A message from the FOUNDER

Dear Brilliant Customer,

I'm pretty well-travelled when it comes to cruising, having experienced at least two dozen cruise lines in my 25 years in the industry. One kind of cruising I'm particularly fond of these days is river cruising. I love it!

I went on my very first luxury river cruise just two years ago and it happened to be with Uniworld. Since then, I have jumped at any opportunity to sail with them again.

I can honestly say I've never felt so relaxed and well looked after. From start to finish, the voyage was crafted to perfection — all shore excursions beautifully curated to be immersive and informative, really making the most of each destination. The service from Uniworld is truly the best you'll find on the world's rivers, with absolutely everything included and impeccable attention to detail—think Regent Seven Seas or Silversea on the river.

I'm thrilled to be embarking on yet another spectacular journey with Uniworld later this year, this time to India. The voyage is part of their 'Spectacular Journeys of the World' collection which we're delighted to present to you in this brochure.

We'll be sailing along the sacred River Ganges for seven nights and enjoying pre- and post-cruise stays in New Delhi, Agra, Jaipur, Varanasi and Udaipur. It's set to be a cultural adventure from the get-go and I'm excited to have a group of our Founders members join us for the duration. If you'd like to come along, just call to let us know.

This collection is designed to provide ultra-luxury, all-inclusive cruise experiences combined with unique land programmes, extraordinary hotel stays, luxurious train journeys and more. Our team has put together this guide to Uniworld's wonderful journeys and I think it really represents the luxury feel of the cruise line itself.

So have a read, get in touch with the team and get something ticked off your bucket list!

Happy cruising!

The Nile & Egypt

Lounge Bar

Royal Suite

Soft golden sands, sacred temples, twisting bazaars stocked with jewel-bright silks and fragrant spices—Egypt remains a glittering backdrop for some of the world's most significant historical locations. With World Heritage sites around every corner, from the Temple of Luxor and Valley of the Kings to the ancient Pyramids and languid Great Sphinx, echoes of this country's tantalising past are all around, and there is truly no better way to immerse yourself than with a Uniworld Nile cruise.

Youtubers and Panache Cruises Ambassadors Rich and Helen embarked on this journey and loved every moment. Helen says, "The trip blew us away with the amount of ancient history and wonders of the world we had managed to squeeze into such a short time, all whilst enjoying the luxurious surroundings and attentive service on the glorious S.S. Sphinx".

Over an action-packed 12-day itinerary, the best that Egypt has to offer is yours for the taking. In true Uniworld fashion, there is absolutely no compromise on style, comfort or luxury. You'll be accompanied every step of the way by your very own Egyptologist—a knowledgeable historian, experienced guide and talented storyteller all in one. They're there to regale you with facts and mythology, and bring all the wonder and intrigue of the Nile to the door of your sumptuously decorated suite.

Peru & the Amazon

If the Amazon has long seemed an unattainable entry on your travel bucket list, look no further than Uniworld's unmissable Peruvian voyage. Aboard the sleek, purpose-built Aria Amazon, you'll be perfectly placed to glide through the verdant stretch of the Amazon rainforest dubbed the 'forest of mirrors' for the crystal-clear reflections cast by its waters.

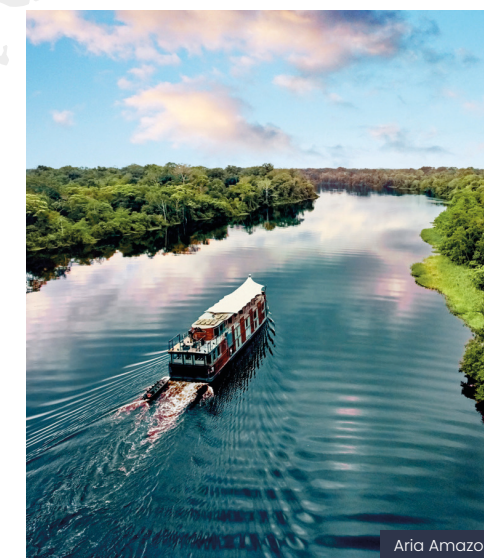

With its remote geography and secluded stops, the Amazon region remains one of the world's most obscure destinations.

With Uniworld, you can journey to the very heart of this shrouded enigma, exploring the confluence of the Ucayali and Marañón Rivers. From waking up to Tericaya turtles, three-toed sloths and spider monkeys capering outside floor-to-ceiling windows, to balmy afternoons marvelling at hawks and parrots swooping overhead, followed by cocktails at sunset whilst on the lookout for the river's distinctive pink dolphins, this lush wildlife haven has never been more accessible.

Each day delivers immersive excursions in Peru's most celebrated destinations—the magnificent "lost city" of Machu Picchu is surely on every traveller's bucket list, as is the vibrant capital of Lima—dubbed 'The City of Kings'.

No longer confined to the realm of bucket lists and 'maybe someday'—with Uniworld, the treasures of the Amazon are within your grasp.
