A message from JAMES

Dear Fellow Cruiser,

In this edition of *Founders*, we're shining a spotlight on one of the most extraordinary names in ultra-luxury cruising: Regent Seven Seas.

At Panache Cruises, we're passionate about connecting our guests with the finest voyages the world has to offer. Regent Seven Seas sits firmly at the very top of that list; their commitment to all-inclusive luxury, exceptional service and a 'leave your wallet at home' experience is second to none.

I've sailed with Regent a number of times now and they never fail to blow me away. On my most recent voyage aboard Seven Seas Splendor I was lucky enough to gain exclusive access to the iconic Regent Suite, and it's safe to say it's one of the most breathtaking spaces I've ever had the pleasure of experiencing at sea.

Scan the QR code below to take a tour of the suite on our YouTube channel – you really do have to see it to believe it.

Their brand-new voyage collection for 2028-2029 is just as fantastic as I expected. With more than 230 new itineraries, 80 in-port overnights, three new ports of call, three Grand Voyages and a world cruise, this new
