A message from JAMES

Dear Fellow Cruiser,

We're back with another fantastic guide about one of our favourite ultra-luxury cruise lines: Explora Journeys.

As you know, at Panache Cruises we work with the very best in ultra-luxury and all-inclusive cruising to ensure our guests experience the most refined voyages available anywhere in the world.

I've had the pleasure of experiencing Explora Journeys first-hand – many of you reading this have even joined me on board! My experiences in both the Mediterranean and Caribbean have been nothing short of exceptional, with incredibly immersive shore excursions, fantastic food influenced by each destination and the most wonderful crew.

What immediately stands out to me (and from chatting with other guests, they tend to agree) is the feeling of space, calm and relaxation on board. From the moment you embark, there's a sense that this is something genuinely different. Their dedication to wellness at sea is inspiring. Every detail feels intentional and considered.

Quite simply, Explora Journeys is setting the standard for luxury travel at sea – and this is only the beginning.

Exciting times are ahead for Explora Journeys! Three new ships are on their way in 2026 and 2027 with more slated for launch in the next few years.

Not only that, but the new ships in the fleet will be LNG-powered, significantly reducing emissions and future-proofing the fleet for synthetic fuels. The ships will be slightly larger but carry the same number of guests, delivering one of the highest space-to-guest ratios in cruising.

Each stunning new ship will increase the size of the Ocean Penthouses, Ocean Residences and Owner's Residences, creating an even more yacht-like, private feel. EXPLORA III and IV will both also feature two Owner's Residences, a first for the cruise line.

New culinary experiences are also on the cards for the upcoming ships.

EXPLORA III, debuting this summer, will introduce three new venues: Shore Club on 11 for relaxed, beachy themed dining by the pool; the Chef's Table, an exclusive private dining experience crafted by the chefs; and The Cellar, a sanctuary for wine lovers who love elegant dining with exquisite pairings.

Last but certainly not least – in fact possibly the most anticipated new arrival for the brand – is a whole new roster of immersive journeys through two new destinations: Asia and Alaska. Rich culture, new tastes, wildlife encounters and nature's most vivid landscapes await on a myriad of fantastic new itineraries, beginning in spring 2027.

Read more about these new deluxe offerings over the next few pages.

ASTERN POOL & BAR

This part of the ship feels like a hidden gem, akin to an invite-only luxury club. With its own bar and Sakura's alfresco dining area, once you're ensconced on a day bed soaking up the rays, you may never leave.

COCOON RESIDENCE

Imagine a multi-million-dollar penthouse in New York City, now picture it sailing across the world's oceans. That's the feeling the moment you step inside one of these extraordinary Residences.

OCEAN TERRACE SUITE

The pinnacle of entry-level stays at sea. These suites are so exceptional, they set a new standard. Once you've stayed here, everything else may fall short.

Rolex Boutique onboard EXPLORA I

Timeless Luxury

Explora Journeys is all about the uber-luxurious partnerships and this one is no different. Welcome to the Explora Journeys family, Rolex. Timeless elegance, uncompromising excellence and a passion for indulgence.

At their core, Explora Journeys and Rolex are united by their dedication to every minute detail and a belief that quality should never be rushed. Explora Journeys' philosophy of slow, meaningful

travel mirrors Rolex's meticulous approach to watchmaking, where precision and longevity are paramount.

The fact that this is the first and only Rolex boutique at sea speaks volumes about its exclusivity and significance. You don't need to be waitlisted to buy a Rolex when you can simply combine a luxurious holiday with a quick pit-stop at the onboard boutique; that's right, Explora Journeys guests have

the exclusive opportunity to discover and purchase iconic Rolex timepieces aboard EXPLORA I and EXPLORA III.

A delicate balance of pure refinement, resilience and exploration awaits with this uniquely exceptional brand partnership. We suppose this is Explora Journeys' answer to taking 'yacht master' to a whole new level.

A photograph of tennis champion Jannik Sinner sitting on a light-colored sofa in a modern, well-lit interior. He is wearing a dark polo shirt and light-colored trousers, looking off to the side. Large, stylized white text 'JANNIK SINNER' is overlaid on the image. The background features large windows, a potted plant, and a spherical lamp on a side table.

JANNIK SINNER

Explora Journeys has unveiled a brand-new partnership with tennis champion Jannik Sinner, who now serves as the cruise line's Global Brand Ambassador.

The collaboration is rooted in a shared philosophy of precision, balance and wellbeing – values that sit at the heart of Explora Journeys' vision for modern luxury cruise travel.

For Sinner, the Explora Journey's ethos encapsulating the 'Ocean State of Mind' resonates deeply with the mindset

required to compete at the highest level of professional sport, where mental balance and recovery are as vital as physical performance.

This exciting new partnership has evolved into the launch of a bespoke onboard wellness programme titled 'In Balance: A Jannik Sinner Ocean Wellness Programme'. This carefully curated experience developed with Sinner and his performance team will be gradually rolled out across the fleet in 2026 and is designed for guests of all fitness levels; the experience includes breathwork

training, recovery and renewal. EXPLORA III will host Sinner on the brand-new ship's Prelude Journey from Genoa to Marseille on 24th to 25th July 2026, bringing to life the new programme and engaging with guests on board.

Together, Explora Journeys and Jannik Sinner represent a modern fusion of luxury travel, wellbeing and high performance, ultimately redefining what it means to feel truly balanced at sea.

Homes *at Sea*

Explora Journeys' 'Homes at Sea' redefine what it means to feel truly at home while travelling the world. Designed not as traditional cruise cabins, but as elegant private residences, every suite reflects Explora's ethos of wellness at sea, with plenty of space, comfort and understated luxury.

Each Home at Sea is ocean-facing, with a private terrace that brings the outside world in and creates a constant connection to the sea. Soft, neutral tones and natural textures create an atmosphere that is calming yet sophisticated – the perfect retreat after a busy day exploring ashore.

Space is a defining feature and there is even more of it aboard EXPLORA III and the ensuing ships in the fleet. These suites are among the most spacious at sea, offering distinct living, dining and sleeping areas that encourage guests to settle in, unpack properly and truly relax.

Thoughtful details elevate the experience further, from walk-in wardrobes and marble-clad bathrooms to personalised minibars and beautiful open verandas that make the ocean feel like home.

Sakura

The newest venues, debuting on EXPLORA III and beyond, have seen the success

of Explora's culinary offerings thus far and raised the bar. The Chef's Table offers an intimate and immersive dining journey where the chef's bespoke menus tell a unique story – no dish is the same, with flamboyant techniques and local cuisines inspiring each tasting experience.

The Cellar is a sophisticated space for those who appreciate fine wines and look for extraordinary pairings with each expertly prepared dish. Last but by no means least, Shore Club on 11 brings a relaxed, beach-club energy to the ship, offering effortless poolside dining throughout the day before shifting to elegant al fresco dining in the evening.

Together, these restaurants set a new benchmark. Dining with Explora Journeys isn't just exceptional for a cruise – it's among the best food in the world.

WHAT'S ON THE menu

Explora Journeys has redefined dining at sea, delivering what we – and many others – consider some of the finest culinary experiences in the world.

Food is not treated as a simple onboard amenity, but as an integral part of the journey.

Across the fleet, menus are created by world-renowned chefs using high-quality, responsibly sourced ingredients, with dishes celebrating Mediterranean, Asian and international influences.

Your *vibe* your choice

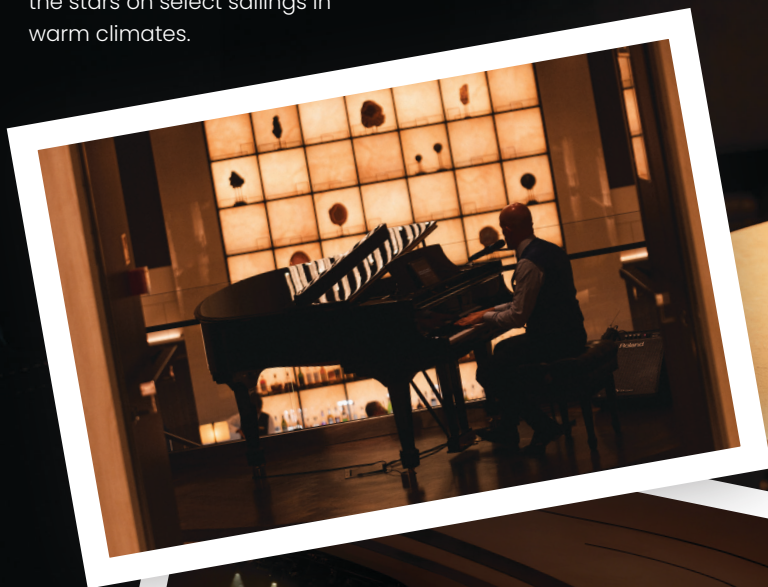

We know what you're thinking. "All cruise ship entertainment is the same". No, it's not!

Explora Journeys does things a little differently. Their distinctive and elevated approach to onboard enrichment goes beyond traditional shows, magic and musicians. It's geared towards cultural immersion, thought-provoking talks and storytelling, live music which feels intimate rather than theatrical.

On the newer ships (EXPLORA III onwards) entertainment is set to expand outdoors, with sunset gatherings, pool-side events and late-night experiences under the stars on select sailings in warm climates.

As always, ocean wellness is a key highlight of any Explora Journeys cruise, and this extends to their entertainment and enrichment schedule. New and improved wellness programmes such as mindfulness sessions and sound baths alongside movement-based experiences will offer a more laidback, wellbeing-focused approach to entertainment.

No matter your vibe, whatever you fancy getting up to on board and ashore, Explora Journeys caters to everyone. That's what we call ultra-luxury cruising.

ASIA

28 itineraries | 47 destinations | 9 countries

Tokyo, Japan

Hong Kong, SAR China

Indonesia

Mount Fuji, Japan

In autumn 2027, Explora Journeys is set to embark on a new chapter in Asia.

Beginning with Japan in September 2027, EXPLORA III will take guests deep into North and Southeast Asia, offering full destination immersion and cultural exploration in some of the most beautiful places on the planet.

From the awe-inspiring limestone cliffs of Thailand's Phang Nga Bay and Tokyo's cherry blossoms to the extraordinary

skyline of Shanghai and food markets in the 'Kitchen of Japan', Kyoto, these brand-new itineraries reflect Explora Journeys' commitment to slower, more meaningful travel.

Each new itinerary is intentionally programmed to coincide with key cultural and seasonal moments throughout Asia, such as Japan's cherry blossom season, China's Golden Week and various Lunar New Year celebrations across the continent.

Signature overnight stays in Tokyo, Osaka, Hong Kong, Shanghai, Ho Chi Minh City, Ha Long Bay and Bali allow guests to explore for longer and experience destinations after dark, when these vibrant cities and beautiful nature spots truly come alive.

On board, culinary experiences and ocean wellness will be tailored to each destination visited; Korean-style spa treatments, Vietnamese dishes and local entertainment will bring Asia alive aboard each Explora Journeys voyage.

BEGINNING IN SUMMER 2027, EXPLORA III WILL TAKE A DEEP DIVE INTO

ALASKA

Rocky Mountaineer

This switch from island-hopping in the Caribbean and Mediterranean will be a welcome change for Explora Journeys, displaying a stunning contrast between the rugged wilderness of the region and the absolute luxury guests will retreat to on board.

These journeys are crafted for travellers who want to experience the raw beauty of the Last Frontier without sacrificing comfort, space or elegance. From glacier-carved fjords and dramatic

mountain backdrops to vast waterways teeming with wildlife, Alaska is best explored slowly, a philosophy that sits perfectly with Explora Journeys' Ocean State of Mind. And for those who love an extended holiday, Explora Journeys is offering a variety of pre- and post-cruise land programmes, including immersive explorations of Denali National Park via the Deluxe Dome Rail and journeys through the Canadian Rockies on the iconic Rocky Mountaineer.
