EUROPE RIVER CRUISES 2024

Small ship river cruising through the heart of Europe

Welcome

The great arteries of the landscape—the rivers of Europe weave together a tapestry of civilisations. Defining the borderlines of great empires and determining the settlement of pioneering cultures, the riverways have proven decisive in the evolutionary unfolding of the continent. Imposing mountain ranges, tranquil villages, and legendary cities spring from European riverbanks, all sharing in the vitality of the waters.

There is no better way to immerse yourself in the vast gamut of European heritage, culture, and tradition, than by traversing its well-travelled waterways, following in the footsteps of the poets, merchants, and explorers of antiquity.

As small ship experts, we know that our minimal guest numbers, relaxed ambience, and high level of personal service, provide the perfect setting from which to enjoy Europe's network of iconic rivers.

The small ship lifestyle brings you to the heart of each destination for an intimate look at the local life along the riverbanks. Revolutionary in design, life on board our deluxe Emerald Cruises Star-Ships, promises contemporary comfort and unique innovations, while our suite of generous inclusions delivers exquisite dining experiences, exceptional service, and handpicked immersive itineraries.

The Danube River The Rhône River Amsterdam **Rhine River** Cologne Rhine Gorge GERMANY Mannheim Basel Budapest Saône River Danube River Rhône River ROMANIA Douro River Osiiek Porto Vega de Terrón PORTUGAL

Highlights:

Each itinerary has been carefully designed to give you the freedom to explore at your own pace.

- **The Saône:** Springing from the low mountains of the Vosges, the Saône coalesces with the Rhône in the city of Lyon. Supporting trade and commerce since prehistoric times, the peaceful banks of the Saône are home to burgundy-roofed villages, sweeping meadows, and wind-shaped Poplar trees.
- **The Rhône:** Carving through the alpine landscapes of Switzerland and France, the Rhône is the only major river flowing directly into the Mediterranean Sea. Medieval cities, ancient villages, and prosperous towns call the riverbanks home, and Gallic heritage runs through every bend of this beautiful waterway.
- **The Douro:** The famed river of the Iberian Peninsula, the Douro, flows across Spain and Northern Portugal, draining into the Atlantic Ocean from the city of Porto. One of Europe's most striking landscapes, sun-drenched vineyards, charming villages and historical landmarks pepper the banks of the river.
- **The Rhine:** Flowing from the Alps in central Switzerland and draining into the North Sea in the Netherlands, the Rhine crosses diverse and fairy tale-like landscapes. Age-old castles, medieval towns, and historic cities rise from the riverbanks, telling the centuries-old story of this vital European waterway.
- **The Main:** Formed by the confluence of rivers at the Fichtel and Fränkische Mountains of northeastern Bavaria, the Main river connects the Danube to the Rhine. Ancient wonders, UNESCO World Heritage-listed sites, and sweeping pastoral landscapes line the riverbanks in a distinct combination of natural beauty and quaint architecture.
- **The Moselle:** The Moselle rises on the forested slopes of the Vosges massif. Passing through western Germany, the river weaves its way through the spectacular historic architecture of fortifications and castles, charming riverside villages, and some of Germany's best-loved vineyards.
- **The Danube:** The mighty Danube is the second-longest river in Europe after the Volga. What is a lock?

Europe's waterways aren't only distinctive because of their history; but also because of the terrain that can make navigation more challenging. Water locks, akin to an elevator, raise and lower ships to overcome the variations in water levels. The Rhine–Main–Danube Canal; for instance, boasts 16 locks, some as deep as 30 metres and reaching a height of over 406 metres.

Navigating a lock

Our Star-Ships have been engineered with locks in mind, designed to fit perfectly with inches to spare. Your captain is trained for such manoeuvres, but sometimes water levels don't cooperate and, on occasion, this can lead to lock closures or difficulties passing under bridges when water levels are too high or too low. We always have a plan in place to handle navigation issues in a timely and efficient manner, with minimal disruption to your journey.

Double-docking

Cologne, Germany

Bridges

Throughout your time on board, we will sail under many different styles and fashions of bridges. On such days, we may need to close the Sun Deck for the safety of our guests. Our crew will lower the railings, and the captain's wheelhouse will be mechanically dropped to allow the Star-Ship safe navigation. But, with plentiful public spaces available throughout our Star-Ships, you'll always have somewhere to enjoy river views.

Double-docking

In popular ports, we will, on occasion, be required to dock next to other ships; this means accessing the shore via the Sun Deck, requiring you to ascend and descend stairs. This possible change; will not prevent you from leaving your Star-Ship, as you catch a glimpse of your neighbouring ship walking through to embark or disembark. Your Star-Ship may dock next to another vessel overnight, and drawing your curtains at night is advised.

Your health & safety

Our commitment to our guest's health and safety remains our key priority, with hand-sanitizing stations positioned around each of our Star-Ships and enhanced cleaning. We also, continue to work closely with Cruise Lines International Association (CLIA) along with local and government agencies to ensure our protocols exceed the latest requirements.

Book your river cruise with complete confidence

River Cruise Cover

Your Emerald Cruises river cruise automatically includes peace of mind River Cruise Cover. Cover may be enacted in the event of a deviation to compensate you for any changes to your itinerary. Should information about potential issues be available before your departure, we will notify you and allow you to make an informed decision about your travel plans. Should the impact happen during your cruise, you will be notified by your cruise director on board that River Cruise Cover has been enacted. Once your cruise is complete, we will review the total number of days disrupted and provide you with a letter upon your return home with the amounts that can be claimed and details of the claims process. We appreciate that you've invested a lot of time and funds for your holiday with us, so we want to ensure that we provide you with peace of mind when travelling with Emerald Cruises.

Helpful information

Water levels

Cruise itineraries may vary if high or low water levels, flooding, lock closure, unscheduled vessel maintenance, or any other unforeseen, uncontrollable circumstances require us to make alterations. If sailing isn't possible, we'll minimise the impact this has upon your holiday by making alternate arrangements for the duration of the itinerary. This could mean arranging coach transfers, organising ship swaps, providing hotel accommodation or finding alternative attractions to visit – all of which are weather dependent.

Sun Deck

The Sun Deck's operational hours may be limited due to the passage through low bridges or other restrictions by local authorities. This may mean that the deck is completely closed for a period of sailing time on certain rivers.

Health & Vaccinations

Health facilities, hygiene, and disease risks vary worldwide. To ensure your safety throughout your cruise, seek advice regarding your specific health requirements as early as possible. Further information can be found in the Department of Health leaflet T7.1 (Health Advice for Travellers), available from the Department of Health on 0207 210 4850, via its website; dh.gov.uk, and from most Post Offices. If you have any pre-existing medical conditions or mobility difficulties, you should inform us at the time of booking.

Travel Insurance

We strongly advise you to take out adequate and appropriate travel insurance, including cover against loss of deposit or cancellation fees. Please read your policy details carefully and take them with you on your cruise. It's your responsibility to ensure that the cover you purchase is suitable and adequate for your needs and the cost of your holiday.

Mobility

Emerald Cruises welcomes disabled guests but wishes all guests to be aware of the limitations that could exist both on board and during shore excursions. The lifts on our ships service three out of four decks, with the Sun Deck only accessible via stairs. Under appropriate circumstances, guests are welcome to use collapsible wheelchairs on board. Many tours require the use of coaches, meaning guests need to be able to climb up and down the stairs to board. Some shore excursions may require movement over cobblestones or up and down stairs; accordingly, guests with limited mobility will require the services of a responsible companion to be travelling with them, since crew availability is limited. If you have any medical, physical, or other special needs; please contact our travel advisors for further information.

On board currency

On board, any accounts can be paid in cash using Euros, or transactions can be made by either debit or credit card payment.

Clothing

We recommend casual and comfortable clothing. For sightseeing and walking tours, we advise comfortable footwear. In winter, a warm coat will be required, as will gloves and water-resistant shoes. Dinner is an informal affair; relaxed eveningwear is perfect. On certain evenings, such as the Welcome and Farewell Dinners, guests may like to wear more formal attire.

Wi-Fi

Wi-Fi connection, availability, and speed will vary depending on the ship's position and the number of connected users. Wi-Fi can be slow to use, and there may be occasions when no signal is available.

Plug sockets and voltage

On board electricity is 220v and a European plug adaptor will be needed to use electrical items. All rooms have a hair dryer.

Bookings

1. We are a Member of ABTA. When you book with an ABTA Member you can expect high service standards, fair terms of trading and accurate information. ABTA's strict joining criteria for Members, code of conduct, customer helpline and approved Alternative Dispute Resolution (ADR) scheme to resolve complaints are in place to give you confidence and peace of mind when booking your travel arrangements. For more information see

2. We welcome passengers with medical conditions or disabilities. If you or any member of your party has any medical condition, pregnancy, or disability which may affect your holiday or has any special requirements as a result of any medical condition, pregnancy, or disability (including any which affect the booking process), it is very important that you tell us of the condition and of any medical or mobility equipment you will need in writing before you confirm your booking so that we can assist you in considering the suitability of the arrangements and/ or making the booking. We reserve the right to refuse to carry any person whenever we are prevented from doing so because of any applicable safety requirements or where we are unable to accommodate their needs in a safe or operationally feasible manner. Elevators may not access all decks and cabins and bathrooms may have significant thresholds and cabin doors which limit access. In addition some activities either on board the ship or onshore at all ports may be unsuitable for those with reduced mobility. You must also notify us of any changes or deterioration in the disability or medical condition or development of any disability or medical condition after booking. We further reserve the right to cancel your booking and impose cancellation charges if we are not fully advised of any relevant disability or medical condition at the time the booking is made and/or promptly notified of any development, change or deterioration occurring after booking and where we are unable to properly accommodate you. In the event that you require assistance with embarking or disembarking as a result of your

reduced mobility or disability, please advise us at the time of booking and in any event no later than 48 hours before the assistance is required. Please also note that assistance is not always available when embarking or disembarking at all ports of call. Any passenger affected by a disability, or medical condition must ensure they have notified this to their travel insurers and that their insurance it is suitable for their needs.

3. The operation of all departures are conditional on us securing the minimum number of bookings required to operate and to ensure an enjoyable group atmosphere. Where sufficient numbers cannot be achieved, we reserve the right to cancel or change a scheduled departure. We will endeavour to make any decision to cancel or significantly change a departure no less than 60 days prior to the scheduled departure date but in any event will notify you no less than 20 days (7 days for journeys lasting less than 7 days in duration) prior to the departure date of the journey.

4. If you have any special requests (including dietary requirements) you must notify us in writing at the time of booking. Please note special requests cannot be guaranteed. Failure to meet any special request will not be a breach of contract by us. Confirmation that a special request has been noted or passed on to the supplier of any service(s) or the inclusion of the special request on your confirmation invoice or any other documentation is not confirmation that the request will be met. Unless and until specifically confirmed by us in writing, all special requests are subject to availability. We cannot accept any conditional bookings, i.e. any booking which is specified to be conditional on the fulfilment of a particular request. All such bookings will be treated as "standard" bookings subject to the above provisions on special requests.

Payment

5. To secure a booking, you must pay the applicable deposit of a minimum of £300 per person or full payment if booking 120 days or less before the start of the cruise. The deposit or full payment, as applicable, must be received by us at the time of making the booking to ensure a place on the journey is held. Bookings will be automatically cancelled if the applicable deposit or full payment, is not received by us at the time of booking and we will have no further liability to you. Any accommodation, sightseeing or flights we book for you which are separate to those stated in your itinerary are not included in the deposit or journey price. An extra payment will be required to cover the costs of these additional services.

6. Deposits are non-transferable and non-refundable except as expressly set out in these terms and conditions. We therefore recommend that you have adequate insurance to cover this.

7. The balance of your booking must be received by us no less than 120 days prior to the start of your journey. If we do not receive all payments due (including any surcharge where applicable) in full and on time, we are entitled to assume that you wish to cancel your booking. In this case, we will be entitled to keep all deposits paid or due at that date. If we do not cancel straight away because you have promised to make payment, you must pay the cancellation charges shown in these terms and conditions depending on the date we reasonably treat your booking as cancelled. 8. Except for flight inclusive bookings, all monies you pay to one of our authorised travel agents for your holiday with us will be held by the agent on your behalf until a contract between us comes into existence. After that point, your agent will hold the monies on our behalf until they are paid to us. For flight inclusive bookings, all monies paid to any authorised travel agent of ours for your holiday with us will be held on behalf of and for the benefit of the Trustees of the Air Travel Trust subject to the travel agent's obligation to pay such monies to us in accordance with our trading terms unless we fail. In the unlikely event of our financial failure, all monies then held by the travel agent or subsequently paid by you to the travel agent will be held by the agent on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation on the agent to pay such monies to us.

Your contract

9. Subject to availability we will confirm your booking verbally (if you have made a telephone booking) or by email (if you have made an email booking). For all other bookings we will confirm your booking by issuing our confirmation invoice. Even if you have received verbal confirmation or email confirmation, we will also send you a confirmation invoice. This invoice will be sent to the lead name on the booking ("Lead Name") or your Travel Agent. Please check this invoice carefully as soon as you receive it. Contact us immediately if any information on the confirmation or any other document appears to be incorrect or incomplete as it may not be possible to make changes later. We cannot accept any liability if not notified

of any inaccuracy in any document within 14 days of our sending it out (5 days for tickets). We will do our best to rectify any mistake notified to us outside these time limits but you must meet any costs involved in doing so. 10. A binding contract between you and us comes into existence when we confirm your booking verbally (for telephone bookings) or when we dispatch our email confirmation to you (for email bookings) or when we dispatch our confirmation invoice for all other bookings. We both agree that English law (and no other) will apply to your contract and to any dispute, claim or other matter of any description which arises between us ("claim") (except as set out below). We both also agree that any claim (and whether or not involving any personal injury) must be dealt with under the ABTA Alternative Dispute Resolution process (if the process is available for the claim in question and you wish to use it – see below) or by the Courts of England and Wales only unless, in the case of court proceedings, you live in Scotland or Northern Ireland. In this case, proceedings must either be brought in the courts of your home country or those of England and Wales. If proceedings are brought in Scotland or Northern Ireland, you may choose to have your contract and any claim or other matter of any description which arises between us governed by the law of Scotland/Northern Ireland as applicable (if you do not so choose, English law will apply).

Your journey obligations?

II. (a) You must follow the cruise director's instructions at all times to ensure your safety. You acknowledge that failure to do so will result in restricted access to areas on your journey, or if necessary for your own safety and/or that of other passengers, withdrawal from the journey. (b) If we, or our staff or suppliers are of the view you are negatively affecting your own health, safety or environment or that of other passengers, we can oblige you to withdraw from the journey immediately. We will not be liable to you for any loss, cost or damage resulting from your withdrawal. If you are withdrawn from the journey, you must make your own return travel arrangements at your own expense. (c) You must make your own enquiries regarding your journey, including being aware of any relevant government travel or safety warnings.

Journey price

12. (a) We reserve the right to increase/decrease our advertised prices at any time before your booking is confirmed. We also reserve the right to correct any errors in any price. We will advise you of any error of which we are aware and of the then applicable price at the time of booking. Once the price has been confirmed at the time of booking, clause 13 below will apply. (b) We reserve the right not to honour any published prices and information that we determine were erroneous due to printing, electronic or clerical error.

13. Once your journey price has been confirmed at the time of booking, then subject to the correction of errors, it will only be increased or decreased in the following circumstances. A surcharge or refund (as applicable) will be payable, subject to the conditions set out below, in the event of any change in our transportation costs or in dues, taxes, fuel or fees payable for services such as landing taxes or embarkation or disembarkation fees at ports or airports increase or decrease or in the exchange rates which have been used to calculate your journey price. Even in the circumstances set out in above, only if the amount of the increase in our costs exceeds 2% of your journey price (excluding insurance premiums and any amendment fee) will we levy a surcharge. If any surcharge is greater than 8% of your journey price (excluding insurance premiums and any amendment fee), you will be entitled to cancel your booking and receive a full refund of all monies you have paid to us (except for any amendment fee) or alternatively purchase another journey from us - see clause 19. You have 14 days from the issue date printed on the surcharge invoice to tell us if you wish to cancel or purchase another journey where applicable. Otherwise, we are entitled to assume that you do not wish to do so and will pay the surcharge. Any surcharge must be paid with the balance of the journey price or within 14 days of the issue date printed on the surcharge invoice, whichever is the later. A refund will only be payable if the decrease in our costs exceeds 2% as set out above. Where a refund is due, we will pay you the full amount of the decrease in our costs. No surcharge will be levied within 20 days of departure, or 7 days for journeys lasting less than 7 days in duration. No refund will be payable if any decrease in our costs occurs during this period either.

Journey features

14. The features of the journey are set out in the brochure. 15. We make no representations about the features of any journey other than those expressly set out in the brochure and these terms and conditions.

Brochure validity

16. The brochure and terms and conditions are valid for the departure dates as stated in the brochure unless extra dates are added or otherwise expressly advised by us.

Variation or cancellation by us

17. We start planning the journeys we offer many months in advance. Occasionally, we have to make changes to and correct errors in the details of advertised journeys both before and after bookings have been confirmed and cancel confirmed bookings.

18. In the event of industrial action affecting air, rail, cruise or other journey related transportation we will make every effort to contact the lead name and advise of alternative arrangements. However, if contact is not made, you should phone 0800 270 7017.

19. Whilst we always endeavour to avoid changes/ cancellations, we must reserve the right to do so. Due to the nature of our itineraries, which are dependent on the safe navigation of national and international waterways over which we have no control, it is not always possible for our vessels to sail or call at all ports as planned. Unfortunately, this is an inherent risk in sailing which you must accept. The captains of all the vessels we use retain the ultimate right to deviate from or change any particular itinerary where they believe it necessary to so, for example in the interests of the health and safety of passengers. Most changes made to a confirmed journey are insignificant. Examples of what we both agree to be insignificant changes are changes of vessels to one of the same class for the whole or part of your journey, changes to vehicles used for transfers and excursions, changes to planned excursions, changes to hotel accommodation to that of an equivalent standard including the substitution of accommodation to on board our vessels or vice versa, changes to berthing or dock location, changes to sailing times, and the substitution and/or removal of ports of call, or the replacement of sailing with the use of motor coaches. Occasionally, we have to make a significant change to or cancel a confirmed journey and we must reserve the right to do so. A significant change is a change made before departure which, taking account of the information you give us at the time of booking or which we can reasonably be expected to know as a tour operator, we can reasonably expect to have a significant effect on your journey. If we have to make a significant change or cancel, we will tell you as soon as possible. If there is time to do so before departure, you will be offered the choice of the following options:- (a) (for significant changes) accepting the changed arrangements or (b) purchasing alternative arrangements from us, of a similar standard to those booked if available, with you paying a supplement if the alternative arrangements are more expensive than those originally booked or (c) cancelling or accepting the cancellation and receiving a full refund of all monies you have paid to us. Please note, the above options are not available where any change made is an insignificant one.

20. If we have to make a significant change to or cancel a confirmed journey, we will in addition to the options set out in clause 19 pay you reasonable compensation if and as appropriate subject to the following exceptions. Compensation will not be payable and no liability beyond offering the options set out in clause 19 can be accepted where (1) we are forced to make a change or cancel as a result of unusual and unforeseeable circumstances beyond our control, the consequences of which we could not have avoided even with all due care or (2) we have to cancel because the minimum number of bookings necessary for us to operate your journey has not been reached - see clause 3. No compensation will be payable and the options set out in clause 19 will not be available if we have to cancel as a result of your failure to comply with any requirement of these terms and conditions entitling us to cancel (such as paying on time). A change of flight / Eurostar time of less than 24 hours, airline (except as specified in clauses 48-51 "Flights"), type of aircraft (if advised) or destination airport will all be treated as insignificant changes. 21. We may be forced by Force Majeure to change or terminate your journey after departure but before the scheduled end of your time away.

Amendment or cancellation by you

22. If any member of your party is prevented from travelling, the person(s) concerned may transfer their place to someone else (introduced by you) providing we are notified not less than 7 days before departure. Where a transfer to a person of your choice can be made, all costs and charges incurred by us and/or incurred or imposed by any of our suppliers as a result together with an amendment fee of £50 per person must be paid before the transfer can be effected. Any overdue balance payment must also be received. For flight inclusive bookings, you must pay the charges levied by the airline concerned. As most airlines do not permit name changes after tickets have been issued for any reason, these charges are likely to be the full cost of the flight. If you wish to make any amendments to your confirmed booking you must notify us in writing as soon as possible. It may not always be possible to make such amendments. Where we

can, an amendment fee of £50 per person per booking will be payable together with any costs incurred by ourselves and any costs or charges incurred or imposed by any of our suppliers. A change of journey dates will normally be treated as a cancellation of the original booking and rebooking in which case cancellation charges will apply. Changes may result in the recalculation of the journey price where, for example, the basis on which the price of the original journey was calculated has changed. 23. You may cancel your booking by notice to us in writing and payment of the applicable cancellation fee as shown below. Cancellation notifications are not effective until received by us in writing (if received by us on a weekend day or public holiday the notification will be treated as having been received by us on the next working day). The following cancellation fees apply to each individual person who cancels and where shown as a percentage are based on the total cost of the arrangements which are being cancelled excluding any insurance premiums, amendment fee or previously incurred cancellation charges which are all non-refundable in the event of your cancellation:

Cancellation Fees

Period before your journey commences within which written notification of cancellation is received by us

 Cancellation period
 Fee per person

 120 days and over
 Loss of Deposit

 119 days to 91 days
 50% of journey price

 NB: Transferring to another date, where possible, maybe treated as a cancellation and the above cancellation fees

Our liability

24. We will ensure that the journey arrangements we have agreed to make, perform or provide as applicable as part of our contract with you are made, performed or provided with reasonable skill and care. This means that, subject to these terms and conditions, we will accept responsibility if, for example, you suffer death or personal injury or your contracted journey arrangements are not provided as promised or prove deficient as a result of the failure of us, our employees, agents or suppliers to use reasonable skill and care in making, performing or providing, as applicable, your contracted journey arrangements. Please note, it is your responsibility to show that reasonable skill and care has not been used if you wish to make a claim against us. In addition, we will only be responsible for what our employees, agents and suppliers do or do not do it they were at the time acting within the course of their employment (for employees) or carrying out work we had asked them to do (for agents and suppliers). We will not be responsible for any injury, illness, death, loss (including loss of enjoyment or possessions), damage, expense, cost or other sum or claim of any description whatsoever which results from any of the following: -

- the act(s) and/or omission(s) of the person(s) affected or any member(s) of their party or
- the act(s) and/or omission(s) of a third party not connected with the provision of your journey and which were unforeseeable /unavoidable or - Force Majeure (as defined below).

25. We cannot accept responsibility for any services which do not form part of our contract with you. This includes, for example, any additional services or facilities which any hotel or other supplier agrees to provide for you where the services or facilities are not advertised in this brochure as part of your journey and we have not agreed to arrange them as part of our contract and any excursion or other services you purchase during your journey. Where any such excursion or services are purchased through or with our assistance, please note that we act only as booking agent. Your contract will be with the operator or provider of the excursion or services in question. We have no liability in relation to the same. In addition, regardless of any wording used by us on our website, in any of our brochures or elsewhere, we only promise to use reasonable skill and care as set out above and we do not have any greater or different liability to you.

26. The promises we make to you about the services we have agreed to provide or arrange as part of our contract and the laws and regulations of the country in which your claim or complaint occurred will be used as the basis for deciding whether the journey arrangements in question had been properly provided. If the particular arrangements which gave rise to the claim or complaint complied with the then applicable local laws and regulations, the services will be treated as having been properly performed or provided. This will be the case even if the arrangements did not comply with the laws and regulations of the UK which would have applied had those arrangements been provided in the UK. The exception to this is where the claim or complaint concerns the absence of a safety feature which might lead a reasonable journey participant to refuse to take the journey in question. Please note, however, our obligation is to exercise reasonable skill and care as referred to in clause 24.

27. We do not make any representation or commitment that all services will comply with applicable local laws and regulations and failure to comply does not automatically

mean we have not exercised reasonable skill and care. 28. Where we are found liable for loss of and/or damage to any luggage or personal possessions (including money) the maximum amount we will have to pay you is £1000 per person affected unless a lower limitation applies to your claim under this clause or clause 29 below. For all other claims which do not involve death or personal injury, if we are found liable to you on any basis the maximum amount we will have to pay you is twice the price (excluding insurance premiums and amendment fees) paid by or on behalf of the person(s) affected in total unless a lower limitation applies to your claim under clause 30 below. This maximum amount will only be payable where everything has gone wrong and you have not received any benefit at all from your journey. 29. Where any claim or part of a claim (including those involving death or personal injury) concerns or is based on any travel arrangements (including the process of getting on and/or off the transport concerned) provided by any air, sea or rail carrier to which any international convention or EU regulation applies, the maximum amount of compensation we will have to pay you will be limited. The most we will have to pay you for that claim or that part of a claim if found liable to you on any basis is the most the carrier concerned would have to pay under the international convention or regulation which applies to the travel arrangements in question (for example, the Warsaw Convention as amended or unamended and the Montreal Convention for international travel by air and/or for airlines with an operating licence granted by an EU country, the EC Regulation on Air Carrier Liability No 889/2002 for national and international travel by air, the Athens Convention for international travel by sea (as amended by the 2002 Protocol with effect from 31st December 2012) and COTIF, the Convention on International Travel by Rail). Please note: where a carrier or hotelier would not be obliged to make any payment to you under and in accordance with the applicable international convention or regulation in respect of a claim or part of a claim, we similarly are not obliged to make a payment to you for that claim or part of the claim. When making any payment, we are entitled to deduct any money which you have received or are entitled to receive from the carrier for the claim in question. Copies of the applicable international conventions and regulations are available from us on

30. Please note, we cannot accept any liability for any damage, loss, expense or other sum(s) of any description (1) which on the basis of the information given to us by you concerning your booking prior to our accepting it, we could not have foreseen you would suffer or incur if we breached our contract with you or (2) which did not result from any breach of contract or other fault by ourselves or our employees or, where we are responsible for them, our suppliers. Additionally, we cannot accept liability for any business losses including self-employed loss of earnings. 31. You must provide ourselves and our insurers with all assistance we may reasonably require. You must also tell us and the supplier concerned about your claim or complaint as set out below. If asked to do so, you must transfer to us or our insurers any rights you have against the supplier or whoever else is responsible for your claim or complaint (if the person concerned is under 18, their parent or guardian must do so). You must also agree to cooperate fully with us and our insurers if we or our insurers want to enforce any rights which are transferred.

Carriers

32. The carriers (airlines, rail carriers and sea carriers used in association with the journeys) are not responsible for statements in the brochure or any of its features.

33. The applicable conditions of sale / carriage in use by the carriers will apply to you. These may limit or exclude the carriers' liability to you, usually in accordance with international conventions. Copies of these are available on request.

Force Majeure

34. Except where otherwise expressly stated in these terms and conditions we regret we cannot accept liability or pay any compensation where the performance or prompt performance of our obligations under our contract with you is prevented or affected by or you otherwise suffer any damage, loss or expense of any nature as a result of Force Majeure. Force Majeure means any event which we or the supplier of the service(s) in question could not, even with all due care, foresee or avoid. Such events are likely to include (whether actual or threatened) an act of God, war, terrorism, fire, flood or any other extreme weather conditions, exceptional water levels, lock damage, loss of power, epidemics or pandemics, industrial disputes, slow-downs or other strike activities, political unrest, riots or civil disturbances, prohibitions or acts of Federal, State, Territory, local government, quasi-government bodies or other authorities (including In each case, their duly constituted or appointed agents), inability to obtain the necessary licence of consent and delays caused by sub-contractors, suppliers or other third parties (including telecommunications carriers), material shortages, any border closures by any country for the UK Government,

or other disruptions to the journey beyond our control, set out in clause 25 (which includes the behaviour of any passenger(s) on the flight who, for example, fails to check in or board on time).

Risk and travel insurance

35. You acknowledge and accept that there are inherent risks associated with our journeys for example events of Force Majeure, hazards of travelling in undeveloped areas, travel by boat, train, automobile, aircraft or other means of transportation particularly in underdeveloped countries or more remote locations, forces of nature, political unrest and accident, illness, epidemics or pandemics in regions without means of rapid evacuation or medical facilities. Baggage is entirely at your risk during the journey. We cannot accept any liability regarding the provision of medical care or the adequacy of any care that may be rendered.

36. Except as expressly set out in these terms and conditions you agree that we cannot accept any liability for, and you discharge and release us from all claims arising from or connected with any loss or harm suffered by you arising from any risk referred to in clause 35 or any other risk which you should have reasonably recognized as being inherent to your journey.

37. We strongly advise you to take out adequate and appropriate travel insurance to cover as a minimum cancellation by you, loss of luggage, early return following death of a relative as defined in the respective proposal forms or emergency repatriation in the event of accident or illness for example. Please read your policy details carefully and take them with you on your journey. It is your responsibility to ensure that the insurance cover you purchase is suitable and adequate for your particular needs.

Itinerary changes and travel advice

38. During local/national holidays, facilities such as museums and restaurants, sightseeing tours and shopping may be limited or not available.

39. The Foreign and Commonwealth Office may have issued information about your destinations. You are advised to check this information at www.gov.uk/foreigntravel-advice.

Smoking

40. Smoking is not permitted inside coaches or indoors on any ship and other places as are prohibited. Smoking is not permitted on the balconies of our river cruise ships. We will use reasonable endeavours to ensure there are frequent stops on any coach trip and there are permitted areas outside decks on board some cruise vessels which are available for smoking.

Baggage allowance

41. You are entitled to carry one suitcase per person with the total sum of its length, width and height not exceeding 160cm (62 inches) and weight 20kg (44lbs). Personal and valuable items such as make-up, cameras, medication, passport, money/ credit cards etc. should be carried in a travel bag or on your person. You must ensure that luggage meets the weight requirements as overweight or oversize items will not be carried. Some carriers may impose a small surcharge per day for a second suitcase per person. Excess baggage is always at your cost.

Young travellers

42. Travellers who are less than 21 years old on the departure date must be accompanied by and share a cabin/room with an adult aged 21 or over. Children under 12 years of age are not accepted. This is a condition of carriers and cruise operators.

Complaints

43. If a problem occurs during your journey, you must advise our representative immediately so that steps can be taken to resolve the matter and you can continue to enjoy the remainder of your journey. You must also advise the supplier concerned. Any verbal notification must be put in writing and given to our representative/agent and the supplier as soon as possible. If we do not have or you cannot contact our local representative or agent and any complaint or problem is not resolved to your satisfaction by the supplier, you must contact us in the UK using the contact details we have provided you with during your holiday, giving us full details and a contact number. Until we know about a complaint or problem, we cannot begin to resolve it. Most problems can be dealt with quickly. If you remain dissatisfied, any complaint must be made either by telephone or in writing to us giving full details within 30 days of the end of the journey. If you fail to follow this procedure, your right to claim compensation you may otherwise have been entitled to may be affected or even lost as a result. Only the lead name should write to us. Disputes arising out of, or in connection with your booking which cannot be amicably settled may be referred to ABTA's ADR (Alternative Dispute Resolution) Scheme for the resolution of disputes which is approved by the Chartered Trading Standards Institute and available from www.abta.com

Journey price and duration

44. All prices in this brochure are quoted in English pounds (Sterling). All prices are believed to be correct to the best of our knowledge at the time of printing but errors may

occur and prices are subject to change. You must therefore ensure you check all details of your chosen journey (including the price) with us or your travel agent at the time of booking.

Included in your fare

45. All airfares from the UK (unless specified at the time of booking, e.g. selected special offers), coach travel, all cruise travel, services of a cruise/tour director (if applicable), airport transfers, port charges, meals, accommodation, sightseeing and admissions and other services as expressly indicated in the itinerary, all gratuities and tipping on land stays and river cruises except as set out below.

46. Gratuities and tips to any staff on cruise ships not operated by us (unless otherwise expressly advised), meals not specified in the itinerary, drinks unless otherwise stated, laundry, passport fees, expenses of a personal nature, travel between train stations and any other items which are not expressly included in the cost of your journey.

Airfare conditions

47. Your reservations consultant will book the most appropriate fare for your journey. Air travel is based on a specific class and is subject to availability at time of booking, Please check promotional booking conditions. Full details and conditions may be obtained from your travel consultant. Changes to original tickets will incur amendment or cancellation fees, are subject to availability and surcharges may apply. Please see clauses 21 and 22 above. Please note: all airfares are subject to routing restrictions. Airfares and applicable taxes are subject to increase without notice due to fare and tax changes, surcharges dependent on class available at time of booking and other factors outside our control.

Flights

48. For flight inclusive holidays, the flight timings given are for general guidance only, are subject to change and may be in-direct. The timings will be shown on your confirmation invoice. You must accordingly check your tickets very carefully immediately on receipt to ensure you have the correct flight times.

49. In accordance with the UK's Retained EU Legislation on EU Directive (EC) No 2111/2005, we are required to bring to your attention the existence of a list which contains details of air carriers that are subject to an operating ban within the UK. The Community list is available for inspection at https://info.caa.co.uk/ukregulations. We are also required to advise you of the carrier(s) (or, if the carrier(s) is not known, the likely carrier(s)) that will operate your flight(s) at the time of booking. Where we are only able to inform you of the likely carrier(s) at the time of booking, we shall inform you of the identity of the actual carrier(s) as soon as we become aware of this. Any change to the operating carrier(s) after your booking has been confirmed will be notified to you as soon as possible. Any change in the identity of the carrier, flight timings, and/or aircraft type (where advised) will not entitle you to cancel or change to other arrangements without paying our normal charges except where specified in these terms and conditions. If the carrier with whom you have a confirmed reservation becomes subject to an operating ban as above as a result of which we/ the carrier are unable to offer you a suitable alternative the provisions of clause 19 and 20 will apply. 50. If you suffer a delay in your outbound travel arrangements, we will do our best to ensure you make the start of your journey or, if this cannot be achieved, join it as soon as possible. Any costs we incur in making any alternative arrangements in this situation will be your responsibility. In the event of a flight delay, the airline concerned may provide refreshments and/or other assistance depending on factors such as the length of the delay, time of day and number of passengers affected. We cannot accept liability for any delay which is due to any of the reasons set out in clause 25 (which includes the behaviour of any passenger(s) on the flight who, for example, fails to check in or board on time). 51. If your flight is cancelled or delayed, your flight ticket is downgraded or boarding is denied by your airline, depending on the circumstances, the airline may be required to pay you compensation, refund the cost of your flight and/or provide you with accommodation and/ or refreshments under EC Regulation No 261/2004 - the Denied Boarding Regulations 2004. Where applicable, you must pursue the airline for the compensation or other payment due to you. All sums you receive or are entitled to receive from the airline concerned by virtue of these Regulations represent the full amount of your entitlement to compensation or any other payment arising from such cancellation, delay, downgrading or denied boarding. This includes any disappointment, distress, inconvenience or effect on any other arrangements. The fact a delay may entitle you to cancel your flight does not automatically entitle you to cancel any other arrangements even where those arrangements have been made in conjunction with your flight. We have no liability to make any payment to you in relation to the Denied Boarding Regulations or in respect of any flight cancellation or delay, downgrading of any flight ticket or denial of any boarding as the full

amount of your entitlement to any compensation or other payment (as dealt with above) is covered by the airline's obligations under the Denied Boarding Regulations. If for any reason, we make any payment to you or a third party which the airline is responsible for in accordance with the Denied Boarding Regulations, you must, when requested, assign to us the rights you have or had to claim the payment in question from the airline. For any accommodation included in the journey ltinerary, we reserve the right to substitute hotel accommodation of a similar standard in the place of the advertised hotel. Passports and visas

54. British passport holders are recommended to have a valid passport with at least 6 months validity from return date. It is your responsibility to ensure any visas required for countries to be visited on the journey have been obtained prior to the departure date. Failure to obtain correct documentation will mean you may be unable to participate in particular shore excursions and may be denied boarding and/or entry into certain countries. Passport and visa entry requirements and costs are your sole responsibility. We cannot accept any liability if you are refused entry onto any transport or into any country due to failure on your part to carry correct documentation. If failure to have any necessary travel or other documents results in fines, surcharges or other financial penalty being imposed on us, you will be responsible for reimbursing us accordingly. We recommend that you check www.gov.uk/ foreign-travel-advice for the latest entry requirements for the countries you are due to visit.

55. A full British passport takes approximately 6 weeks to obtain. If you are 16 or over and have not yet got a passport, you should apply at least six weeks before your departure from the UK. The UK Passport Service has to confirm an applicant's identity before issuing their first passport and will ask them to attend an interview in order to do this. If you are not a British citizen or hold a non-British passport, you must check passport and visa requirements with the Embassy or Consulate of the country(ies) you are travelling through and to which you are intending to travel. Please note, all requirements may change and all clients must check the up to date position in good time before departure with the Embassy or consulate of the country(ies) you are travelling through and to.

56. It is your responsibility to ensure you are aware of all recommended vaccinations and health precautions in good time before departure. Details are available from your GP surgery and the National Travel Health Network and Centre www.nathnac.org. Information on health abroad is also available on www.nhs.uk/Livewell/ Travelhealth. At the time of publication of this brochure, we are not aware of any compulsory health requirements applicable to British citizens taking any of the holidays featured in this brochure. For holidays in the EU/EEA you should either be in possession of a valid EHIC (Éuropean Health Insurance Card) or apply for the UK Global Health Insurance Card (GHIC) prior to departure from https:// www.nhs.uk/using-the-nhs/healthcare-abroad/apply-forafree-uk-global-health-insurance-card-ghic/. An EHIC or GHIC is not a substitute for travel insurance. Vaccination and other health requirements/recommendations are subject to change at any time for any destination. Please therefore check with a doctor or clinic not less than six weeks prior to departure to ensure that you have met the necessary requirements and have the applicable information. It is the party leader's responsibility to ensure that all members of the party are in possession of all

necessary travel and health documents before departure. All costs incurred in obtaining such documentation must be paid by you. We regret we cannot accept any liability if you are refused entry onto any transport or into any country due to failure on your part to carry all required documentation. If failure to have any necessary travel or other documents results in fines, surcharges or other financial penalty being imposed on us, you will be responsible for reimbursing us accordingly.

Financial security

57. We hold an Air Travel Organiser's Licence issued by the Civil Aviation Authority (ATOL number 9294). When you buy an ATOL protected flight, or flight inclusive holiday* from us, you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you and who to contact if things go wrong. We, or the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable). If we, or the suppliers identified on your ATOL certificate, are unable to provide the services listed (or a suitable alternative, through an alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit, you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent or your credit card issuer where applicable. You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme. *The flights and flight- inclusive holidays we arrange are ATOL protected providing they are made available in the UK. For further information visit the ATOL website at www.atol.org.uk
