to bring your own laptop or tablet to gain access. As all ships use a satellite system, routing may cause reception to be restricted at times.

L

LANGUAGE

The official language used by APT staff worldwide is English. All staff, crew and local guides speak fluent English. For your convenience, all guided tours, announcements and lectures will be presented in English.

LAUNDRY

Laundry services are available on board our river ships and price lists will be available in your stateroom or suite. Clothes cannot be dry-cleaned on board. Self-service laundry facilities are not available on board. For safety reasons, it is not permitted to use an iron in your stateroom or suite. In select suites on our *Luxury River Cruises* in Europe, we offer a complimentary laundry service (see BUTLER, LAUNDRY & ROOM SERVICE). There is no laundry service offered on small ships.

LIBRARY

All river ships have a collection of books and games available for guests to borrow free of charge.

LOUNGE

All river ships feature a large, comfortably furnished main lounge which serves as a gathering place for port talks, lectures and entertainment.

LUGGAGE

As a general rule, airlines permit passengers in Economy Class to take one piece of luggage that does not exceed 160cm (63 inches), or weigh more than 20kg (44 pounds). We advise you to contact your airline carrier or booking agent for specific information prior to departure, as size and weight limitations may vary. Each passenger is entitled to take one piece of luggage on your cruise that does not exceed the above specifications. Please limit your hand luggage to one bag that fits under your aircraft seat or in the overhead compartment.

LUXURY RIVER CRUISES

All *Luxury River Cruises* are escorted by an APT Cruise Director. You will enjoy Signature Experiences as well as Freedom of Choice Inclusions as indicated throughout itineraries.

M

MAPS

Maps featured within this brochure are indicative only and are not to scale.

MEDICAL

Medical services are not available as there are no medical personnel on board. Medical services can be called from shore, as ships are usually close to a town. Should personal medication require refrigeration, it can be stored in the ship's galley.

R

RECEPTION

A reception area is staffed 24 hours a day on all river ships.

S

SHORE EXCURSIONS

Participation in shore excursions is at your discretion. If you would like to explore independently, your Cruise Director can make suggestions as to places to visit. You must make sure to return to the ship before it departs.

SMALL SHIP COASTAL CRUISING

Cabin sizes on our small ships vary, please enquire for further details. Authentic Mediterranean-style meals are included, as well as an English-style breakfast (as indicated). On TravelMarvel Essentials Small Ship cruises, some nights have been left free for guests to dine ashore (own expense). The ship will drop anchor in several locations, enabling guests to swim from the swim deck (subject to weather conditions). Group transfers included on first and last day.

SMOKING

Smoking is not permitted anywhere inside any of the river ships or small ships, including on balconies in your stateroom or suite. Smoking is only permitted in designated outside areas. The same policy applies for electronic cigarettes.

SWIMMING POOL/WHIRLPOOL

In Europe, the Travelmarvel Polaris, Vega and Capella feature a heated whirlpool, while Concerto River Ships, and MS Douro Serenity feature a swimming pool. Additionally, all Concerto River Ships feature a swim-up bar.

T

TELEPHONE

All staterooms and suites on board all river ships are equipped with a telephone. They can be used to call between staterooms and suites, as well as from ship to shore. As the telephone system functions via satellite there may be times, depending on routing, when the telephones are out of range.

TRANSFERS

Overseas airport transfers must be pre-arranged at the time of booking and flight details need to be provided to confirm this service.

On all *Luxury River Cruises*, we provide complimentary transfers from your door. These home-to-airport transfers are included within a radius of 75 driven miles from the UK departure point confirmed in your cruise package (including regional airports and all three Eurostar railway stations). No cash alternative will be given. For journeys over 75 miles there will be an additional charge per car per mile. This service is only available for UK mainland and Northern Ireland.

TRAVEL INSURANCE

Travel insurance is not included in your holiday package. For your protection we strongly recommend that you purchase comprehensive travel insurance at the time of booking that includes (without limitation) coverage for medical expenses, loss of luggage, cruise and land content, and airfare charges that may occur due to cancellation, disruption, loss of deposit or strikes.

W

GENERAL INFORMATION & CONDITIONS

The following terms and conditions ('Booking Conditions') form the basis of your contract with Australian Pacific Touring (UK) Limited ('APT', & 'Travelmarvel by APT' & 'Kimmerley Wilderness Adventures', 'we' or 'our') of First Floor, Chalfont Court, 5 Hill Avenue, Amersham, Buckinghamshire, HP6 5BD, which is registered in England under company number 01662539. Please read them carefully as they set out your and our respective rights and obligations.

Our terms and conditions are divided in two sections - those of generic nature that are consistent across all APT holidays; and those of a specific nature that relate to particular holiday packages

By asking us to confirm your booking, we are entitled to assume that you have had the opportunity to read and have read these Booking Conditions, that you agree to them and that you agree to them applying to your holiday arrangements that you book with us and which we agree to make, provide or perform (as applicable) as part of our contract with you. References in these Booking Conditions to your 'holiday package' are references to the tour or cruise package you have booked with APT. References to "excursions" are references to short trips or tours included or available as part of your holiday package.

The Conditions and Information set out below are correct at 1 February 2022. For details of our up to date terms and conditions for holiday bookings, please see www.apptouring.co.uk/legal/general-information-conditions

BEFORE YOU BOOK

Price Validity

Published prices are valid at the time of publication but are subject to change. They may be varied by advertising or special offers, or changed after the publication date for any reason, including without limitation, to cover changes in government taxes and charges, exchange rate variations, fuel surcharges, airline charges, a force majeure event or other material increases by suppliers. The most up to date pricing may be found on our website - www.apptouring.co.uk. Prices will be confirmed at time of booking and honoured for up to seven days. Once the security deposit is paid the price will be guaranteed. All holidays are subject to availability at the time of booking.

We reserve the right to cancel the booking if you do not wish to accept the correct price applicable to your holiday package. In such circumstances you will be given the choice of amending your booking to an alternative holiday. Changes in transportation costs, including the cost of fuel dues, taxes or fees chargeable for services such as landing taxes or embarkation or disembarkation fees at ports and airports and exchange rates mean that the price of your travel arrangements may change after you have booked. However, there will be no price change within 30 days of your departure. We will absorb and you will not be charged for any increase equivalent to 2% of the price of your travel arrangements, which excludes insurance premiums and any amendment charges. You will be charged for the amount over and above that, plus an administration charge of £1 per person together with an amount to cover agents' commission. If this means that you have to pay an increase of more than 8% of the price of your travel arrangements, you will have the option of accepting a change to another holiday if we are able to offer one (we will refund any price difference if the alternative is of a lower value), or cancelling and receiving a full refund of all monies paid, except for any amendment charges. Should you decide to cancel you must do so within 14 days from the date of notification of the change in the price of your holiday. We will consider an appropriate refund of insurance premiums paid if you can show that you are unable to transfer or reuse your policy. Should the price of your holiday go down due to the changes mentioned above, by more than 2% of your holiday cost, then any refund due will be paid to you. However, please note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on the price of your travel due to contractual and other protection in place.

Please see important information listed under Special Conditions for relevant deposit and final payment terms.

Choosing your Holiday

To maximise your enjoyment of your APT holiday and to ensure that it lives up to your expectations it is important that you choose the right holiday package for you. Our qualified staff are available to discuss your options.

Tailor Made Holidays

Tailor Made Holidays are bespoke itineraries designed by you, with the help of a specialist APT journey planner. Read the full Terms and Conditions regarding APT's Tailor Made Holidays.

Travelling with Minors

Children under 12 years of age are not permitted on tours and cruises. All children under 18 years of age must be accompanied by an adult and share their accommodation with an adult. We reserve the right to limit the number of children between the ages of 12 and 18 on board any coach or vessel.

Transfers at Your Destination

Where stated, transfers are included on the first and last day of the holiday package at designated times. No refund will be given for unused transfers. Transfers cannot be re-routed to other pick-up points or destinations. Passengers who miss the pre-booked transfers must make their own way to/from the ship/hotel at their own expense. A group transfer is generally a shared transfer and the type of vehicle used will normally be dependent upon the size of the group.

Home-to-Airport Transfers

Home-to-airport transfers are included in the price of all APT Luxury Europe and Asia river cruises featured in APT's brochures, when booking within a radius of 75 driven miles from the UK departure airport or Eurostar station confirmed for your package. No cash alternative will be given. For journeys over 75 miles there will be an additional charge per car per mile. This service is only available for UK mainland.

Freedom of Choice™ & Signature Experiences

Valid only on Luxury cruises and tours (excluding Voyages). Minimum and maximum group numbers apply on some Freedom of Choice or Signature Experiences. If your first choice is unavailable you may be asked to choose an alternative.

Travelmarvel Select Experience Tours

Valid on Premium / Essential holidays only. Experiences are subject to availability and cannot be pre-booked unless specified. These experiences must be booked and paid for whilst on tour.

Public Holidays/Festivals

Wherever all countries have public holidays, religious or otherwise. These festivities may temporarily disrupt your

holiday and some religious holidays may result in a reduction of facilities and entertainment.

Special Offers

Special Deals and Special Offers other than those advertised herein may be promoted by APT after the program is released. These new special deals/offers do not apply to existing bookings unless otherwise stated.

Special offer terms & conditions may differ, and full details will be advised at the time of booking.

BOOKING & PAYING FOR YOUR HOLIDAY

Your Contract

When you make a booking you guarantee that you have the authority to accept and do accept on behalf of your party the terms of these Booking Conditions. A contract will exist as soon as we issue our booking confirmation, which will include full details of your booking and an invoice in respect of same. You will also be provided, where your holiday package includes a flight, with an ATOL certificate (see clause 'Consumer Protection - ATOL' for more information). The contract is made on the terms of these Booking Conditions, which are governed by English Law, and the jurisdiction of the English Courts. If your booking is made through a travel agent we will address all communications to that travel agent, who will act as agent for you in regard to all communications from us to you. When you buy a holiday package including a flight, all monies you pay to the travel agent are held by the agent on behalf and for the benefit of the Trustees of the Air Travel Trust at all times. This is subject to the agent's obligation to pay it to us for so long as we do not fail. If we fail, any money held at that time by the agent, or subsequently accepted from you by the agent, is and continues to be held on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation to pay that money to us. When you buy a holiday not including a flight, all monies you pay to the travel agent are held by them on our behalf at all times, pending their transfer to us.

Airfares

Air travel is arranged with independent airlines. APT will arrange air travel as advertised in connection with your holiday package or otherwise arranged with APT. All airfares are subject to flight and booking class availability. Once sold out surcharges may apply. Airports available may vary depending on the holiday booked and will be advised at the time of booking. Airfares will be booked and ticketed upon receipt of your deposit to avoid price or tax increases. Airfares will be booked on receipt of deposit and ticketed once final balance has been received. Airfares may be subject to tax and/or fuel surcharges and will be advised no later than 100 days prior to travel. Please see Price Validity for further information on increases in your fares not limited to Airline tax, surcharges or fuel surcharges. Airport taxes vary for each departure point and routing of airline. Airline schedules are subject to change without notice. Once air tickets are issued, airline amendment and/or cancellation fees apply and, in some cases, are non-refundable. Name changes and voluntary date and schedule changes will incur fees. Please note that flights may be indirect and some airlines charge for luggage separately. While we endeavour to accommodate your airline seating requests, these are never guaranteed and are subject to change at the airline's discretion.

Flight Changes

The flight shown in our brochure, on our website and detailed on your booking confirmation are for guidance only and are subject to alteration and confirmation. Flight timings are set by airlines and affected by events outside our control. Scheduled flight timings, and days of operation are also subject to change. APT will advise you of any significant changes as soon as it is informed by the airline. Minor timing changes will be shown on your flight tickets. Any change in the identity of the airline, flight timings or aircraft type (if advised) will not entitle you to cancel or change to other arrangements without paying any applicable cancellation fees except where specified in these Booking Conditions. APT is not liable for any additional costs incurred due to airline schedule changes.

Out of Date Range Flights

If airlines have not published their schedule at the time of booking, APT will estimate the cost of airfare connected with your holiday package. When the airline releases flight inventory and airfares, APT will confirm seats and pricing to you by sending you an updated invoice. Once flights have been confirmed by you or your travel agent and payment has been received APT will issue your ticket/s.

Travel Insurance

Travel Insurance is not included in your holiday package. You are required to purchase comprehensive travel insurance that includes (without limitation) coverage for the cost of your holiday package, medical expenses, loss of luggage, personal liability, delay, cancellation, curtailment, missed departures, airfare charges that may occur due to cancellation, impossibility of performance or other frustrations, disruptions, loss of deposit, strikes and legal expenses. Please note that special insurance may be required if you intend to participate in sports or activities that have been arranged independently of us. Before departure we will require a proof of your insurance policy.

Travel Information and Documents

After booking you will receive an invoice with important information relevant to your holiday package. We strongly recommend you check the details carefully and read the included information. Approximately 21 days before departure you will receive your e-documentation ticket together with your final itinerary. Please ensure that you check your flight timings carefully on your tickets, particularly early morning departures. Documentation may be emailed to you at the discretion of APT in the case of late bookings, charges, late payment or special offers.

Special Requests

Where a special request (e.g. diet, room location, twin or double bedded room, a particular facility at a hotel, flight seat requests and/or particular meals) is an important factor in your choice of holiday, you must advise us when your booking is made. APT will pass your request onto the supplier but cannot guarantee that it will be accommodated. APT will also pass on any dietary requests to the airline but we strongly recommend that you check directly with the airline once your tickets have been issued. The provision of any special request does not constitute a term of your contract with us. Confirmation that a special request has been noted or passed on to the supplier or the inclusion of the special request on your booking confirmation or any other documentation is not confirmation that the request will be met. Unless and until specifically confirmed, all special requests are subject to availability.

Website and Brochure Accuracy

APT has endeavoured to ensure that the information given on this website and in our brochures about accommodation, itineraries etc., is correct to the best of its knowledge at the time of going to publish/print. However, advertised descriptions and facilities and prices may change. We recommend that you confirm the details of your chosen holiday package at the time of booking. Additionally, flight times, hotels, carriers and routes on the website and in the brochure are given for guidance only as there may be changes. Final details will be shown on your travel documentation. Holiday package or excursion itineraries may change or be different from those described as a result of, by way of example and not limited to, local conditions, weather conditions and or annual events. APT can give no guarantee as to exact arrival and departure times for carriers and operators used on the cruise/tour. APT will endeavour to notify you of any significant changes prior to your departure.

Changes due to Weather

Sometimes due to elements beyond APT's control, it may be necessary to make alterations to your itinerary. A number of Freedom of Choice sightseeing inclusions are weather dependant.

Data Protection Policy

APT is fully committed to compliance with all applicable data protection laws. We process information about you that you provide when making a reservation in accordance with our privacy policy. By providing this information you consent (on your behalf and on behalf of any person for whom you are booking) to such processing and you warrant that all information provided by you is accurate. Full details on our privacy policy may be found on our websites www.apptouring.co.uk/privacy or by request to us dataprotection@apptouring.co.uk.

Limitation of Liability

1. APT agrees that the holiday arrangements it will make, perform or provide, as applicable, as part of the contract with you will be made, performed and provided, as applicable, with reasonable care and skill. If the contract we have with you is not performed or is improperly performed by us or our suppliers and this affects the enjoyment of your travel arrangements, then you may be entitled to an appropriate price reduction or compensation or both. However, we will not be liable where any failure in the performance of the contract is due to: you; or a third party unconnected with the provision of the travel arrangements and where the failure is unforeseeable or unavoidable; or unusual and unforeseeable circumstances beyond our control, the consequences of which could not have been avoided even if all due care had been exercised; or an event which we or our suppliers, even with all due care, could not foresee or forestall. We will only be responsible for what employees do or do not do if they were acting within the course of their employment and we will only be responsible for what agents or suppliers do or do not do if they were at that time carrying out work that we had asked them to do. Please note that it is your responsibility to show that reasonable care and skill has not been used if you wish to make a claim against us.

2. Our suppliers (such as accommodation or transport providers) have their own booking conditions or conditions of carriage, and these conditions are binding between you and the supplier. Some of these conditions may limit or remove the relevant transport provider's or other supplier's liability to you. You can get copies of such conditions from our offices, (First Floor, Chalfont Court, 5 Hill Avenue, Amersham, Buckinghamshire, HP6 5BD or Telephone: 0800 012 6686) or the offices of the relevant supplier.

3. Our liability, except in cases involving death, injury or illness, shall be limited to a maximum of three times the cost of your travel arrangements. Our liability will also be limited in accordance with and/or in an identical manner to:

a) The contractual terms of the companies that provide the travel services that make up your package, such terms are incorporated into this booking; and

b) Any relevant international convention, for example the Montreal Convention in respect of travel by air, the Athens Convention in respect of travel by sea, the Berne Convention in respect of travel by rail and the Paris Convention in respect of the provision of accommodation, which limit the amount of and conditions under which compensation can be claimed for death, injury, delay to passengers and loss, damage and delay to luggage. We are to be regarded as having all benefit of any limitation of the extent of or the conditions under which compensation is to be paid under these or any conventions. You can ask for copies of the travel service contractual terms, or the international conventions, from our offices (First Floor, Chalfont Court, 5 Hill Avenue, Amersham, Buckinghamshire HP6 5BD or Telephone: 0800 012 6686. Under English law you have rights in some circumstances to refunds and/or compensation from your airline in cases of denied boarding, cancellation or delay to flights. Full details will be published at UK airports and available from airlines. However reimbursement in such cases will not automatically entitle you to a refund of your holiday cost from us. Your right to a refund and/or compensation from us is set out in these Booking Conditions. If any payments to you are due from us, any payment made to you by the airline or any other service provider will be deducted. If it is impossible to ensure your return as scheduled due to unavoidable and extraordinary circumstances, we will bear the cost of necessary accommodation, if possible of equivalent category, for a maximum of three nights. The limit doesn't apply to persons with reduced mobility and any person accompanying them, pregnant women and unaccompanied minors, or persons in need of specific medical assistance, provided that you notified us of these needs at least 48 hours before the start of your holiday.

4. The optional excursions are not operated by or at the direction or on behalf of APT or its employees or agents or any other persons or companies associated with APT. By taking bookings for these cruises/ tours, APT acts as each optional tour operator's agent.

5. On holidays including activities such as but not limited to trekking, quad biking, electric bikes, horse riding and swimming, passengers accept that there is a material element of risk involved.

6. In the event that you wish to make a claim or complaint against us, both the services that we have agreed to provide or arrange as part of the contract between you and us and the laws and regulations of the country in which the claim or complaint occurred will be taken into consideration in determining whether or not the services were properly provided. If the services provided comply with local laws and regulations, the services will be treated as having been properly provided, even if the services did not comply with the laws and regulations of the UK, unless the claim or complaint relates to the failure to provide a safety feature which may cause a reasonable holidaymaker to refuse the

particular arrangements.

7. If you, or any member of your party have a medical condition or disability which may affect your holiday, please tell us before you confirm your cruise/tour booking so we are able to advise as to the suitability of your chosen arrangements. In any event, you must provide us with full details in writing at the time of booking. If we reasonably feel we are unable to properly accommodate particular needs of the person concerned, we reserve the right to decline the booking or ask for the person to be accompanied by a person who is able to provide full assistance to them throughout their cruise/tour. If, in the opinion of any representative of APT, your mental or physical condition, or general behaviour is such as to affect your own health and safety, render you incapable to care for yourself, cause you to become a hazard to yourself or other passengers or result in you becoming objectionable to other passengers or staff, you will not be permitted to embark or continue on the whole or any part of the holiday package. Harassment of any kind toward crew, contracted suppliers or other guests may result in immediate removal from the tour or cruise. APT is not liable to you for any costs associated with such a decision and you will not be refunded for any part of the holiday package.

COVID-19 Requirements

Before booking and before you travel, ensure that you check the latest Government travel requirements and APT updates which include the onboard protocols (which will be available on APT's website at www.apptouring.co.uk/about-us/travelupdates) which will set out the obligations which apply to customers departing on tours. This may include obtaining proof of negative test results prior to embarkation, completion of health questionnaire, mask wearing, requirement to isolate if COVID-19 symptoms present during tour and removal of passengers from the tour if deemed necessary by medical staff. Compliance with the travel requirements and APT updates is mandatory and anyone refusing to comply can be denied access to the tour or removed from the tour at APT's absolute discretion. For tours departing 01 January 2022 onwards, proof that you are fully vaccinated with a Government approved COVID-19 vaccine will be required for each passenger before the commencement of the tour. Fully vaccinated means that there has been at least 14 clear days (not including the date of vaccination) from the second dose in a 2-dose series of vaccines before the date of departure. If Government guidelines are published which recommend a booster dose of any approved COVID-19 vaccination, the reference to fully vaccinated will only apply if a passenger has had a booster dose no earlier than 9 months and no sooner than 14 days prior to departure of the tour.

IF WE NEED TO CHANGE OR CANCEL YOUR HOLIDAY BEFORE YOUR DEPARTURE

APT endeavours to provide you with all the services confirmed to you at the time of your booking. However, we plan arrangements a long time in advance of your departure date using independent suppliers such as airline, hotels etc., over whom we have no direct control. On occasions change do have to be made, and APT reserves the right to cancel or amend holiday packages/excursions accordingly.

If we make a significant change to your holiday, we will inform you or your travel agent as soon as reasonable possible if there is time before your departure. Examples of significant changes include (a change of destination; a change in accommodation to that of a lower category; a change in the time of your departure or return flight by more than 12 hours, and a change of UK departure airport). You will have the choice of either accepting the change of arrangements, accepting an offer of alternative travel arrangements of comparable standard from us if available (if you choose an alternative which is more expensive you must pay the difference but we will refund any price difference if the alternative is of a lower value), or cancelling your holiday and receiving a full refund of all monies paid for arrangements made by APT. You must tell us which one of the above choices you make within 7 days of being informed of the significant change we are making, or as soon as reasonably practicable if your departure is less than 7 days from the date you receive notification. If we do not receive notification from you about your choice you will be deemed to have opted to cancel the holiday package.

You may also be entitled to compensation in the event of a significant change to your holiday package, unless such cancellation or significant change arises due to unavoidable and extraordinary circumstances beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken.

These options do not apply for minor, insignificant changes. Examples of minor changes include [alteration of your outward/return flights by less than 12 hours; changes to aircraft type, change of accommodation to another of the same or higher standard, changes of carriers]. Please note that airlines referred to in the brochure may be subject to change. We will in any event ensure that you are notified about any such minor insignificant changes. No compensation is payable in respect of minor changes.

We will take reasonable steps to avoid having to cancel your booking. We may need to do so, however, due to unavoidable and extraordinary circumstances beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken, or for failure by you to pay any outstanding amount. We may also cancel your holiday package if the minimum number of clients required for a particular holiday package is not reached. If your holiday is cancelled you can either have a refund of all monies paid or accept an offer of an alternative holiday package of comparable standard from us, if available, subject to you paying any additional costs (we will refund any price difference if the alternative is of a lower value).

If we cancel the holiday package or make a significant change that you do not accept, we will pay compensation as detailed below, except where the significant change or cancellation arises due to unavoidable and extraordinary circumstances beyond our control or that of our suppliers or contractors, the consequences of which could not have been avoided even if all reasonable measures had been taken, for example, due to:

- war, armed conflict, criminal damage, riot, civil strife, industrial dispute, terrorist activity or the threat of any such acts,
- natural disaster (including but not limited to flooding, fire, earthquake, landslide),
- nuclear or other industrial accident
- adverse weather conditions,
- high or low water levels,

- adverse weather conditions,
- epidemics and pandemics,
- unavoidable technical problems with transport,
- airports and ports being closed or full,
- changes brought about as a result of recommendations made by the Foreign and Commonwealth Office or any other government or international organisation or agency or the police, and

• changes to laws, rules and/or regulations of any country preventing access to locations or the provision of services. The compensation that we offer does not exclude you from claiming more if you are entitled to do so.

Period before departure in which we notify you:	Amount you will receive per person:
100 days or more	No compensation
75 to 99 days	£20.00
51 to 75 days	£30.00
26 to 50 days	£40.00
0 to 25 days	£50.00

If it is impossible to ensure your return as agreed in the contract with us due to unavoidable and extraordinary circumstances, we will bear the cost of necessary accommodation, if possible of equivalent category, for a maximum of three nights for each member of your booking. The limit does not apply to persons with reduced mobility and any person accompanying them, pregnant women and unaccompanied minors, or persons in need of specific medical assistance, provided that you notified us of these needs at least 48 hours before the start of your holiday package.

Medical Assistance

APT does not employ medical staff on its tours. If you require medical attention, local medical services can be contacted immediately. You are responsible for all charges that result from a visiting a medical facility, or for a medical practitioner visiting you. APT is not responsible for the type or quality of the medical services you may receive.

Smoking

For other passengers' comfort there is no smoking on coaches or river cruise ships, except in designated areas where available.

Responsible Service of Alcohol

Our staff are trained to serve alcohol in a responsible manner and are obliged by law to refuse service to any guest who is in the reasonable opinion of any employee, intoxicated or behaving in a dangerous, aggressive or offensive manner.

Service Complaints

If a problem occurs during your holiday you should, in your own interests, advise your tour director so that steps can be taken to resolve the matter. If your complaint is not resolved locally, please follow this step within 28 days of your return home by writing to our Customer Services Department at First Floor, Chalfont Court, 5 Hill Avenue, Amersham, Buckinghamshire, HP6 5BD giving your booking reference and all other relevant information. It is strongly recommended that you communicate any complaint to the supplier of the services as well as to our representative without delay and complete a report form whilst on holiday. If you fail to follow this procedure we will have been deprived of the opportunity to investigate and rectify your complaint whilst you were in the resort and this may affect your rights under this contract. In the rare event of a dispute which cannot be settled amicably we can also offer you an arbitration scheme for the resolution of disputes arising out of this contract. The scheme is arranged by ABTA and administered independently. The upper limit on claims is £5,000 per person and £25,000 per booking form. This scheme does not apply to claims which are solely in respect of physical injury or illness or their consequences. It can however deal with claims which include an element of minor injury or illness subject to a limit of £1500 on the amount the arbitrator can award per person in respect of this element. Your request for arbitration must be received by ABTA within eighteen months of the date of return from holiday. For injury and illness claims, you can request the ABTA Mediation Procedure and we have the option to agree to mediation. Please also see clause 'Consumer Protection - ABTA'.

Consumer Protection - ATOL

The flight-inclusive holidays featured on this website and/or in our brochures are ATOL protected. APT holds an Air Organisers Licence granted by the Civil Aviation Authority. Our ATOL number is ATOL 6781. When you buy an ATOL protected flight or flight inclusive holiday package from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong. We will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where we aren't able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable). For more information visit www.caa.co.uk/atol-protection.

Consumer Protection - ABTA

APT is also a member of ABTA with membership number V9080. ABTA and ABTA members help holidaymakers to get the most from their travel and assist them when things do not go according to plan. We are obliged to maintain a high standard of service to you by ABTA's Code of Conduct. APT has provided a bond to ABTA for the protection of monies paid to us in respect of package holidays that do not include flights. This protection follows the guidelines of the latest European legislation and complies fully with all legal requirements within the UK. For further information about ABTA, the Code of Conduct and the arbitration scheme available to you if you have a complaint, please contact ABTA, 30 Park Street, London SE1 9EQ. Telephone: 0203 117 0500 or visit: www.abta.com.

Please note that there are specific General Information and Conditions that are determined by:

1. the country you are in when purchasing your APT holiday,
2. the destination/s that you will be travelling to.

SPECIFIC TERMS & CONDITIONS FOR EUROPE HOLIDAYS:

Prices – Deposits – Discounts – Payments

A £500 security deposit per person, per holiday package is required to be paid within seven days of booking

confirmation. Deposit requirements may vary when booking a special offer. Final payment of the balance of your holiday package price is due 100 days prior to departure unless stated in the terms of a special offer. APT reserves the right to cancel any ticket or booking or, refuse to honour any price or carry any passenger where any payment has not been received by APT within the specified time. All fares and charges are in British pounds. Payment in full is required at time of booking for reservations made less than 100 days before departure. If APT is unable to confirm your reservation, all monies will be refunded.

We reserve the right to cancel the booking if you do not wish to accept the correct price applicable to your holiday package. In such circumstances you will be given the choice of amending your booking to an alternative holiday. Changes in transportation costs, including the cost of fuel dues, taxes or fees chargeable for services such as landing taxes, or embarkation or disembarkation fees at ports and airports and exchange rates mean that the price of your travel arrangements may change after you have booked. However, there will be no price change within 30 days of your departure. We will absorb and you will not be charged for any increase equivalent to 2% of the price of your travel arrangements, which excludes insurance premiums and any amendment charges. You will be charged for the amount over and above that, plus an administration charge of £1 per person together with an amount to cover agents' commission. If this means that you have to pay an increase of more than 8% of the price of your travel arrangements, you will have the option of accepting a change to another holiday if we are able to offer one (we will refund any price difference if the alternative is of a lower value), or cancelling and receiving a full refund of all monies paid, except for any amendment charges. Should you decide to cancel you must do so within 14 days from the date of notification of the change in the price of your holiday. We will consider an appropriate refund of insurance premiums paid if you can show that you are unable to transfer or reuse your policy. Should the price of your holiday go down due to the changes mentioned above, by more than 2% of your holiday cost, then any refund due will be paid to you. However, please note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on the price of your travel due to contractual and other protection in place.

Cruising

Cabin/Suite/Stateroom Selection

APT will make every effort to assign specific cabins, cabin numbers or locations on the ships where ever possible if requested. However, APT reserves the right to make changes to this assignment within the category booked, without prior notice.

Passengers Needing Special Assistance

APT welcomes passengers with reduced mobility, disabilities or special needs, however, please note the following:

1. Any disability or medical condition requiring special attention must be reported to APT at the time of booking including all important information relating to your health, mobility and fitness which may affect your ability to participate fully or partially in the cruise or tour. This information is also crucial to allow APT to ensure the tour you have chosen is suitable and meets your needs and that APT are able to accommodate those needs safely to you and others. Where possible, APT will make reasonable adjustments to the holiday package to accommodate special needs reported at the time of booking however, it cannot do so if the adjustment required would be unreasonable in all of the circumstances, including if such adjustments would affect your safety and/or the safety of other passengers or where this is not technically possible, for example, if the aircraft which is to operate the flight element of the booking may not be structurally suitable due to its size or the size of its doors to carry the person in question. In that case, the booking for the affected person or its group, as the case may be, may need to be declined. Any changes to health, mobility and fitness after the date of your booking must also be reported to APT as soon as possible and prior to departure. Whilst we would use our reasonable endeavours to accommodate the needs of a person who has booked a holiday package with us but subsequently became disabled or otherwise a person with reduced mobility prior to the holiday package commencing, this, as mentioned in the preceding paragraph, may not be possible in all circumstances. If this were to happen, we will use our reasonable endeavours to offer a suitable alternative holiday package but, if this is not possible, or if the person chooses not to accept an alternative we are able to offer, we will treat that as a request to remove that person from the booking provided however, that no administrative fee will be charged for such changes.

2. If you require special assistance or care (such as pushing a wheelchair, assistance with dressing or assistance with walking or hearing emergency alarms unaided), you must travel with a companion capable of providing the required assistance or care. Please be aware that APT does not provide personal assistance. APT is unable to assist any passenger with walking, dining, boarding or disembarking any transportation vehicles (including river and ocean cruise ships and trains). To safely participate in embarkation and disembarkation you must be able to do so without the need for special assistance. You must also be able to do so without unreasonably impacting other passengers' safety and/or enjoyment.

3. While APT will make reasonable efforts to accommodate the special needs of disabled passengers or those with reduced mobility which are reported to us after a booking confirmation has been issued, it is not responsible in such circumstances for

any denial of services by any third party entities it has travel arrangements with, such as carriers, hotels, trains, restaurants or other independent suppliers, or for any additional associated expenses charges by those parties.

4. Please note coaches and minibuses are not equipped with wheelchair ramps. Many ships require the use of stairs to go between decks. Further, side by side docking may require passengers to climb and descend stairs to cross over vessels to disembark and embark at times. APT ships occasionally sail through remote areas that do not have convenient docking facilities. In such circumstances it will be necessary for passengers to negotiate temporary gangplanks and uneven surfaces. If the crew decide that it is not safe for a passenger to negotiate such operations they may require passengers to stay on board. Cabin doors and restrooms may not be wide enough to allow access by standard wheelchairs. Wheelchairs and walkers cannot be carried on coaches, due to space limitations. For safety reasons, passengers in wheelchairs cannot be carried on ramps in port where the river ship is at anchor.

Health and Fitness

A good level of health and fitness is required to participate on some of APT's holiday packages. In some destinations, there are extensive sightseeing excursions by foot and which includes climbing of stairs, walking over uneven surfaces and in some cases climbing over rocks and walking through shallow streams. Mobility is needed boarding or alighting coaches, river cruise ships and trains. We recommend a visit to the doctor before travelling and consult with them regarding any vaccinations which may be required. It is your responsibility to advise APT of any pre-existing medical conditions or health and mobility related concerns that may affect the normal conduct of a holiday package and the enjoyment of other passengers. A Health, Fitness & Mobility Questionnaire will be provided and requested to be completed at the time of booking if you advise of any health, fitness or mobility issues.

You will be responsible for ensuring you have obtained all necessary vaccinations for your travel. You will also be responsible for taking any medication you require with you on your holiday, and for checking that you are allowed to take such medication to the places you are visiting and/or for taking any necessary authorisations/certificates. We will not be liable in the event that you are refused entry to any place because you have not complied with local health requirements.

Visa and Passports

All passengers must have a valid passport with at least six months validity from your return date. Passengers must consult with the appropriate consulates to ensure any applicable visas for countries visited have been obtained prior to departure. Passengers are solely responsible for meeting necessary passport and visa entry requirements and paying all associated costs. APT is not responsible for delays or missed portions of the holiday package resulting from incorrect travel documents or visas. APT cannot obtain group visas on your behalf.

Excursions

The timing of the excursions on all holiday packages may differ slightly for each package. Times are a guide only and are subject to change without notice. It is impossible for large coaches to be used for some city sightseeing excursions and many towns and cities will be visited by way of walking tours – some with cobblestone streets or similar depending on destination. For river cruising, clients must be able to climb ramps to embark or disembark river cruise ships. Depending on river levels, these may have a number of steep steps.

Signature Experiences

The Mozart Boys' Choir members do not perform on all departures and may be substituted with an alternative children's choir. The Grand Empress Steam Train is offered on departures from April to September only.

IF YOU WANT TO CHANGE OR CANCEL YOUR HOLIDAY

Changes or Additions to Your Holiday

If you want to change any part of your holiday package after the booking confirmation has been issued, we will do our best to make the change, but it may not be possible. Some arrangements cannot be removed or changed once they have been added to your booking for example transfers or flight options, and any alteration request could incur a cancellation charge of up to 100% of that part of the arrangements. Certain additional services may also be non-refundable.

Any request for changes must be made in writing by the person who made the original booking, or his or her travel agent. If it is possible to make the change, it will be subject to an administration charge of £50 and payment of any further costs incurred as a result of the change. You should be aware that these costs could increase closer to the departure date that changes are made and you should contact us as soon as possible.

When changing your holiday package details, the price of your new travel arrangements will be based on the price that applies on the day you make the change. Where accommodation is priced according to the number of people staying there, and your party size changes, we will recalculate your booking cost based on the new number of people going, and this may increase the cost per person. This extra cost is not a cancellation charge, and it is not normally covered by insurance, however, please check with your insurance provider.

If you are prevented from travelling then you can transfer your booking to another person, provided that the following conditions are met:

- a) You give reasonable notice of your intention to make such a transfer and no later than 7 days from the date of departure;
- b) You authorise the transfer in writing;
- c) The new person accepts the transfer and these Booking Conditions;
- d) That person otherwise complies with these Booking Conditions;
- e) That person has valid holiday insurance.

We reserve the right to charge you any additional fees, charges or other costs arising from the transfer of your booking. We will notify you of such transfer costs in advance of the change taking effect. A new invoice will be issued in the name of the new person. The new person, and you should they fail to pay, will be responsible for the payment of all costs incurred in making the transfer and any balance due. Please bear in mind that certain airlines and other transport providers treat such changes as a cancellation and charge accordingly, and sometimes up to 100% of the cost for that part of the arrangement. Where applicable these charges will be passed on to you.

Cancellation Policy

You, or any member of your party, may cancel your travel

arrangements at any time. Written notification from the person who made the booking or, if applicable, your travel agent must be received by us in writing. The notification must indicate the details of your booking and that you request to cancel it. Once your booking has been cancelled you will receive a cancellation receipt within 14 days. If you do not receive such cancellation receipt, then please contact us as soon as the 14-day period has expired. Since we incur costs in cancelling your travel arrangements, you will have to pay cancellation charges as follows:

Period before departure in which you notify us:	Cancellation charge:
100 days or more	Loss of deposit
99 to 70 days	30% of the holiday cost
69 to 63 days	40% of holiday cost
62 to 33 days	60% of holiday cost
32 to 15 days	90% of holiday cost
14 to 0 days	100% of holiday cost

If the reason for your cancellation is covered under the terms of your insurance policy, you may be able to reclaim these charges.

Where extra facilities or transport options are non-refundable, in part or in full, the cost of these will be added to the cancellation charge you have to pay.

All cancellations must be received in writing by APT and are not effective until this notification has been received. If your holiday has commenced at the time of receiving your notification, 100% of the full holiday package price is charged. There is no refund for unused services or if portions of the holiday package are missed.

Additional cancellation fees may also be charged in respect of accommodation reserved outside the holiday package dates. The cancellation fees are in addition to any fees that may be levied by APT and your travel agent (if any). You acknowledge that the amounts estimated under the Cancellation Policy are reasonable and represent a genuine pre-estimate of APT's loss and otherwise reasonably necessary to protect the legitimate interests of APT. If you request changes after APT has issued your documents, APT may charge you an administration and processing fee of £50 per person in addition to any applicable cancellation fees.

You can cancel your travel arrangements without paying cancellation charges if any of the essential elements of your holiday, other than the price, are significantly changed by unavoidable and extraordinary circumstances. In such circumstances, you will receive a full refund of the holiday price and confirmation that your holiday booking has been terminated.

Cancellation of Airfares

Scheduled airlines normally regard name changes and changes to departure dates as a cancellation and rebooking, which may attract a cancellation fee. Applicable cancellation fees may amount to 100% of the airfare.

ON HOLIDAY

Noise & Vibration

APT takes reasonable steps to minimise noise and vibrations on its river cruise ships. You acknowledge and accept that some noise and vibration may be experienced on vessels and that APT will not be liable to you for any such noise or vibration.

Docking Position

During port stops, river ships may dock side-by-side, obstructing views and requiring you to pass through or over other ships to embark or disembark.

Sun Deck

During passage through locks or under low bridges or in the case of adverse weather, it may be necessary to close the main sun deck for passenger use. In the interest of safety, sun deck closures are rigidly enforced. While circumstances will vary and are beyond control, closures of the main sun deck may amount to 4-6 days on average per 15-day cruise. On Luxury River Ships and Contemporary Class River Ships, the lower sun deck may also close for short periods of time.

Disruption to Cruising and Itinerary Arrangements

Itineraries are intended as a guide only and are subject to alteration without notice. Alternations may be necessary for various reasons including, without limitation, road, river or weather conditions, strikes or other reasons beyond APT's control. If conditions render any routes unsafe for navigation, APT reserves the right to provide alternative services including, but not limited to, accommodation on the docked ship or substitute land arrangements. Under normal river conditions, itineraries will operate as far as possible as detailed on this website. However, sometimes for reasons beyond our control, it may be necessary to make alterations to your itinerary. For example, without limitation, if there is a water level problem on a river or canal, it may be necessary to operate part of the itinerary by coach, alternative sightseeing may be included, and stay overnight in a hotel instead of cruise ship. APT will not be liable for any direct or indirect costs that you incur as a result of any event or other factor beyond our control which necessitates a change in your itinerary. Additionally, you are not entitled to any refund for any alterations to your itinerary that are caused or contributed to by any flood or water level events or such other events which are beyond our control. Where disembarkation is necessary, services such as wi-fi and all-day beverages cannot be provided. Complimentary beverages are guaranteed during evening meals, where dinner is included on itinerary. In addition, if there is a water level problem it may be necessary to operate part of the itinerary by coach. A revised cruising itinerary and sightseeing may be required. APT cannot guarantee exact arrival and departure times for carriers and operators used by APT and APT will not be liable for failure to make connections with any other services or attractions beyond its control.
