GREAT RIVERS TO ROAM.

Gently rambling, eagerly flowing, wildly rushing... each of Europe's legendary waterways have a distinct personality and a long, fascinating history. Whether you choose the blue Danube, the romantic Rhine, or one of the many other rivers, your perspective will be forever changed.

MAIN (Page 15)

Quaint, quiet, & quintessentially German, the Main winds leisurely through the country's most stunning areas, passing hilltop castles & storybook medieval villages alike.

DANUBE (Pages 18-19)

As Europe's second-longest river and a vital means of transportation for 2,000 years, the Danube is the only major European river to flow from the west to the east. A stunning course in any direction!

RHÔNE (Page 20)

An important inland trade and transport route since Greek times, the Rhône River flows south from the Swiss Alps to the Mediterranean Sea, winding through orchards and vineyards that inspired great artists in the Rhône Valley.

GARONNE (Page 21)

Springing from the Spanish Pyrenees to the Gironde estuary at Bordeaux, the Garonne River flows through some of France's most idyllic landscapes, rich in history, artistry, cuisine, and wine, of course!

DOURO (Page 22-23)

Winding through the heart of Portugal's wine country, the Douro River is renowned for its dramatic valleys, sun-drenched terraced vineyards, and timeless charm. As it flows from Spain to Porto, the Douro weaves a rich tapestry of history, culture, and breathtaking landscapes that define this enchanting region.

MEKONG (Pages 24-27)

Winding through East Asia's heart, the Mekong River is a lifeline of culture and colour—where floating markets drift past gilded temples and emerald rice paddies meet the mist of ancient mountains. Every bend reveals a story.

RHINE (Pages 12-17)

Flowing from the Swiss Alps to Holland's North Sea, the Rhine is perhaps most famous for its legendary Lorelei rock, imposing medieval castles, craggy cliffs, and terraced vineyards that line its banks.

MOSELLE (Page 14)

Flowing through France, Luxembourg, and Germany, the Moselle River is known for the excellent wines produced along its banks, as well as its picturesque medieval castles.

SMALL DETAILS. BIG DIFFERENCE.

The essence of luxury lies in the small details that make a big difference – from personalised service to unique itineraries, every element on an Avalon Waterways cruise is designed to surpass your expectations. Imagine luxurious suites, gourmet dining inspired by local delicacies, and included excursions to discover hidden gems.

SMALLER SHIPS - BIGGER EXPERIENCES

Trade the towering 10+ stories and thousands of passengers of massive cruise ships for the personalised service and relaxed luxury of just 4 levels on our award-winning Avalon Suite Ships. We place a bigger emphasis on the stories waiting to be discovered on shore, so you can explore in a deeper way than the deepest ocean cruise can fathom.

DAILY CHOICE OF EXCURSIONS

Whether you want to hike through German forests, get a look at the Habsburg family's

private art collection in Vienna or join a cooking class, our included choice of Classic, Active & Discovery excursions offer a wide range of possibilities.

PROFESSIONAL SERVICE

We don't just reserve the warmth and comfort for your room on an Avalon river cruise — we share our welcoming spirit throughout the entire ship and carry it onto shore. From the Captain and Cruise Director to your stateroom attendant and wait staff, we deliver exquisite service that's professional, courteous, and informative.

CRUISE DIRECTOR - SHINING A LIGHT

The ship's Captain may be at the helm of your Avalon cruise, but your Avalon Cruise Director is at the heart of it all. Worldly, insightful, and infinitely helpful, each cruise director is hand-selected for their affinity for delivering a rewarding journey on Europe's legendary rivers.

ROOM TO DREAM

When it comes to the little touches, we think big – like your choice of firmness in our exclusive comfortable beds and pillows, and

Egyptian cotton sheets under cosy duvets. Consider yourself at home – but with a better view!

TIME TO INDULGE

Avalon shares the flavours of the world with the freshest local ingredients prepared by our talented chefs and served in your choice of venues on board. Linger over signature cocktails, all brought to you by our onboard mixologist, and during happy hour, enjoy drinks on us!

MORE YOU IN CRUISE. SO MUCH MORE TO CHOOSE.

No one else is like you. So, Avalon includes a variety of excursions and activities to please your inner explorer, epicurean, or enthusiastic scholar. Choose classic sights of the centuries, active adventures by bike or hike, and the discovery of hidden talents with a paint brush or pastry dish at hand. After all, the adventure is up to you on an Avalon cruise!

THE ADVENTURE IS UP TO YOU.

CLASSIC

Nothing beats the classics, especially when it comes to travelling back in time to bygone eras. Avalon's Classic excursions present a colourful collection of guided walking tours through ancient fortresses, capitals and castles, telling timeless tales to create your own storybook adventure.

DISCOVERY

An awakening for the senses, Avalon's Discovery excursions present heartwarming, brain tingling, hands-on experiences. Pull up a chair to hear a Viennese waltz, roll up your sleeves to paint like Van Gogh, or grab an apron to whip up a local delicacy.

ACTIVE

If exploring under your own steam is more your style, Avalon's Active excursions pack the get up-and-go into every cruise. Paddle a kayak, pedal a bike, or put on your hiking shoes to see the world your way with heart-pumping adventures.

Personalise your river cruise experience even more with optional excursions that speak to you. Take plenty of free time to explore on your own – without getting lost. Our AvalonGO mobile app puts it all at your fingertips. Your Avalon Adventure Host can point you in the right direction for active exploring with gear from our Adventure Centre.

discoveries on an Avalon

(see pages 16-17 for more details).

THE RIVER IS WIDE. SO ARE YOUR VIEWS.

What's not to love about our best-in-class Avalon Suite Ships? No other fleet of river cruise ships offers you a view of the world like them, featuring our award-winning Avalon Panorama Suites. Thirty percent larger than the industry standard, they're river cruising's only Open-Air Balcony with nothing between you and the view. While other river cruise cabins are designed with beds against a wall for a view of another wall, our Comfort Collection beds actually face the view with the widest-opening, wall-to-wall, floor-to ceiling panoramic windows in river cruising, so you can fall in love with every heart-melting view!

MIXING IT UP WITH FRESH, LOCAL FLAVOURS.

Our creative chefs insist on the freshest, local ingredients in preparing the perfect dishes that delight with dining experiences served on your schedule in a choice of venues on board. Avalon FlexDining invites you to dine when and where you like—from al fresco lunch at the Sky Grill, to an elegant four-course dinner in the glass-walled Panorama Dining Room, to a casual setting in the Panorama Bistro. With equal parts of local inspiration, familiar favourites, and new twists on old world traditions, we stir the senses with each table setting when and where you please.

AVALON SAIGON.

ONE OF THE SMALLEST SHIPS ON THE MEKONG RIVER.

Step aboard and drift into a world few ever witness. The mighty Mekong – Asia's pulsing lifeline – winds its way through remote landscapes and lush deltas that remain hidden from roads and rails. With Avalon Waterways, you don't just see Vietnam, Cambodia, and beyond – you feel them. Glide past floating markets and stilted villages, through emerald rice paddies and jungle-canopied riverbanks. From the mysteries of the Tonle River to the vibrant rhythms of the Mekong Delta, this is Asia unfolding, intimately and elegantly, one bend at a time. This is cruising, elevated.

CRUISING ELEVATED

SMALL SHIP. BIG CHARM. ENDLESS WONDER.

With just 36 guests max, this is river cruising reimagined – intimate, elegant, and unrushed. No crowds. No chaos. Just you, the river, and a front-row seat to Southeast Asia's soul. She's sleek, colonial-chic, and perfectly sized to slip into places bigger ships can't reach. That means more time exploring and less time on buses.

Your Panorama Suite? A dreamy 245 sqft of calm, with wall-to-wall windows and a bed that faces the ever-changing view. Wake up to drifting temples, floating villages, and the golden glow of sunrise on the Mekong. Step into the Panorama Lounge or kick back on the open-air deck – there's always space, always style, and always a stunning view ahead.

BUT WHAT TRULY SETS THE SAIGON APART?

The people. From your bartender to your room attendant, our crew is all about that "you-first" Avalon spirit – warm, attentive, and effortlessly refined.

This isn't just a cruise. It's a connection.
