A tropical beach scene at sunset. The sun is low on the horizon, casting a golden glow over the ocean and sky. The sky is filled with soft, orange-tinted clouds. In the foreground, there's a sandy beach with several large, dark rocks. To the right, there are palm trees and lush green foliage. The overall atmosphere is warm and serene.

A message from JAMES

Dear Fellow Cruiser,

Can you believe it's already that time of year again?

That's right folks, I'm talking about Black Friday and I'm delighted to let you know that this year marks our biggest Black Friday sale EVER. You've never seen so many incredible deals, offers and exclusive prices in one place, and I can't wait to share them with you.

Now I know what you're thinking. Everyone shouts about Black Friday, but oftentimes they're not even very good deals. I have to admit I'm not the biggest fan of Black Friday or saying it's our 'best sale ever' but on this occasion, we have dug out some genuinely amazing deals and savings just for our customers.

I truly believe we have something for everyone here. Whether you're dreaming of touring picturesque coastlines and secluded islands on an ultra-luxury ocean vessel, fully immersing yourself in the history, art and cuisine of the world's most iconic rivers or even exploring the ends of the earth on an expedition cruise, I guarantee that we have the perfect offer for you this Black Friday.

However, I'm also really excited to tell you all about our incredible range of hosted cruises. A hosted cruise provides the unique opportunity to see the world in sumptuous luxury alongside like-minded individuals, guided by those who know the cruise industry inside out (that's me and our incredible Ambassadors Rich and Helen and Tony and Barbara Hallwood, in case you were wondering!).

There's some really exciting sailings on the agenda for next year so do take a look. I'm already counting down the days and would love you to join me—you can find out more on pages 4-5.

So, sit back, grab a cuppa and dive into this Black Friday edition of Founders. You might just find your next bucket list adventure in these very pages.

Happy (early) Black Friday,

James Cole

We're all in the same boat

The most sought-after destinations in the world, a community of like-minded enthusiasts, the expertise of those who eat, sleep and breathe cruise travel...you can have it all on a hosted cruise.

Exclusively for our Founders, these cruises invite you to join our CEO and Founder, James Cole, his family, colleagues and of course, our incredible Panache Cruises Ambassadors as they sail the globe, visiting dream destinations with our favourite luxury cruise lines. Providing once-in-a-lifetime experiences is the very foundation of what we do at Panache Cruises, and it doesn't get more memorable than cruising alongside those at the heart of our business.

A hosted cruise brings people from all walks of life together, united by a shared spirit of discovery and passion for the unexpected adventures found off the beaten path. There's only one thing better than tucking into world-class cuisine, sipping martinis from the comfort of a sumptuous onboard lounge and exploring culture-rich cities and jaw-dropping landscapes, and that's doing it all with new friends by your side. In joining us, you'll have the opportunity to make headway with your travel bucket list whilst forging lifelong connections with fellow cruise fanatics.

Over the next year, we're offering an extraordinary array of hosted sailings in partnership with the very best luxury cruise lines, featuring our very own James Cole and our Panache Cruises Ambassadors. We couldn't be more thrilled to be partnered with Rich and Helen, whose 'Visit With Us' online platform provides the most comprehensive guide to the world of cruising you'll find anywhere. In addition, we're also delighted to build on our new partnership with travel industry stalwarts Tony and Barbara Hallwood. Boasting 30 years' experience in the travel industry, you can be assured that your trip is in safe hands with the Hallwoods.
