The best KEPT SECRET IN RIVER CRUISING

In 2002, two statement ships appeared on the River Danube. Born out of a desire to create a different way to explore, A-ROSA DONNA and A-ROSA BELLA opened the door to casual, carefree cruising through the heart of Europe. Over two decades, we've sought to charter new waters, to pioneer new approaches across everything from flexibility and wellness to sustainability and authenticity.

We've built up an unrivalled knowledge of Europe's rivers, forged deep relationships with the places we visit, and the people we work alongside. We've grown an experienced team, dedicated to making every A-ROSA journey both plain sailing and a joy to experience.

In 2016, we expanded our reach to new shores, redesigning our signature European flavour for English-speaking guests and attracting like-minded,

international travellers from all corners of the world. It makes our on-board atmosphere truly unique, wonderfully cosmopolitan and promises discovery-loving guests a true taste of the rivers we know so well.

But we never stand still. From this year, we've reinvented our flexible, easy-going style. Our much-loved your cruise, your way ethos stays, but it now offers an even greater experience with many more inclusions, even better service with new benefits as standard and even more of your destination with a whole new era of tips and experiences from our tried and trusted experts.

Join us, and discover the more flexible, more relaxed and more beautiful way to explore Europe.

Refreshingly DIFFERENT

UNIQUELY FLEXIBLE, UNIQUELY RELAXED, UNIQUELY A-ROSA

When it comes to choosing a river cruise, it can be hard to discern what makes one line different from the next. On a journey rich in new **destinations, dining and discoveries**, A-ROSA's river cruises all have something reassuringly in common: a relaxed and welcoming atmosphere, an emphasis on independent exploration and a generous Premium All-Inclusive package wrapping up everything from quality drinks to indulgent pampering.

This is cruising differently

OUR STYLE

To us, Premium All-Inclusive means having the perfect amount of everything you want, wrapped up in the flexibility to pick and choose how and when you want it. That means a great choice of casual buffet and a la carte dining, alcoholic and soft drinks from morning until night, and a casual backdrop with no fixed times, table sizes or dress code.

LOCALLY INSPIRED

From favourite regional dishes to perks like included tours complete with a **highlight culinary experience**, we shine a spotlight on the areas we visit like no-one else. Expect local entertainers showcasing live music and traditional dancing and stand-out events like local food and wine tastings.

YOUR DAY, YOUR WAY

We put you in the driving seat when it comes to discovery. With over two decades of experience on Europe's rivers, we've hand-selected superb ports and honed the perfect amount of time in each. Pick the brains of our unique Destination Scouts and explore vibrant cities, charming towns and spectacular natural gems like a local, or opt for a great choice of expert guided excursions.

THE PERFECT BALANCE

There's a saying that life's not about the destination, but the journey. That rings even more true on a river cruise. We perfectly balance time ashore with scenic sailing - there is nothing like relaxing on our spacious sun decks as the ship glides through ever-changing scenery. So, grab a cappuccino or a cocktail, and take it all in...

ALL ABOARD

Our unique all ages welcome ethos carves us out from the crowd. On selected dates, you'll find menus for kids and teens, family-friendly excursions, flexible cabin layouts and kids' clubs with activities like treasure hunts and mocktail-making. All designed to make A-ROSA plain sailing for memorable multi-generational and family holidays.

And relax

Every A-ROSA ship comes complete with its own SPA-ROSA, our unique home of pampering. With a relaxation room, sauna, gym and ahh-inspiring menu of professional treatments, a few hours here is a recipe for total indulgence. You'll find classes like sunrise yoga plus a pool or whirlpool on each ship too.

Europe LIKE NO-ONE ELSE

You can book tours in advance online, or with our friendly on-board excursion experts who can help you make the most of every moment.

EXPLORE ON TWO WHEELS

From the iconic bridge-crossed canals of Amsterdam to the natural surrounds of the Wachau Valley, Europe is a continent aching to be explored on two wheels. At key times during your cruise, enjoy complimentary bike or E-bike hire, and discover hidden routes, bustling boulevards and wide-open scenery at leisure. SPECIAL INTEREST CRUISES

On certain dates, we offer special interest cruises, themed around everything from photography to more mindful pursuits like yoga and meditation.

These journeys promise the same relaxed on-board atmosphere and fascinating ports of call, combined with a programme of expert-led activities and events both on and off-ship. Look out for these itineraries on pages 54-57.

Things just got even easier. We have enhanced our famously friendly, personal service further still with complimentary room service for every cabin grade. Choose from a selection of drinks, snacks and light bites to savour in the comfort of your cabin or suite.

MEET THE CHEF

Oliver Edelmann

Creating our menus doesn't come without planning – or a great deal of passion, all of which is overseen by world class chef, Oliver Edelmann. An aficionado of fine patisserie and a veteran of renowned kitchens from across the globe, Oliver personally trains the chefs across the A-ROSA fleet.

His motto, '**Le produit est le roi**', '**the product is the king**' rolls out in his ethos of sourcing the very best fresh local produce.

"Our goal is to put the region on the plate, to cook fresh and with versatility, to create palate experiences."

Spa & WELLNESS

A NEW WORLD OF RELAXATION

SPA-ROSA

River cruising and relaxation go hand in hand, that's why every A-ROSA ship comes with its own unique hub of wellness, SPA-ROSA.

Featuring a calming relaxation room replete with loungers and river views, the scene is set for serenity from the off. You'll find a robe and slippers in your room allowing complete comfort.

Each SPA-ROSA comes with a sauna, most with a panoramic one-way window so you can admire the passing river views as you sail - a truly unique experience.

If you'd prefer to take the pampering up a notch, our professional spa therapists are on hand with a dreamy list of optional indulgent treatments from innovative massage techniques to the latest in skincare. As a special perk, you'll receive a 15% discount on whichever you choose.

There's a gym close to hand as well, featuring a collection of cardio and strength equipment to keep your fitness routine in shape during your cruise.

You can round things up nicely with a dip. You'll find a pool or whirlpool, or both, on all of our fleet.

SUNRISE YOGA

Picture the scene. The sun is rising above the river landscape, the ship is meandering peacefully through spectacular scenery and you're surrounded by it all on a gentle yoga session. Our tranquil sun deck is the ideal place for a stretch - grab a mat from the gym, and enjoy the moment!

Raising the SPA

Designed FOR EVERYONE

A NEW ADVENTURE

The look on the kids' faces as they kayak through the Ardeche Gorges. The joy as they ride the carousel at the Prater in Vienna. The amazement of being on the sun deck as the ship sails right into the heart of a new city. **River cruising is one big adventure**, and we embrace that with a unique all-ages-welcome ethos that makes discovery-rich tours through Europe child's play.

We're perfect for memorable, insightful family and multi-generational holidays. Here's why...

CHILD-FRIENDLY PERKS

In key school holiday times, our youngest guests can expect an experience tailored to them. Qualified kids' club staff offer a host of fun activities and games around the ship from treasure hunts and crafts to mocktails and pizza making.

Our dining scene gets more playful too with family-friendly dishes served in our signature relaxed, casual style.

Our cabins are equally flexible. With interconnecting options on many ships – and an entire deck dedicated to families on A-ROSA SENA – you can be assured of finding sleeping arrangements to suit you and your brood.

Even better, our generous **kids cruise free policy** means guests 15 and under will sail without charge in selected cabin grades all year round*. Now there's a reason to book early!

*on all ships except A-ROSA ALVA

A-ROSA SENA

We can't talk about families and river cruising without talking about A-ROSA SENA. Designed with younger guests and multi-generational groups in mind from the outset, you can discover her full range of innovative facilities on pages 20 - 23.

MADE FOR INQUISITIVE MINDS

When it comes to itinerary planning, our two decades of experience means we know our stuff. We will deliver you into the heart of a new destination every day, and the choice is yours as to how you explore it. It means **no strict timetables, no rushing, no stress**. Visit fascinating museums, hike, bike, paddle-board, shop. If you'd rather let an expert show you the sights, our wide choice of excursions include ones hand-picked for families – picture time in Disneyland Paris on the Seine or Amsterdam's brilliant zoo on the Northern Rhine. And, if it all sounds a little bit too much like hard work on one day, then the ship is yours to enjoy. Let a waiter bring you a cocktail – or mocktail – and relax in the pool or whirlpool or over a game of minigolf.

Our RIVERS

All our rivers offer a wealth of attractions to keep kids interest piqued. We suggest that the Rhine, Danube, Seine, Rhône and Saône are a great introduction into family river cruising with a mixture of vibrant cities and natural treasures, ripe for exploring. We can tailor-make any ship or sailing date into your perfect family holiday, ask your favourite travel agent to find out more!

HIGHLIGHTS

- **Our youngest guests** love our spacious, sociable sun decks. Our pools or whirlpools are the perfect place for a splash, and the wraparound views make for an epic game of I Spy!
- **Mocktails and more** – kids can choose their perfect tropical tippie mixed by our friendly bar team, and it's always included.
- **Super stress-free** – with central docking locations in many ports, we wrap up easy explorations with no stress, and no packing and unpacking!

Greener, CLEANER RIVER CRUISING

PIONEERING SUSTAINABILITY

We don't just pay lip service to sustainability. As experts in Europe's rivers, we know the great benefits that tourism brings to local economies, but we know the downsides too. That's why we take actions, big and small, to minimise our footprint and maximise what we put back into the places we sail.

Our long-term sustainability strategy is being developed in conjunction with the renowned Fraunhofer Institute for Systems and Innovation Research, and you'll see it roll out across many aspects of life on board our fleet as well as ashore.

EAT LOCAL

Our taste your destination ethos is just that, **locally-inspired cuisine** and flavours from the regions you'll visit.

We're working towards a fresh new dining scene where many of our in-season fruits, vegetables, meat and fish products will be sourced within Europe, including local markets.

It means assured standards, more emphasis on of-the-season cuisine, and more money in the pockets of local economies.

REDUCED EMISSIONS

Our fleet is looking forward. Marine Gas Oil dramatically reduces harmful emissions helping to minimise the impact of our journeys. All our ships are fitted with a shore power connection too, meaning we can rely on electricity, rather than fuel, wherever possible.

Going further, our newest ship, A-ROSA SENA, is **our first with a hybrid engine**. She sails in and out of port under battery power, with no emissions, and almost silently.

TREADING LIGHTLY

We're working hard to eradicate unnecessary waste too. There will be certified natural toiletries in your cabin as well as biodegradable cleaning products on board, and, behind the scenes, a comprehensive concept to minimise food waste.

Responsible tourism

Immersing yourself in your destination is as valuable to your travel experience, as it is to the communities we visit. Our flexible, at-your-own-pace style encapsulates that perfectly. Choose to discover every port at leisure on foot, by public transport or with our complimentary bike or E-bike hire. Tips from our unique Destination Scouts will empower you to get beyond the tourist trail, and into the little-known gems locals know and love.

Opt for one of our excursions and try off-the-beaten-track adventures alongside a wealth of authentic ways to explore including things like shopping with our chefs and meeting local producers.

Our port stays tend to be longer than other river operators too, including overnights. Linger a little longer in a local coffee shop, catch a show at an independent theatre or enjoy dinner out at an authentic restaurant. Not only will these likely be amongst the most memorable moments of your holiday, they help to keep the places we visit vibrant and thriving.

Green AWARD

We're delighted to have scooped a prestigious Green Award for several members of the A-ROSA fleet, including, most recently, a coveted 'gold' level for our new ship, A-ROSA SENA. Green Award seeks to recognise companies making great strides in both safety and environmental protection and is a huge endorsement of our commitment and innovation.

A-ROSA SENA

You can't talk about sustainability on Europe's rivers without talking about our new fleet member, A-ROSA SENA. Designed from the outset to revolutionise environmentally friendly river cruising, she plays host to a wealth of game-changing initiatives. Read more on page 20 - 23.

*Meet the
Extraordinary...*

A - ROSA SENA

WELCOME TO THE NEXT GENERATION

Bold, innovative, ground-breaking. Meet the latest addition to the A-ROSA fleet, one created to change river cruising for good.

Launched in June 2022, A-ROSA SENA features everything that makes a river cruise with A-ROSA so unique, and then some. With an unparalleled focus on sustainability, a wellness scene designed to rival many spa hotels and a multi-generational offering putting river cruises firmly in the frame for all ages, there's nothing else like A-ROSA SENA.

Custom-built to cruise on the Northern Rhine, you can join A-ROSA SENA for a once-in-a-lifetime journey through the vibrant cities and wide-open landscapes of Holland and Belgium. By day, amble from the ship into the heart of European gems like Amsterdam and Rotterdam or relax on board in the heated pool or somnolent spa. By evening, tuck into local cuisine in stylish dining spaces or raise a glass in one of A-ROSA SENA's collection of bars.

We call A-ROSA SENA *our first next generation ship*, and she lives up to that moniker for a roll call of reasons. Designed with sustainability in mind from the outset, she features pioneering eco technology all part of our plan to keep the destinations we love cleaner and greener for the future.

And that's not where our commitment to the future of river cruising ends. A-ROSA SENA takes our all-ages-welcome ethos further than ever with perks like a dedicated kids' club room, generous family cabins sleeping up to 5 and a heated pool lined up especially for children. And while our youngest guests are kept entertained, there's ample facilities for couples, friends and groups to relax and enjoy. It makes A-ROSA SENA the perfect backdrop for memorable family and multi-generational holidays and extra special celebrations.

Changing

RIVER CRUISING FOR GOOD

A FEAST FOR THE SENSES

A-ROSA SENA offers our widest choice of dining options yet. Inspired by the market halls of Europe, A-ROSA MARKET is the go-to for casual buffet dining with a focus on regional specialities. If you'd rather not lift a finger, choose waiter service at our a la carte* SENA GRILL where fresh steaks and seafood are the dish of the day. For al fresco eats in the summer months, go for RIVERSIDE for live-cooked fish pans, mussels and wok dishes.

Drinks-wise, take your pick from our relaxed and stylish SENA BAR or sip your tippie against the ever-changing vistas of CAPTAIN'S VIEW. THE WINERY is the intimate home of wine tastings and the head-turning UP & DOWN BAR on sun deck has been magnificently designed to disappear into deck when we sail under a low bridge.

STANDOUT CABINS

Our cabins are stand-out, quite literally. You'll find your own private patch of step-out balcony space on every cabin grade, except our fabulous family cabins. Inside they're pretty slick too. Picture luxury hotel style furnishings, plenty of space, chic en suites and perks like free room service. Handy for that aperitif as you're watching the views go by!

BALCONY CABINS

Our light-filled balcony cabins are the perfect haven for relaxing on the river. Complete with a balcony with table and chairs, these stylish 21sqm spaces are located across decks 2 and 3. Travelling with friends or family? Selected cabins interconnect making flexible sleeping arrangements a doddle.

FAMILY CABINS

A first on a European river ship, A-ROSA SENA's dedicated 28sqm family hideouts sleep up to 5. Located in a special family area of the ship, these unique cabins offer full-length bunks, a sofa bed, plenty of storage, a play area for younger kids complete with age-appropriate toys and handy perks like a separate shower and toilet to maximise usable space.

RESORT-STYLE SUN DECK

Life is best on the sun deck. A-ROSA SENA's huge sun deck offers up an incredible amount of space to unwind, indulge and play. You can expect comfortable loungers and plenty of seating for enjoying glorious river views. There's also two heated pools shaded by awnings, one with splash-tastic water cannons reserved just for kids. The sun deck is home to the UP & DOWN BAR for a range of refreshing drinks, plus an activity area for games and fun.

SUSTAINABILITY FIRST

A-ROSA SENA has heaps of innovative eco tech including a hybrid propulsion system so she can sail in and out of ports at battery power with no emissions, and almost no sound. On board, you'll see our sustainability commitment in everything from the greener products in our spa to the dining scene where selected local, seasonal and organic dishes are stars of the show.

FUN & GAMES

New and exclusive to A-ROSA SENA, our kids' club, Treasure Island is the place for our youngest pirates and buccaneers to enjoy games, crafts and activities year-round, and without minimum numbers. Located in the ship's family zone, this castaway spot features a mini climbing wall, slide and oodles of fun for kids from tots to teens.

Chill time

Our signature **SPA-ROSA** is bigger and better than ever. Expect a Finnish sauna, jacuzzi, treatment rooms and even an ice grotto with ice fountain. An expanded gym offers up premium machines with smart tech, plus space for group sessions. Refuel at the self-service bar or choose to snuggle up in the relaxation room with comfy loungers and a fireplace.

*Additional surcharge.

River Rhine

Explore the Legendary Rhine, Main and Moselle

The River Rhine is a story of two halves. As you wind north from Cologne, expect vibrant cities like Amsterdam and Antwerp rubbing shoulders with wide-open landscapes in the lowlands of Holland and Belgium. Meander in the other direction, and castles crowning rolling hillsides invite you to something a little more fairy tale. Stick with the Rhine all the way south and watch as Germany becomes France and Switzerland, or mosey off onto

the Moselle and dip into a wine-lovers paradise with a rich Roman history. The Main links the mighty Rhine with the legendary 'Blue' Danube, and offers up a slice of authentic German charm with pastel-painted medieval towns and legendary hearty cuisines and beers. As beautiful in the full bloom of spring as it is wrapped up for Christmas, this fabled route offers something unique whether you're discovering it for the first, or the 31st time.

Rhine highlights

STANDOUT REASONS TO CHOOSE THE RHINE

- Travel between the end of March and mid-May and visit Holland's Keukenhof on our **Rhine Discovery** cruise. 'The most beautiful spring garden in the world' is an easy train ride from Amsterdam and a real experience!
- Visit in December to see Germany do what it does best – Christmas markets! Our **Rhine mini-cruises** visit pretty cities and charming towns filled with twinkling, glühwein-scented stalls.
- Sail silently and emission-free from the **Northern Rhine's** ports on the brand new A-ROSA SENA, our hybrid ship and 'the most climate-friendly on Europe's rivers'.

Our Favourite Excursions

Explore each port flexibly at your own pace or opt for an excursion with an expert guide. We offer a wide choice of great value options, whether you fancy something active, cultural, gourmet or out of the ordinary!

AMSTERDAM, NORTHERN RHINE

The sights of **Amsterdam** are best explored from the canals – as you'll quickly discover on this unique pedal boat experience. You and up to three others can leisurely **pedal your way through the Canal Ring**, cruising under romantic tulip-topped bridges and past the city's charmingly crooked Golden Age houses.

BERNKASTEL-KUES, MOSELLE

Take a **private wine-hike through the vineyards of Bernkastel-Kues** with one of our guides. The verdant river valley here is lined with row upon row of grapevines making for an enjoyable walk with panoramic views across the Moselle. We'll visit the oldest castle remains on the river, plus enjoy a tasting of the area's delicious wines.

TRIER, MOSELLE

No, you haven't woken up in Italy. The ancient German city of Trier is a magnificent treasure trove of sights which you can discover on our morning tour, **The Roman City Trier**. Our guide will show you the amphitheatre, the ruins of Barbara thermal baths, the throne room of Emperor Constantine the Great before finishing up at the magnificent UNESCO World Heritage Site, Porta Nigra.

French Rivers

Indulge yourself in France

Leisurely, beautiful, indulgent. The very thought of France conjures up evocative images of pleasure and the inimitable joie de vivre. From the dramatic chalk cliffs and characterful port towns of the north to the lavender-scented countryside and honey-hued villages of the south, a journey on the French rivers is the perfect way to immerse yourself in this sensory feast of a country. And you can't talk about France without talking about

gastronomy. A dream for foodies and oenophiles, each regional pocket of the country is a store cupboard of spectacular local cuisine aching to be tried in quaint bistros, sweet-smelling bakeries and behind vineyard-framed cellar doors. On the Seine, an overnight in the City of Light, Paris, will be a highlight. On the Rhône and Saône, palate-pleasing Lyon and remarkable Avignon, home to the outstanding Palais des Papes, will jostle for position as your favourite city.

River Douro

Portugal's River of Gold

Mother Nature had a field day when she created the Douro. Lush valleys give way to the languid curves of the shimmering river, served, much of the year, against a backdrop of cloudless blue skies. This is a region formidable for its excellent local produce and steadfast traditions. Here tiny, sleepy villages peek proudly over row upon row of terraced vineyards and fishing boats bob in harbours with their fresh catch of the day. Porto and Salamanca bookend the experience perfectly. Beginning and

ending in vibrant Porto with its colourful jumble of merchants houses and churches spilling down the hillside to the Atlantic, you'll find an intoxicating mixture of culture, charm and vim. In Salamanca, meanwhile, just over the border in Spain, expect to see 'The Golden City' come to life as the magnificent sandstone-hewn buildings turn pinky-gold as the sun moves across the sky. Prepare to be swept off your feet by the Douro...

Douro highlights

STANDOUT REASONS TO CHOOSE THE DOURO

- September and October are primetime for wine-lovers to visit the Douro Valley. Enjoy a visit to a typical local quinta for the **grape harvest**. Roll up your sleeves (and trouser legs!) and crush the produce - all accompanied by plenty of music, regional treats and, of course, wine.
- The sleepy Douro Valley has famously clear skies making nights under the stars on our sun deck even more appealing. Barca d'Alva is a particular highlight: our cruises overnight in this tranquil town for **star-spotting** at its best.
- Foodie? Local produce is a big deal here. Our one-off Douro Gourmet cruises offer tastings, workshops, exclusive **gourmet-themed excursions** and **mouth-watering menus** prepared by award-winning chefs.

Our Favourite Excursions

Explore each port flexibly at your own pace or opt for an excursion with an expert guide. We offer a wide choice of great value options, whether you fancy something active, cultural, gourmet or out of the ordinary!

LAMEGO

Feeling energetic? The famous 686 steps to one of Portugal's most important pilgrimage sites, the **Santuário de Nossa Senhora dos Remédios** in Lamego is a must. You'll find a baroque church with its two towers, built in the 18th century and adorned with beautiful blue and white azulejos.

SALAMANCA

Take a journey into history in **Salamanca**. Home to one of Europe's oldest universities, a monumental cathedral and the spectacular Plaza Mayor, pegged as one of the most beautiful central plazas in all of Spain, this mesmerising city comes into its own as the sun begins to set.

QUINTA DA ROEDA

Enjoy a typical **port wine tasting** by supremos Croft at the Quinta da Roeda. Bask in views across the valley as you enjoy a tour of the estate followed by a glass of the vineyard's signature Pink Port. Even better, this experience is included on all our Douro cruises!

FAMILY CRUISES/CHILDCARE

A-ROSA offers family cruises with childcare on selected routes and dates. On the A-ROSA SENA the A-ROSA Kids Club is located on deck 1, where childcare is provided all season. If you are interested, please call our A-ROSA Service Centre +49 (0)381 202 6001. For more information, please visit our website www.arosa-cruises.com/kids.

FOOD

It is not permitted to bring any food on board upon embarkation or at any time during the cruise.

GUESTS WITH DISABILITIES OR LIMITED MOBILITY

Some ships are equipped only with stairs, which may restrict mobility. The A-ROSA SENA and A-ROSA ALVA have a lift so that deck 1 to 4 (A-ROSA SENA) or deck 1 to 3 (A-ROSA ALVA) can be reached without much difficulty. However, the sun deck can only be accessed via stairs. For individual advice, please call the A-ROSA Service Centre +49 (0)381 202 6001.

HAIRDRYERS

You will find a hairdryer in your cabin (not in the bathroom) in a drawer near the mirror or in the wardrobe. In suites, the hairdryer can also be found in the bathroom.

INSECT SCREENS

For protection against insects, an insect screen in the form of a roller blind/sliding element is usually attached to the outside of the balcony door. When operating the roller blind, please ensure that force is distributed equally to prevent it from getting stuck. The lock is located at the bottom or, in the case of sliding windows, on the side.

INTERNET

Guests can access the Internet using Wi-Fi on board the A-ROSA ships. Please take into account that some parts of the cruise may have weaker connections to the Internet. You can get more information on availability, terms of usage and charges at reception. Use of internet connections under the valid terms of usage is free of charge for guests with the "Premium all inclusive" rate.

KEY CARD

This card is your A-ROSA key and credit card. Please always carry your key card with you. In case of loss, please notify reception immediately.

LAUNDRY

Your laundry can be washed on board. This will be charged to your onboard account. Suite guests may enjoy the laundry service free of charge.

USEFUL INFORMATION

LIBRARY AND BOARD GAMES

You will find a small library near reception or the Shore Excursion Desk. A selection of board games can be found in the café/restaurant or in the day lounge (on the A-ROSA SENA in the connect lounge).

LIFE JACKETS

In case of emergencies, life jackets are located inside your wardrobe.

MAIL

Postcards and letters can be handed in at reception. The mail will be sent from the next port or at the end of the cruise.

METHODS OF PAYMENT

The currency used on board is the Euro. During the cruise, you can use your onboard credit card on the ship, which also functions as your cabin key card. At the end of the cruise, you have the chance to settle your tab in cash, with your debit card (except on the A-ROSA ALVA) or with one of the following credit cards: American Express, Mastercard or Visa.

For technical reasons, it is unfortunately not possible for you to pay with Geldkarte or Travelers Cheque Card. When paying by credit card or EC/Maestro card, you need your PIN code.

ONBOARD LANGUAGE

The languages onboard are English and German. All information, such as the daily programmes, notices and menus, etc., are available in both languages.

PHYSICIAN

A physician is available on board on every route to the Danube Delta or through the cataracts. On all other routes, emergency care is ensured by the infrastructure of the navigated area. If you need medical care, please contact reception or your hotel manager.

RECEPTION

Reception is open 24 hours and staff are happy to attend to your queries and requests. Occasionally there may be short waiting times when our staff are on a safety check walk.

RESTAURANT

There are no assigned tables and mealtimes can be found in the daily programme or in the A-ROSA app.

SAFE

You will find a safe installed in your cabin's wardrobe where you can store your personal valuables.

SECURITY

We ask you to pay attention to and follow all safety instructions in the form of signs and announcements and the safety video onboard. The safety briefing required for all passengers will take place onboard on the day of embarkation.

SHIP BERTH

Due to heavy river traffic, it is usual for port authorities to assign the same berth to multiple ships. In such cases, the ships are moored next to each other, and you may not be able to see out of your cabin properly. Unfortunately, A-ROSA has no control over this situation.

SHOP

Here you will find selections from our exclusive A-ROSA collection, a jewellery collection, a selection of perfumes, and everyday items, as well as souvenirs. The opening hours can be found in the info channel or in the A-ROSA app.

SHORE LEAVE TIMES

In the EU, you can leave the ship as soon as we dock. In non-EU countries, you can only leave the ship after permission is granted by the local authorities. In your own interest, we ask you to be back on board no later than 30 minutes before we cast off. The docking times may change at short notice. Please pay attention to announcements and information on the info channel. Please make sure to pick up your shore pass from reception before going on shore. After returning on board, please hand the pass back to reception. The shore passes are used to verify that all guests are back on board.

SMOKING

Smoking is only permitted on the outdoor decks. Please do not throw any cigarette butts overboard; instead use the receptacles provided. Smoking is strictly forbidden indoors, in the cabins and suites as well as on the balconies. Please note that smoking is forbidden in the locks and during the refueling process.

SOCKETS/POWER SUPPLY

Onboard voltage is 220V/50Hz. There is a reversible 220/110v socket in the bathroom for electric razors and toothbrushes; it is not suitable for other electric devices. There are multiple (220v) sockets available in the cabins.

SPA-ROSA

Here you will find exercise equipment, massage cabins and a relaxation area as well as the following saunas:

- A-ROSA BELLA/DONNA/MIA: Organic and Finnish sauna
- A-ROSA ALVA/RIVA: Finnish sauna
- A-ROSA SENA: Finnish sauna and ice grotto
- A-ROSA LUNA/STELLA: Steam and Finnish sauna
- A-ROSA AQUA/BRAVA/FLORA/SILVA/VIVA: Adjustable sanarium

SUN DECK

When passing under low bridges, depending on the water level, you may sometimes be required to leave the sun deck for safety reasons. Please pay attention to the crew announcements and the information signs.

SWIMMING POOL

You will find a heatable swimming pool on the sun deck on the following ships: A-ROSA ALVA, BELLA, DONNA, FLORA, LUNA, MIA, RIVA, SENA (with a separate shallow pool), SILVA and STELLA. A heatable whirlpool is available on the A-ROSA AQUA, BRAVA and VIVA in the outdoor area of the SPA-ROSA on deck 3, and on the A-ROSA SENA in the spa area on deck 1. Bath towels can be found in your cabin.

TELEPHONE

All of the ships of the A-ROSA fleet are equipped with an up-to-date GSM telephone system, with which you can dial any number, anywhere in the world. Information about the applicable charges can be obtained from reception or information available in your cabin.

TIPPING

Our crew are passionate about their jobs and aim to provide every guest an unforgettable holiday experience. If you are satisfied, our crew is happy to accept a tip as recognition of their service. Most guests honour their efforts with €5–10 per guest per day. A tip box for the entire crew will be available at reception at the end of the cruise. Of course, you are free to give employees individual tips at any time. You may also give tips using your onboard account or at reception with your credit card.

TOILETS

Our ships are equipped with an up-to-date vacuum toilet system and a biological waste-processing system. Do not throw any items (including feminine hygiene products) into the toilet, as this can lead to the failure of the entire system.

TV CHANNELS

TV reception is via satellite. On the A-ROSA ALVA and SENA, we also offer a video-on-demand service. While passing through locks and on certain parts of the journey, you may experience interference with the reception. There is a selection of international channels available.

WAKE-UP CALLS

Please contact reception if you wish to receive a wake-up call.

GENERAL TERMS AND CONDITIONS

A-ROSA PACKAGES

Please read these Booking Conditions carefully as they set out our respective rights and obligations and all A-ROSA Packages bookings are accepted by us subject to these Booking Conditions. You should ask your booking agent for further clarification if anything is unclear.

BOOKING CONDITIONS – A-ROSA PACKAGES

'We', 'Us', 'Our', 'Aviate', means Aviate Management Limited, trading as A-ROSA Packages, of World House, Lloyd Drive, Cheshire Oaks Business Park, Cheshire, CH65 9HQ a company registered in England and Wales under company number 6745115. 'Agency' means the agent through whom your booking with Aviate is made. References to 'you' and 'your' include the first named person on the booking and all persons on whose behalf a booking is made or any other person to whom a booking is added or transferred.

Please read these Booking Conditions carefully as they set out our respective rights and obligations and all A-ROSA Packages bookings are accepted by us subject to these Booking Conditions. You should ask your booking agent for further clarification if anything is unclear. Our obligations to you will vary depending upon whether we act as a package organiser in the sale of a Package Holiday as defined in Section B clause 18 below; or as an agent for a single element booking (Cruise only). Our differing obligations are set out below, in three separate sections:

Section A contains the conditions which will apply to all bookings. Section B contains the conditions which will apply when you make a booking with us where we act as the package organiser.

Section C contains the conditions which will apply where you make a single element booking (Cruise only) with us, where we are acting as an agent on behalf of a supplier.

SECTION A – APPLICABLE TO ALL A-ROSA PACKAGES BOOKINGS

Booking

When you make a booking, you confirm that you have the authority to accept and do accept these conditions on your behalf and on behalf of all members of your party and further, that you are responsible for all payments due from every member of your party. It is your responsibility to ensure that any information which you give us is accurate and that information which is given to you by us or any of our suppliers is passed on to all members of your party.

By making a booking, you agree on behalf of all persons detailed on the booking that:

You have read these Booking Conditions and have the authority to and agree to be bound by them;

You are over 18 years of age and where placing an order for services with age restrictions declare that all members of the party are of the appropriate age to purchase those services. When you make your booking, you must pay the relevant deposit as specified at the time of booking. No contract will come into existence until we accept your booking and we receive your deposit (or full payment) in cleared funds and we issue you with a confirmation invoice either on behalf of ourselves, Aviate, or the supplier. Please check that all names, dates, timings and information are correct on receipt of all documents and advise your Agency of any errors immediately, as changes cannot be made later and it may harm your rights if we are not notified of any inaccuracies immediately. Please ensure that the names given are the same as the passport. The booking information that you provide to us will be passed on only to the relevant suppliers of your travel arrangements or other persons necessary for the provision of your travel. The information may therefore be provided to public authorities such as customs or immigration. This applies to any sensitive information that you give to us such as details of any disabilities, or dietary and religious requirements. Certain information may also be passed on to security or credit checking companies.

COVID-19 (OR FUTURE VARIANTS OF) FCDO ADVICE

Please note that the Foreign, Commonwealth & Development Office (FCDO) currently advises against all but essential travel to a number of overseas destinations. However, many of these destinations remain open and welcoming to UK tourists and flights to and from these destinations continue to operate. If you book a holiday with us, you confirm that you have checked, at the time of booking that you understand and accept the FCDO travel advice relating to your chosen destination, including where there may be a requirement on you to quarantine upon your return to the UK (or in destination), and understand and accept that there is a heightened risk of travelling during the Covid19 pandemic, beyond that associated with travel during ordinary times.

Cancellation – the following clauses are in addition to our standard cancellation terms and charges:

Where you are choosing to book or travel to a destination which at the time of booking is subject to an FCDO advisory against non-essential travel, you accept that once your booking has been confirmed, if you decide not to travel due to the FCDO advisory, you will have to pay our standard cancellation charges as shown elsewhere in these booking conditions – you are not entitled to cancel and receive a full refund in these circumstances, as it is assumed and you confirm that at the time you made your booking, you had full knowledge of the FCDO advisory against non-essential travel. If you choose to no longer travel in these circumstances, you will have to pay our standard cancellation charges, as you made your booking with full knowledge of the risks of travelling. Please note that we will have no liability for any refunds, compensation, costs, expenses or other losses of any kind incurred by you (including, where applicable, the cost of medical treatment), in the following circumstances:

(A) If you, or anyone in your booking party, test positive for Covid-19, or are notified or otherwise become aware that you have, or suspect you may have, come into close contact with someone who has tested positive for Covid-19 (or where they otherwise suspect they may have Covid-19) and have to self-isolate for a period of time within 14 days of your departure date, you must contact us immediately, as you may no longer be able to travel. We will offer you the following options where possible and subject to availability:

Postponing your holiday to a later date. We will notify you of any impact on the price the postponement may have (please note that you may have to pay full cancellation charges on some elements of your original booking, such as the flight, as well as any increase in cost imposed by suppliers)

If not everyone on the booking is affected, you will have the right to transfer your place on the holiday to another person nominated by you, subject always to compliance with the requirements within our

booking conditions; Please note that in respect to flights, name changes are generally not permitted and new flights may need to be purchased at a cost to yourself.

Cancelling your booking, in which case we will impose our standard cancellation charges as at the date of cancellation by you. You may be able to claim these costs back from your travel insurance – please check your policy wording.

If this happens whilst you are on your holiday, please notify us immediately and we will provide such reasonable assistance as we can in the circumstances. However, we will not be responsible for covering the cost of any curtailment of your holiday, missed transport arrangements (including additional costs for flights home), additional accommodation required, or other associated costs incurred by you. Your travel insurance may cover some of these costs for you – please check the policy wording.

(B) You fail any tests, checks or other measures imposed by a supplier, airline, port or airport, border control authority or other government body or local authority or fail to submit for testing or assessment when requested to do so, and as such you are denied boarding, entry to the destination, access to the travel services or you are otherwise unable to proceed with your holiday, or any part of the holiday, or you are required to self-isolate within the destination. Your travel insurance may cover some of these costs for you – please check the policy wording.

(C) You acknowledge that the suppliers providing your holiday will need to comply with national and/or local guidance and requirements relating to Covid-19 and have implemented certain measures as a result. This will likely include specific requirements regarding personal protective equipment, such as use of face-masks by staff (and you may be required to wear a facemask as well), social distancing, maximum number restrictions on the use of certain facilities, designated alternative entrance and exit routes, mandatory hand sanitisation, limited entertainment options and limited food/drink availability and temperature testing. It may be likely that these measures will have an impact on your enjoyment of your holiday, all measures will be taken with the purpose of securing your safety and those around you.

No compensation can be offered should these measures impact on your holiday.

Payment

You will be required to pay a deposit or make full payment for your booking at the time of booking. In some cases, should a supplier require early payment then we may require an interim deposit of an amount determined at the time. Where you pay a deposit and/or interim deposit, you must pay the full balance by the balance due date notified to you. If full payment is not received by the balance due date, the booking will be cancelled and you will be subject to the cancellation charges as set out in Sections B or C below, as applicable.

Accuracy

We endeavour to ensure that all the information and prices both on our website and in our marketing material are accurate; however, occasionally changes and errors occur and we reserve the right to correct prices and other details in such circumstances. You must check the current price and all other details relating to the arrangements that you wish to book before your booking is confirmed.

Groups

Please refer to the specific Group Terms and Conditions given to you when making a booking. These are applicable in addition to these general Booking Conditions.

Conditions of Suppliers

The cruise is provided by A-ROSA Cruises. It is important you are aware of A-ROSA Cruise's general Terms and conditions which are found here <https://www.arosa-cruises.com/river-cruises/company/general-terms-conditions.html>

All of the other services which make up your travel are provided by independent suppliers. Those suppliers provide these services in accordance with their own terms and conditions which will form part of your contract with us. Some of these terms and conditions may limit or exclude the supplier's liability to you, usually in accordance with applicable International Conventions. Copies of these terms and conditions are available on request from us or the supplier concerned.

Accommodation Ratings and Standards

Where applicable, accommodation ratings are displayed as provided by the supplier. These are intended to give a guide to the services and facilities you should expect from your accommodation. Standards and ratings may vary between countries, as well as between suppliers. We cannot guarantee the accuracy of any ratings given and no warranty is given or implied. Safety standards in some countries may differ from those applicable in the United Kingdom. We strongly advise that all customers seek to minimise their exposure to injury by familiarising themselves with relevant safety information.

Flights

In accordance with EU Directive (EC) No 2111/2005 Article 9, we are required to bring to your attention the existence of a "Community list" which contains details of air carriers that are subject to an operating ban with the EU Community. The Community list is available for inspection at https://ec.europa.eu/transport/modes/air/safety/airban_en In accordance with EU Regulations we are required to advise you of the carrier(s) (or, if the carrier(s) is not known, the likely carrier(s)) that will operate your flight(s) at the time of booking. Where we are only able to inform you of the likely carrier(s) at the time of booking, we shall inform you of the identity of the actual carrier(s) after we become aware of this. Under EU Law, you have rights in some circumstances to refunds and/or compensation from the airline in cases of denied boarding, cancellation or delay to flights. Full details of these rights will be publicised at EU airports and will also be available from airlines. Reimbursement in such cases is the responsibility of the airline and will not automatically entitle you to a refund from us. If your itinerary includes flights on more than one airline, we recommend you check the individual conditions of carriage for each carrier.

Insurance

Adequate travel insurance is a condition of booking with us. You must take out a policy of insurance to cover you and your party against the cost of cancellation by you; the cost of assistance (including repatriation) in the event of accident or illness; loss of baggage and money; and other expenses. Failure to disclose relevant information will affect your insurance. We advise you to purchase a specialist travel insurance policy which includes specific cover for Covid-19 related issues and incidents which may affect your travel arrangements (and travelling to a destination subject to a FCDO advisory against travel). It remains your responsibility to read and understand

the insurance policy and ensure that it is suitable and adequate for your particular needs. If you choose to travel without adequate insurance cover, we will not be liable for any losses suffered by you.

Passports, Visas and Health

We can provide general information about the passport and visa requirements for your trip, but this is for guidance only and it remains your responsibility to check the requirements before you travel. Your specific passport and visa requirements, and other immigration requirements, are your responsibility and you should confirm these with the relevant Embassies and/or Consulates prior to travel. Neither we nor the supplier accept any responsibility if you cannot travel because you have not complied with any passport, visa or immigration requirements. We can provide general information about any health formalities required for your trip but you should check with your own doctor for your specific circumstances. Up to date travel advice can be obtained from the Foreign and Commonwealth Office, visit www.fco.gov.uk.

Fitness to Travel and Medical Conditions

If you or any member of your party has any disability or medical condition which may affect your arrangements, please provide us with full details so that we can advise as to the suitability of the chosen arrangements. In any event, we must be given full details in writing at the time of booking. If we / the airline / other supplier reasonably feel unable to properly accommodate the particular needs of the person concerned, we reserve the right to decline the booking or, if full details are not given at the time of booking, cancel when we become aware of these details.

Special Requests

If you have any special request, including but not limited to: seat and meal requests, cabin type, airport assistance or other general requests, you must advise us at the time of booking. Although we will endeavour to pass any reasonable requests on to A-ROSA Cruises or relevant supplier as applicable, we regret we cannot guarantee any request will be met. Failure to meet any special request will not otherwise be a breach of contract. Confirmation that a special request has been noted or passed on or the inclusion of the special request on your confirmation invoice or any other documentation is not confirmation that the request will be met. Unless and until specifically confirmed, all special requests are subject to availability.

Behaviour

Please be aware that the booking conditions of the supplier will normally state that your holiday arrangements can be terminated, with no refund, if the behaviour of your party falls below an acceptable standard. Suppliers will also often require you to pay for any damage you cause to the accommodation or services in resort. We are under no obligation to you if any event such as this occurs. You agree to indemnify us for the full amount of any claim (including all legal costs) made against us by the supplier or any third party as a result of your conduct.

Financial Protection

In relation to flight inclusive Package Holidays sold by us, the Package Travel and Linked Travel Arrangements Regulations 2018 require us to provide security for the monies that you pay and for repatriation in the event of our insolvency. We provide this security by way of our Air Travel Organiser's Licence number 10232 issued by the Civil Aviation Authority, Gatwick Airport South, West Sussex, RH6 0YR UK, telephone 03331036350, email claims@caa.co.uk. When you buy an ATOL protected flight or flight inclusive Package Holiday from us you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong. We, or the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with the services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and under your contract, you agree to pay any money outstanding to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable). If we, or the suppliers identified on your ATOL certificate, are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the nonprovision of the services, including any claim against us, or your credit card issuer where applicable. You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

The price of your Package Holiday includes £2.50 per person as part of the ATOL Protection Contribution (APC). This charge is included in the quoted price, taken in addition to your deposit at the time of booking and shown on your confirmation invoice. If you book arrangements other than an ATOL protected Package from us, the financial protection outlined above will not apply. Please ask us for further details.

ABTA Membership

We are a Member of ABTA, membership number Y6301. We are obliged to maintain a high standard of service to you by ABTA's Code of Conduct. We can also offer you ABTA's scheme for the resolution of disputes which is approved by the Chartered Trading Standards Institute. If we can't resolve your complaint, go to www.abta.com to use ABTA's simple procedure. Further information on the Code and ABTA's assistance in resolving disputes can be found on www.abta.com. You can also access the European Commission Online Dispute Resolution (ODR) platform at <http://ec.europa.eu/consumers/odr/>. This ODR platform is a means of registering your complaint with us; it will not determine how your complaint should be resolved.

Force Majeure

Except where otherwise expressly stated in these booking conditions we will not be liable or pay you compensation if our contractual obligations to you are affected by any event which we or the supplier of the service in question could not, even with all due care, foresee or avoid. These events can include, but are not limited to war, threat of war, civil strife, terrorist activity and its consequences or the threat of such activity, riot, the act of any government or other national or local authority, industrial dispute, natural or nuclear disaster, fire, chemical or biological disaster and all similar events outside our control or the control of the supplier concerned.

GENERAL TERMS AND CONDITIONS

Law and Jurisdiction

These terms and conditions are governed by English law and any dispute arising between the parties is subject to the exclusive jurisdiction of the courts of England and Wales. You may however choose the law and jurisdiction of Scotland or Northern Ireland if you live there and wish to do so.

Data Protection and Privacy

Please see the data protection and privacy policy on our website <https://www.aviateworld.com/privacy> for full information regarding the way in which we use and store your personal data.

SECTION B: A-ROSA PACKAGE HOLIDAY BOOKINGS

This section only applies to Package Holidays booked with us as Organiser. Please read this section in conjunction with Section A of these Booking Conditions.

Definition of Package

A "Package Holiday" exists if you book a pre-arranged combination of at least two of the following components when sold or offered for sale at an inclusive price and when the service covers a period of more than twenty-four hours or includes a cruise, overnight accommodation: (a) transport; (b) accommodation; (c) other tourist services not ancillary to transport or accommodation and accounting for a significant proportion of the Package Holiday. Where you have booked a Package Holiday with us, we will accept responsibility for it in accordance with these Booking Conditions as an "Organiser" under the Package Travel and Arrangements Regulations 2018. Flight inclusive Package Holidays will include ATOL protection. You will receive an ATOL Certificate which lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong.

Pricing

When you book a Package Holiday with us, you must pay either a deposit, or the full balance of the total advertised price if booking within 13 weeks / 90 days of departure. Where you pay only a deposit at the time of booking, full payment is due no later than 13 weeks / 90 days prior to departure. Occasionally some of the Package Holidays we offer are based on promotional fares or include special offers at hotels where it is necessary to issue the air tickets or pay the hotel special offer in part or in full at the time of booking, and where those suppliers concerned have booking conditions different to ours. In these circumstances the deposit payment will be the selling value of the air tickets issued and/or the pre-payment amount required for the special offer. If this applies to your booking you will be advised at the time you are quoted what the variable deposit will be for your booking. The deposit will be non-refundable in the event of cancellation. We reserve the right to amend the price of unsold holidays at any time and correct errors in the prices of confirmed holidays. The price of your confirmed Package Holiday is subject at all times to changes in transport costs such as fuel, and any other airline cost changes which are part of our contracts with airlines (and their agents), operators and any other transport provider; and to changes in the currency exchange used to calculate your arrangements and to rates, duties, taxes or fees chargeable for services such as landing taxes or embarkation or disembarkation fees at ports and airports any or all of which may result in a variation of your holiday price. We will absorb and you will not be charged for any increase equivalent to 2% of the price of your travel arrangements, which excludes insurance premiums and any amendment charges and/or additional services or travel arrangements. You will be charged for the amount over and above that, plus any applicable administration charges together with any amounts to cover agents' commission. If this means that you have to pay an increase of more than 8% of the price of your confirmed travel arrangements (excluding any insurance premiums, amendment charges and/or additional services or travel arrangements), you will have the option of accepting a change to another holiday if we are able to offer one (if this is of equivalent or higher quality you will not have to pay more but if it is of lower quality you will be refunded the difference in price), or cancelling and receiving a full refund of all monies paid to us, except for any insurance premiums and any amendment charges and/or additional services or travel arrangements. Should you decide to cancel for this reason, you must exercise your right to do so within 14 days from the issue date printed on your final invoice. There will be no change made to the price of your confirmed holiday within 20 days of your departure nor will refunds be paid during this period. We will consider an appropriate refund of insurance premiums paid if you can show that you are unable to transfer or reuse your policy. Should the price of your holiday go down due to the changes mentioned above, by more than 2% of your confirmed holiday cost, then any refund due will be paid to you. However, please note that travel arrangements are not always purchased in local currency and some apparent changes have no impact on the price of your travel due to contractual and other protection in place.

Changes by You

If you wish to change any part of your Package Holiday after our confirmation invoice has been issued, you must inform us in writing as soon as possible. This should be done by the first named person on the booking, which in most circumstances will be you. Whilst we will do our best to assist, we cannot guarantee that we will be able to meet your requested change.

Where we can meet a request, all changes will be subject to payment of an administration fee of £75 per person per change as well as any applicable rate changes or extra costs incurred as well as any costs incurred by ourselves and any costs or charges incurred or imposed by any of our suppliers. You should be aware that these costs could increase the closer to the departure date that changes are made and you should contact us as soon as possible. Where we are unable to assist you and you do not wish to proceed with the original booking we will treat this as a cancellation by you. A cancellation fee may be payable. You may transfer your Package to a person satisfying all the conditions of the travel arrangements (the transferee) on the condition that we are notified in writing no less than 7 days prior to the start of the Package. Both you and the Transferee will be jointly and severally responsible for the costs we incur in arranging the transfer. Note: Certain arrangements may not be amended after they have been confirmed and any alteration could incur a cancellation charge of up to 100% of that part of the arrangements. Please refer to section 2 for further terms and conditions regarding Covid-19

If You Cancel

If you or any other member of your party decides to cancel your confirmed Package Holiday you must notify us in writing. Your notice of

cancellation will only take effect when it is received in writing by us at our offices or by email (when you receive an email response confirmation from us). Since we incur costs in cancelling your arrangements, you will have to pay the applicable cancellation charges up to the maximum shown in the table below (the cancellation charge detailed is calculated on the basis of the total cost payable by the person cancelling, excluding insurance premiums and amendment charges which are not refundable in the event of the person to whom they apply cancelling). Period before departure within which notice of Cancellation by you is received:

Amount of cancellation charge:

Up to 90 days prior to departure - Loss of full deposit

41 to 69 days - Loss of deposit or 75% of package price, whichever is greater

40 days or less - 100% of Total Fare

*Please note that certain arrangements, particularly flights, may not be amended after they have been confirmed and any alteration or cancellation could incur a cancellation charge of up to 100% of that part of the arrangements, in addition to the charge above.

Note: If the reason for your cancellation is covered under the terms of your insurance policy, you may be able to reclaim these charges from your insurance provider. In the event of circumstances both unavoidable and extraordinary occurring at or in the vicinity of your destination which would lead to significant alteration to the package so as to justify cancellation, you may do so without paying termination fee. Please note there will be no entitlement to compensation in such circumstances. Please refer to section 2 for further terms and conditions regarding Covid-19

If We Make a Change or Cancel Your Package Holiday

As we plan your holiday arrangements many months in advance we may occasionally have to make changes or cancel your booking and we reserve the right to do so at any time. However, we will not cancel your travel arrangements less than 70 days before your departure date, except for unavoidable and extraordinary reasons or failure by you to pay the final balance.

Most alterations will be minor and while we will do our best to notify you of any changes as soon as reasonably possible if there is time before your departure, we will have no other liability to you. Examples of "minor changes" include the following when made before departure:

A change in the advertised identity of the carrier(s) or aircraft type
A change of outward departure time or overall length of your Package Holiday of twelve hours or less.

A change of cruise or accommodation to another of the same or higher standard or classification.

A change of port or itinerary due to weather

A change of port or itinerary enroute without notice

Occasionally we may have to make a major change to your Package Holiday. We will only do so if we are constrained by circumstances beyond our control or find that we are no longer able to fulfil any special requirements that you have requested and that we have agreed to provide. Examples of "major changes" include the following, when made before departure:

A change of cruise or accommodation area for the whole or a significant part of your time away.

A change of accommodation or cruise to that of a lower standard or classification for the whole or a significant part of your time away.

A change of outward departure time or overall length of your arrangements of twelve or more hours (flights)

A change of UK departure airport, as long as that change is not from one London airport to another London airport. London airports are Heathrow, Gatwick, Stansted, Luton and London City.

If we have to make a major change or cancel for any reason including Force Majeure, we will tell you as soon as possible and if there is time to do so before departure, we will offer you the choice of (for major changes):

i) accepting the changed arrangements;

ii) having a refund of all monies paid; or

iii) accepting an offer of alternative travel arrangements of comparable standard from us, if available (we will refund any price difference if the alternative is of a lower value).

You must notify us of your choice within 7 days of our offer. If you fail to do so we will assume that you have chosen to accept the change or alternative booking arrangements.

We reserve the right to cancel your Package Holiday if the number of persons enrolled for the Package is smaller than the minimum stated in the contract on written notice at least 20 days prior to the start of a trip lasting more than 6 days, at least 7 days prior to the start of a trip lasting between 2 and 6 days and in all other cases at least 48 hours before the start of the Package. We may also cancel your Package holiday if we are prevented from performing the contract due to unavoidable and extraordinary circumstances and notify you without undue delay prior to the start of the trip. In such circumstances you will be entitled to a full refund of payments made for the package within 14 days of cancellation however compensation will not be payable.

Compensation

In addition to a full refund of all monies paid by you, we will pay you compensation as detailed below, in the following circumstances:

- If, where we make a significant change, you do not accept the changed arrangements and cancel your booking;

- If we cancel your booking and no alternative arrangements are available.

The compensation that we offer does not exclude you from claiming more if you are entitled to do so

Period before departure within which notice of Cancellation or major change is notified to you

Compensation payable per person booking

70 days or more - Nil

69 - 50 days prior to departure - £10

49 - 36 days prior to departure - £20

35 - 28 days prior to departure - £30

Less than 28 days prior to departure - £40

The above options will not be available if we make a minor change or cancel as a result of your failure to make full payment on time or where the change(s) or cancellation by us arises out of alterations to the confirmed booking requested by you.

We will not pay you compensation in the following circumstances:

- where we make an insignificant change;

- where we make a significant change or cancel your arrangements more than 70 days before departure;

- where we make a significant change and you accept those changed arrangements or you accept an offer of alternative travel arrangements;

- where we have to cancel your arrangements as a result of your failure to make full payment on time;

- where the change or cancellation by us arises out of alterations to the confirmed booking requested by you;

- where we are forced to cancel or change your arrangements due to Force Majeure

In the event of a change or cancellation, we regrettably cannot reimburse you for any incidental expenses incurred by you such as visas, vaccinations, equipment, transport, insurance or similar costs.

If we become unable to provide a significant proportion of the services that you have booked with us after you have departed, we will, if possible, make alternative arrangements for you at no extra charge and, where those alternative arrangements are of a lower standard, provide you with an appropriate price reduction.

Our Responsibilities to You in respect of Package Holidays

1) We will accept responsibility for the arrangements we agree to provide or arrange for you as an "organiser" under the Package Travel and Linked Travel Arrangements Regulations 2018 as set out below.

2) It is a condition of our acceptance of liability under this clause that you notify any claim to us and our supplier(s) without undue delay following the perceived act or omission giving rise to the claim and allow us or our suppliers a reasonable period within which to remedy the situation should a remedy be possible.

3) Subject to these booking conditions, if we or our suppliers perform or arrange your contracted holiday arrangements negligently, taking into consideration all relevant factors (for example following the complaints procedure as described in these conditions and the extent to which ours or our employees' or suppliers' negligence affected the overall enjoyment of your holiday), we will pay you reasonable compensation. Please note that it is your responsibility to show that we or our supplier(s) have been negligent if you wish to make a claim against us.

4) We will not be responsible or pay you compensation for any injury, illness, death, loss, damage, expense, cost or other claim of any description if it results from:

(i) the act(s) and/or omission(s) of the person(s) affected;

(ii) the act(s) and/or omission(s) of a third party unconnected with the provision of the services contracted for and which were unforeseeable or unavoidable; or

(iii) unusual or unforeseeable circumstances beyond ours or our supplier(s) control, the consequences of which could not have been avoided even if all due care had been exercised; or

(iv) an event which either ourselves or suppliers could not, even with all due care, have foreseen or forestalled.

5) We limit the amount of compensation we may have to pay you if we are found liable under this clause:

(i) For loss of and/or damage to any luggage or personal possessions and money: The maximum amount we will have to pay you in respect of these claims is £25 per person in total because you are assumed to have adequate insurance in place to cover any losses of this kind.

(ii) For claims not falling under 3(i) above and which don't involve injury, illness or death: The maximum amount we will have to pay you in respect of these claims is three times the price paid by or on behalf of the person(s) affected in total. This maximum amount will only be payable when all elements of the holiday have been impacted and you or your party has not received any benefit at all from your booking.

(iii) For claims in respect of international travel by air, sea and rail or any stay in a hotel:

a) The extent of our liability will in all cases be limited as if we were carriers under the appropriate

Conventions, which include The Warsaw/Montreal Convention (international travel by air); The Athens Convention (with respect to sea travel); EU Regulation 392/2009 (relating to the Liability of carriers of passengers by sea in the event of accidents); The Berne/Cotif Convention (with respect to rail travel) and The Paris Convention (with respect to hotel arrangements). You can request copies of these Conventions from our offices. In addition, you agree that the operating carrier or transport company's own 'Conditions of Carriage' will apply to you on that journey. When arranging transportation for you, we rely on the terms and conditions contained within these international conventions and those, 'Conditions of Carriage'. You acknowledge that all of the terms and conditions contained in those, 'Conditions of Carriage' form part of your contract with us, as well as with the transport company and that those, 'Conditions of Carriage' shall be deemed to be included by reference into this contract.

b) If it is impossible to ensure your return as scheduled due to unavoidable and extraordinary circumstances, we will bear the cost of necessary accommodation, if possible of the equivalent category, for a maximum of 3 nights unless varied by Union passenger rights legislation applicable to the relevant means of transport for your return. The limit does not apply to persons with reduced mobility and any persons accompanying them, pregnant women and unaccompanied minors, or persons in need of specific medical assistance, provided that you notified us of these needs at least 48 hours before the start of your trip.

c) In any circumstances in which a carrier is liable to you by virtue of the Denied Boarding Regulation 2004, any liability we may have to you under our contract with you, arising out of the same facts, is limited to the remedies provided under the Regulation as if (for this purpose only) we were a carrier. Refer to clause 7 'Flights' for further details.

d) When making any payment, we are entitled to deduct any money which you have received or are entitled to receive from the transport provider or hotelier for the complaint or claim in question.

6) Where any payment is made, the person(s) receiving it (and their parent or guardian if under 18 years) must also assign to ourselves or our insurers any rights they may have to pursue any third party and must provide ourselves and our insurers with all assistance we may reasonably require.

7) Please note, we cannot accept any liability for any damage, loss or expense or other sum(s) of any description: (a) which on the basis of the information given to us by you concerning your booking prior to our accepting it, we could not have foreseen you would suffer or incur if we breached our contract with you; or (b) relate to any business.

8) We will not accept responsibility for services or facilities which do not form part of your booking with us. For example any excursion you book whilst away, or any service or facility which your cruise, hotel or any other supplier agrees to provide for you.

GENERAL TERMS AND CONDITIONS

3 hours for any reason, you must contact us and the airline or other transport supplier concerned immediately. Under EU Law, you have rights in some circumstances to refunds and/or compensation from the airline in cases of denied boarding, cancellation or delay to flights. Full details of these rights will be publicised at EU airports and will also be available from airlines. If the airline does not comply with these rules you should complain to the Civil Aviation Authority at www.caa.co.uk/passengers. Reimbursement in such cases is the responsibility of the airline and will not automatically entitle you to a refund of your holiday price from us. If, for any reason, you do not claim against the airline and make a claim for compensation from us, you must, at the time of payment of any compensation to you, make a complete assignment to us of the rights you have against the airline in relation to the claim that gives rise to that compensation payment. A delay or cancellation to your flight does not automatically entitle you to cancel any other arrangements even where those arrangements have been made in conjunction with your flight.

Complaints

If you have a problem whilst on holiday, this must be reported to the service provider or our local representative immediately. You must, as a strict condition of your booking, obtain a written record of your complaint from the service provider or their representative at the time the issue arose. If you fail to follow this procedure the service provider will have been deprived of the opportunity to investigate and rectify your complaint whilst you were in resort and this may affect your rights under this contract.

If your complaint is not resolved locally, please follow this up within 28 days of your return home by writing to us, giving your booking reference and all other relevant information.

The exotic locations which we offer often attract the local wildlife. The hotels work hard to reduce the impact of the native wildlife upon your holiday. However, there may be times during your stay when insects, reptiles and rodents may be present. The occurrence of such creatures is common in such climates and is not indicative of poor hotel standards.
